Notes: Students desiring to major in Psychology must do the following before being permitted to enroll in restricted, upper division psychology courses (courses with prerequisites):

- a. Formally apply to the major, at which time they will be placed in a pre-psychology major category, and
- b. Complete CSU Fresno courses PSYCH 10 (PSY 2 at Reedley College), PSYCH 42 (Statistics at Reedley College), and PSYCH 144 with grades of "C" or better and have earned a cumulative grade point average of at least a 2.0

Students may apply for upper division Psychology major status in the Psychology Department Advising Office during the semester in which they expect to successfully complete the above requirements. Approval will be contingent upon satisfactory fulfillment of these requirements. All students, including transfer students, must request the Psychology Department to screen their transcripts (to be provided by the student) for successful completion of the requirements before enrollment in restricted, upper division psychology courses will be permitted.

This information has been obtained using the 2004-2005 major articulation between Reedley College and CSU Fresno on [www.assist.org](http://www.assist.org).
