Recommendations

Appendix A:

_____ **Mission**

Vision

_____ **Values**

RECOMMENDATIONS:

Table 3 – Agriculture

1. Change the word “demonstrate” to “provide” or “produce” (a more action oriented word).
2. Change the word “citizenry” to “student population”
3. Reaffirm the use of the term “skilled workforce”

Vision: SCCC will demonstrate exemplary educational leadership to foster and cultivate a skilled workforce and an educated citizenry who are well prepared professionally and personally to contribute to our community

Table 4 - Agriculture

4. Provide” exemplary educational leadership instead of “demonstrate”
5. Provide exemplary educational leadership and greater access to foster and cultivate
6. Be more specific, not just fluff
7. Emphasize civic/community responsibility
8. K-12 alignment – pathways/skills
9. Will be transparent in meeting workforce needs

Table 5 – Business

1. Use present tense
2. Vision should convey message that you can feel/people can live/feel the passion/something powerful
3. The word ‘Demonstrate’ changes to a more powerful word:
4. Exemplifies the exceptional educational leadership

5. Add 'Encourage/cultivate lifelong learning'
6. Change 'Citizenry' to 'Educated community'

Table 6 - Business

10. Collaboration with community and organizations and other educational institutions including business or economic aspects might need to be included
gets us there already – well prepared professionally and personally to contribute to our community
11. “highly” skilled workforce
12. something about adapting and changing to new technology
13. regional or global – communities regional will show a great area covered
14. not sure what personally contribute means
15. innovative, adaptive to changes – “us” = the college or the students?
