

It's easy to download eAudiobooks with **OneClickdigital**

OneClickdigital is a downloadable eAudiobook service containing thousands of audiobooks with a wide variety of genres (e.g., Best-Sellers, Nonfiction, Romance, Inspirational, Science Fiction, Histories, Biographies, and more). Users can create a FREE account with OneClickdigital to stream audiobooks. The most popular way to use the service after creating an account, is to download the FREE OneClickdigital App (both iOS and Android). Search and browse the thousands of eAudiobooks, and listen offline through the OneClickdigital App.

1 From our college web site, www.reedleycollege.edu, select **LIBRARY** then **RESEARCH DATABASES**. When you are accessing the database off campus, enter your **Student ID#** as the **username** and **password** when prompted. Scroll down the list to find **OneClickdigital** (or visit reedleycollegeca.oneclickdigital.com).

2 Create a free account. You will need:

1. Student ID Number
2. Email address
3. Zip code

You will be asked to:

1. Select your computer's operating system—Windows or Mac
2. Select your portable device type
3. Create a username and password

3 Use **Wi-Fi** connection to download and install the OneClickdigital Media Manager or download the app via App Store or Google Play onto your mobile device.

Browse, download and enjoy your eAudiobooks! Call the library at **559-638-0352** if you need assistance.
