ATTENDANCE:

- \* Attendance is required since most of the learning occurs in a lecture/laboratory situation.
- \* Students are responsible for obtaining notes/information missed due to an absence from the instructor.
- \* Please notify the instructor if you know in advance that you will be absent from class.
- \* College policy dictates that an instructor should drop a student with two consecutive weeks of unexcused absences.
- \* The last day to drop the class is Friday, September 10, 1999.
- \* Students must attend at least 7/9 classes to be eligible for course certificate.

POLICY ON CHEATING & PLAGIARISM

In keeping with the philosophy that students are entitled to the best education available, and in compliance with Board Policy 5410, each student is expected to exert an entirely honest effort toward attaining an education. Violation of this policy will result in disqualification for the course.

METHODS OF MEASURING STUDENT ACHIEVEMENT & GRADES

- \* This class will be graded Credit/No Credit.
- \* Grades are determined by a numerical point system. Points are accumulative.
- \* All class assignments, class participation, labs, quizzes, exams, will be assigned point values at time of assignment.
- \* Successful completion of 70% of total points possible will be considered a passing score.
- \* Final exam will be on Tuesday, October 12, 1999 at 6:00 p.m.

*Grade pass*
