- Save all your work and monitor your grades

Extra credit

### **Method of grading:**

The final semester grade will depend upon the accumulation of points during the quarter and semester. The points will be a result of credit received on assignments, tests and final examination. The instructor reserves the right to adjust scores as it may be required throughout the semester.

90% and above = A  
80% and above = B  
70% and above = C  
60% and above = D  
59% and below = F

Test material is constructed from class discussions, assigned readings, guest lectures, video presentations, and special assignments. Tests will consist of true/false and multiple choice questions. Unless the student receives prior approval from the instructor, no make-up tests will be allowed.

### **Homework Policy:**

To receive full credit for homework assignments must meet the following criteria:

1. Typed in 12 point font, double spaced (handwritten work will not be accepted), multiple pages must be stapled.
2. Formatted as follows: *Name, Date, Course number, Homework number* and no spacing in the heading. Sources will be cited in the footer of the document (even if the source is a personal opinion).
3. Turned in no later than the beginning of class on the date it is due. **(HOMEWORK TURNED IN ANY LATER WILL RESULT IN THE STUDENT AUTOMATICALLY RECEIVING ONE GRADE LEVEL LOWER THAN IF ON TIME,( A WILL BECOME A B)**
4. Demonstrate critical analysis.

### **Responsibility to keep copies:**

It is a good practice to keep copies of ALL assignments and tests. On rare occasions, work may be lost because of computer failure or other mishaps.

**Final examination:**

The final examination is comprehensive. It is based upon class discussions, assigned readings, guest lectures, video presentations, and special assignments.

The date of the final for this class is **Friday May 21, 2021**. Students are expected to attend the day and hour of their scheduled finals. There will be no make-ups.

**Work Ethic** - Most students are enrolled in college classes to obtain a quality job or to enhance their skills for advancement with their current employment situation. Employers look for a punctual, responsible individual who is prepared to go to work. Our goal is to replicate the workplace environment where a student can develop and demonstrate these desirable traits.

- Punctual: It is customary to arrive at least 5 minutes before work begins. Individuals will be terminated if they are not punctual.
- Responsible: It is expected that an employee works every scheduled work day. Individuals will be terminated if they are not responsible.
- Prepared: It is expected that an employee be prepared with he/she arrives for work. Students must have work shirts, safety glasses, and appropriate footwear to participate in the laboratory. If a student is not prepared, he/she cannot participate and will receive a zero (see “responsible”).

**Language** - English is expected to be spoken in class for the following reasons:

- All course content and materials are presented in English and class discussions all take place in English.
- All lab activities are conducted in groups and must have effective communication between all group members.
- Activities can be hazardous and it is vital that instructors receive feedback in English to ensure safe practices.
- This policy is designed so that instructors and all students may communicate in a common language.
- All individuals must have freedom of expression and are allowed and encouraged to communicate in the language of their choice outside of class times, including breaks.

### **Behavioral Standards**

- Each student is responsible for his/her own work. Written assignments are not group assignments and no credit will be awarded for students who turn in the same work. Students suspected of cheating on tests and quizzes will receive no credit for that particular assignment and may be removed from the class.
- It is considered polite to turn off cell phones when in the classroom or shop. Please do so.
- There is no smoking, chewing tobacco, alcohol, or drugs allowed in classrooms, shops, or school vehicles.
- This class is set for the semester. All doctor’s appointments, interviews, meetings with counselor, and other types of appointments should be scheduled during your time outside of class.

### **FAQs:**

1. *Do you accept late homework? When is the final exam? When is my homework due?*

Always refer to your syllabus first, I will then assist you with critical issues.

2. *Can I take home a text book?*

It depends if there are class room copies and student copies of the text. Only in rare cases are the texts allowed out of the classroom.

3. *Is there extra credit?*

Only when it is earned.

4. *Can I email you?*

It is easier to reach me in class, However, if you e mail me, you must include in the email **what your question is** so I will answer it in a timely manner.

5. *Can I email you my homework?*

With prior approval only! I teach several classes with nearly 40 students in each class. That much email will overload my account. If I do allow you to email your homework, **in cases of emergency only**, it must be written on a Word Document and sent as an attachment.

6. *I am taking the course with a friend or a relative; can we do the homework together and turn in the same answers?*

I encourage you to share ideas, but the answers have to be in your own words. By that I do not mean changing a few words and calling it your own. Review the definition of plagiarism.

7. *What if there is a dispute about a homework or test score? For example, I am sure I turned in a homework assignment, but I did not get credit for it.*

I cannot emphasize enough about the importance of saving your work. Please don't rely on me to be perfect. I will make every effort to be accurate.

8. *I have a plane ticket to fly home before the final. Can I arrange to take the final at a time other than when it is scheduled?*

No. The final date is written in stone. If there is an **extreme** case, then speak with me about it.

10. *The class I have before this one is across campus, I have to be late sometimes. Will they be excused?*

You must take issues like this into consideration before you register for classes. There are no excused absences, so the answer is no.

11. *It's near the end of the semester and you ask, "Can I do something for extra credit, I'm not doing well in the class?"*

I am here to help, but you have take responsibility. I offer extra credit so don't wait until the last minute. You are allowed no more than 20 points of extra credit for the class (**if you meet the minimum qualifications to do be allowed to turn any in**). Any extra credit project must first be approved by me. If you wait until the last minute, I will not approve any.
