Notes: \*This course is an upper division course at CSU Fresno. Lower division courses completed at Reedley College that are comparable to upper division courses at CSU Fresno meet subject matter requirements only. No upper division units will be granted.

\*\*This course is not offered on a regular basis.

The B.A. in Natural Science – Chemistry Option serves as a waiver program for the Single Subject Teaching Credential in Science. This program is designed for students who wish to become high school science teachers.

Courses marked (Fall) and (Spring) are usually only offered that semester.

This information has been obtained using the 2004-2005 major articulation between Reedley College and CSU Fresno on [www.assist.org](http://www.assist.org).
