

Reedley College School Forest Thursday - Friday - Saturday Credit/No Credit

## COURSE SYLLABUS

## Objectives/Guidelines

The above field studies courses are three-day classes conducted at the Sequoia Lake campus (school forest). It begins at the Reedley campus on Thursday and ends on Saturday afternoon. Transportation to Sequoia Lake is provided. Any other arrangements must be made with the instructor at least one week prior to the trip. Cabins and beds are provided for the students, and all meals, except Thursday lunch, are provided. Any special dietary needs must be submitted to the instructor one week prior to the trip. A list of items that you must bring and rules for you to follow while on the field trip are included in this handout. A schedule of the field trip itinerary will be provided one week before the trip.

There is a fee which should be paid when registering for the class. This fee pays for the lodging and food provided by the YMCA conference. Cancellation of the trip must be made two weeks prior in order to receive a refund for the room and board fee.

One day (Friday) of each three-day course is spent working on a forestry/natural resources field project which not only helps keep the room and board fee low, but is an integral part of each field course curriculum.

Our primary objective is to expose students to a realistic work environment. Secondary objectives include:

- Learn to accomplish tasks in a safe, workmanlike manner under forest conditions.
- Develop new work skills and strengthen established ones.
- Develop cooperative relations skills and develop and strengthen the teamwork approach to a forest work setting.
- Accomplish physical and technical forestry projects which will enhance the environmental condition of our school forest and the goals of the Sequoia Lake YMCA.
- Help meet and further advance our agreement with the Sequoia Lake YMCA to provide meaningful, realistic forestry work projects on the property in return for our using Sequoia Lake as a school forest laboratory.
- To advance the concept of professionalism.
- To develop skills in environmental awareness.

## **Field Trip Regulations**

During these field courses, all college policies will apply.

- There will be <u>NO USE OF DRUGS OR ALCOHOL</u> during the field trip. <u>This is a zero tolerance policy</u> and any deviation will result in immediate expulsion.
- There will be <u>no smoking</u> (including use of smokeless tobacco products) allowed in any building. No smoking at the school forest, except in designated areas and times, and with <u>extreme caution</u>.
- Campus code requires shoes (sandals accepted) and a shirt to be worn at all times.
   In addition, proper field clothes (hard hat and boots) will be worn during the field training portion of the course.
- Students must be present for the entire session to receive a passing grade.
- If you are sick or injure yourself ... see an instructor.
- No swimming in the lake.
- Lights out and quiet time from 10:00 p.m. to 6:00 a.m.
- Water is limited, so please use sparingly in the shower.
- When going on walks, etc., use the "Buddy System".
- All food will be provided, <u>except</u> for Thursday lunch ... bring a sack lunch. If you
  have special food requirements, let Mr. Bemis know 1 week in advance.

### Bring:

Sleeping bag or blankets

Personal gear, soap, wash cloth, towel, etc.

Extra clothes: undies, shoes, socks, etc.

Coat or heavy sweater (nights can be <u>cold!</u>)

Boots, hard hat, gloves, rain gear

<u>Flashlight</u>

Camera, cards, etc. (optional)

Suitcase, duffle bag, or backpack to store above\*

<u>Lunch</u> for Thursday (dorm students request lunch the day before)

\*Don't bring a backpack frame, please.

#### WARNING

Some years are <u>especially dangerous</u> with respect to bears and problems with raccoons. Do not leave any food, lunches, etc. lying around while you are working. Also, do not have <u>any food items in your cabins at any time</u>. The bears break into cabins to get goodies, and they can be <u>DANGEROUS</u> if cornered or surprised!

### **General Work Standards**

We are proud of our Forest/Park Technology program here at Reedley College. Expectations are for students to meet the following standards:

- 1. Our school forest is a very unique and beautiful property; therefore, <u>always</u> treat it with respect. Pick up any trash you may find anywhere.
- 2. Students will observe all safety rules at all times.
- 3. No student will be allowed to participate in the work day activities who does not have proper work clothes (long sleeved shirt, long pants without cuffs, hard hat approved by instructor, leather work gloves, and proper laced boots with lug soles).
- 4. During the work period, students will stay with their assigned crews unless given permission to do otherwise by the supervisor.
- 5. The work day begins promptly at 0800 and will end at 1645. There will be a 30-minute lunch break between 1200-1300 (beginning when the lunch truck arrives). Other breaks will be determined by the supervisor.
- 6. All tools, equipment, and materials assigned to crews will be returned to the warehouse at day's end. Work sites will be cleaned up before leaving the job site.
- 7. Crew supervisors are responsible for maintenance of tools and equipment at the conclusion of the work day.
- 8. Chainsaws will be cleaned, dull chains replaced with sharp ones, and damaged or defective saws and tools tagged for repair, etc. Dull chains will be put into orange cans provided for that purpose.
- 9. The warehouse and shop areas will be left in cleaner and better conditions than we found them.
- 10. Students enrolled in projects or skills classes, or by arrangement for extra credit, will clean up, sharpen, etc. all tools as part of their assigned tasks. Additional students will be selected to assist, if needed.
- 11. Students pruning trees or conducting any activity which could injure the eyes will wear safety glasses or screen goggles. <u>NO EXCEPTIONS</u>.
- 12. Crew leaders are responsible for the correct disposition of <u>all</u> tools, equipment, and materials used for their respective projects.

# Attendance

These courses will commence at 0730 on Thursday at the Reedley College north parking lot, and end on Saturday at 1700 upon return to the Reedley campus.

# **YMCA - Camp Gaines**

335-2382 or 335-2472
