RECOMMENDATIONS:

Table 2 – Advanced Manufacturing

1. **Excellence:** We are committed to excellent teaching, learning, quality instruction, support services, and co-curricular activities to ensure that every student will have the opportunity to benefit from an educational experience of the highest quality.
2. **Diversity:** Looks good
3. **Integrity:** We will be accountable, honest, transparent and adhere to the highest professional standards. We are committed to removing barriers upon student success.
4. **Alignment is missing from values (Industry Partnerships, collaboration)**
Current and relevant to what's needed in the workforce.
5. **Excellence:** Rigorous, Challenging, Current, Relevant, High Quality, Challenging Real life.
6. **Its missing "Student Success"**
7. **Diversity:** "Being committed to cultivating a welcoming environment"- Is that specific enough? Add "through targeted outreach and recruitment"
Also include "equity" Include LGBTQ language. Include statement about a Safe, non-threatening environment for all.
8. **Integrity:** We like it. Add: Students can achieve their goals and objectives.

Table 9 - Dual Enrollment

1. Flip order of the two sentences to put planning before evaluation to reflect a true cycle and include all aspects of the cycle (e.g., add implementation)
2. Synthesize it down

Value 5: Stewardship

1. Aligning to long term benefit of the community
2. Leverage resources - do not compete

Value 6: Community

1. It seems to separate college from community
2. More inclusive - integrated with the community
3. We lead together

Value 7: Communication

9. Shorten it

Table 10 – Dual Enrollment

1. Under community add K – 12 partners

2. Mission- with distance education it makes sense to go broader than San Joaquin. We are adding this to Values because the values need to reflect the Mission.
