Academic Honesty and Disruption

For detailed information regarding Academic Dishonesty, Plagiarism, and Disruption, please see pages 46-47 of the Reedley College Catalogue. From the catalogue: "Because cheating, plagiarism, and collusion in dishonest activities erode the integrity of the college, each student is expected to exert an entirely honest effort in all academic endeavors. Academic dishonesty in any form is a very serious offense and will incur serious consequences."

Please turn off and stow all cell phones and other electronic devices during class. Students may be dismissed from class and counted as absent for creating excessive disruptions.

Course Content

Course Objective

In the process of completing this course, students will:

1. Demonstrate the ability to hear music with understanding, recognizing patterns and musical function, by taking dictation of rhythms with triplets/duplets and syncopation in simple and compound meter signatures.
2. Demonstrate the ability to hear music with understanding, recognizing patterns and musical function, by taking dictation of melodies in major and minor keys with triplets/duplets, syncopation, chromatic alterations, and modulation to closely-related keys.
3. Demonstrate the ability to hear music with understanding, recognizing patterns and musical function, by aurally identifying and transcribing 4-part harmonic progressions utilizing secondary/applied chords and modulation to closely-related keys.
4. Demonstrate the ability to "audiate" a musical score by sight singing and performing rhythms with triplets/duplets and syncopation in simple and compound meters.
5. Demonstrate the ability to "audiate" a musical score by preparing and sight singing melodies with triplets/duplets, syncopation, chromatic alterations, and modulation to closely-related keys.

Student Learning Outcomes:

Upon completion of this course, students will be able to:

1. Notate through dictation melodies in major and minor keys with triplets/duplets, syncopations, chromatic alterations, and modulation to closely-related keys.
2. Identify aurally and transcribe four-part harmonic progressions utilizing secondary chords and modulation to closely-related keys.
3. Read and sight-sing melodies with triplets/duplets, syncopations, chromatic alterations, and modulations to closely-related keys.

Course Expectations, Late Work, Visitors, and Extra Credit

- It is expected that students will attend all class sessions and participate fully. While this course is not evaluating singing skill level, it is evaluating pitch accuracy, which comes from muscle memory developed over time. Everyone will be singing in class regularly as well as in individual evaluations
- Late work and missed quizzes or exams will not be accepted without prior written consent of the instructor.
- Per the SCCCD policy, visitors (including children) are not allowed in classes without prior written consent of the instructor.
- Extra credit, while unusual, will be offered to every student in the class equally.

Course Grading and Evaluation

- Weekly Quizzes – 35% – Quizzes will be held at the start of the first class session of the week that there is no Midterm or Final Exam and will alternate aural skills tests and oral skills tests. No make-ups will be allowed without advance notice regarding an absence. 1 quiz score will be dropped from the final grade
- Online Assignments – 20% – Students will submit documentation of a total of 50 minutes (in one or multiple sittings) due each week at the start of class on the first class session of the week. Scores will be based on the percentage of minutes completed for the week.
 - <http://www.teoria.com/en/exercises/>Students may also be assigned additional homework, exercises, or projects to support their SSET development.
- Midterm Exams – 20% – There will be one midterm exam. It will consist of both an in class portion and a separate portion scheduled one on one. This will occur on:
 - Week of October 1st
- Final Exam – 25% – The final for this course will include both an aural and an oral portion. The aural portion of the final exam time for this course will be Wednesday, December 13th, 2:00PM-3:50PM. The oral portion will be scheduled.

Attendance - Attendance at all class sessions is required. This is a skill-based course that develops muscle memory over time. One cannot acquire classroom information and experience if he/she is not in attendance. Absences will be reflected in your final grade. You will be allowed 2 absences with no additional penalty than any zeros received on quizzes or exams. After 2 absences, you will lose 5% off of your final grade for each absence. In serious, documented cases, a quiz may be made up in advance of an absence. In order to pass the course, you must earn a passing grade in both the singing and dictation portions of the course.

Assignments provide a means for you to practice the material covered in class and a means for your instructor to evaluate your proficiency with the material. Assignments are due at the beginning of class on the date indicated. Late assignments will not be accepted. You are responsible for the work assigned in class even if you are absent. Quizzes provide a means for your instructor to test your comprehension of material covered in class. Quizzes are normally short and do not occupy the entire class meeting. Makeup quizzes will not be given.

Grading Scale:

A: 92.5-100	A-: 90.0-92.4	B+: 87.5-89.9	B: 82.5-87.4	B-: 80.0-82.4
