

POSSIBLE MOTIONS:

The Curriculum Committee of Reedley College forwards the following recommendation to the Reedley College Academic Senate in consideration of the recent changes in Title V, section 5500, regarding prerequisite/co-requisite approval:

- a) Only recognize content review as defined in subdivision (c) of section 55000 (NEW)
- b) Only recognize content review with statistical validation as defined in subdivision (e) of section 55000 (currently used at Reedley College)
- c) Recognize either content review alone or content review with statistical validation to be used on a course-by-course basis

-OR-

- d) The Curriculum Committee is to form an ad hoc committee to study the Title V changes as well as other papers responding to these changes and bring back a recommendation in January, 2012.
- e) Other motion?
