Monday, Friday

COURSE DESCRIPTION:

This course is a continuation for students that have successfully passed Health 14 at Reedley College. Training continues for bilingual individuals to become integral members of the health care team in bridging the language and cultural gap between patients and providers. There is further enhancement of interpreting skills covering specialized health care areas such as gynecology, mental health, chronic disease management, nutrition, palliative care. Emphasis placed on the development of cultural competency as they relate to specific communities in the Central Valley. In addition, this course is taken concurrently with Health 16.

PREREQUISITES: Students must pass Health 14 with a grade of C or higher, and it must be completed within 2 years prior enrollment in Health 15 and 16.

COURSE OBJECTIVES:

- Demonstrate knowledge of managing the flow of the interpretation mastering these skills through classroom activities and examinations.
- Develop and demonstrate skills in the technical aspect of interpretation
- Identify ethnic communities and health problems specific community groups in the California Central Valley
- Demonstrate knowledge of cultural competency related to health issues in various communities
- Identify resources available in the community
- Employ knowledge of skills in effective communication with special emphasis on cross cultural communication
- Identify and discuss traditional health care in specific community
- Demonstrate knowledge of health care terminology specific to different health care service areas

- Describe psychological, social, and emotional issues which may arise for interpreters and identify strategies for managing these issues
- Identify and practice self-care techniques to avoid a burnt-out
- Identify interpreting careers in community and public health fields, and assess personal goals

STUDENT LEARNING OUTCOMES:

Upon completion of this course, students will be able to: 1) Fully understand the roles and responsibilities of a health care interpreter with application to actual situations, 2) synthesize and illustrate a basic knowledge of medical conditions, treatments and procedures, 3) be sensitive and understanding and be able to have a sight insight in linguistic and cultural nuances and communicate these to the health care provider, 4) Apply and implement other knowledge and skills in the art of the interpretation.

COURSE MATERIALS AND SUPPLIES: Computer and Internet access, 2” Binder, high-lighters, color pens, pencils, erasers and 2021 calendar

HCIP REQUIRED TEXT and OTHER MATERIALS:

1) Book Healthcare Interpreting

2) Paying fees for Background Check and/or Vaccination Report

Internet access on-line class

METHODOLOGY: Students will be expected to read assigned materials before and after class, turn in assigned homework and projects, and be prepared to interact in class as individuals and as groups. Methodology includes lectures, individual reading and assignments, small group interaction, online assignments, multi-media, and evaluation measures (quizzes and exams).

ACCOMODATIONS FOR STUDENTS WITH DISABILITIES: If you have a verified need for academic accommodations or material in alternate media (i.e., Braille, large print, electronic text, etc.) per the American’s Disabilities Act (ADA) or Section 504 of the Rehabilitation Act, please contact your instructions as soon as possible.

DROP POLICY: 18-week course have a drop deadline in the 9th week. Short-term classes have a drop deadline of 4 ½ weeks. However, the instructor may drop you at anytime after 1) Not attending mandatory orientation, 2) The first quiz, and/or 3) Having three (3) consecutive unexcused absences or any absences in the first week of class.

REMOVAL FROM CLASS: Instructor (s) shall be in charge of their classes’ and students are under obligation to respect the authority of each instructor. Reedley College’s Students Code of Conduct Policy (Based Policy 5520 and Educational Code 76032) authorizes and instructor to remove a disruptive student from his or her class for the day or removal and the next class meeting. The instructor shall immediately report the removal to the Vice-President of Student Services. During the period of removal, a student shall not be returned to class from which he or she was removed without the concurrence of the instructor of the class. Students are responsible for their conduct. Failure to adhere to the college’s standards will result in disciplinary action. The college reserves the right to exclude at any time a student who violates student conduct standards and/or in not taking proper advantage of the opportunities offered. Reedley college reserves the right to exclude any time a student who, in the judgment of the administration, is not taking proper advantage of the opportunities offered.

ACADEMIC DISHONESTY - CHEATING AND PLAGIARISM:

(Please see the Reedley College Catalog for School Policies)

Cheating is the actual or attempted practice of fraudulent or deceptive acts for the purpose of improving one’s grade or obtaining course credit; such acts also include assisting another student to do so. Typically, such acts occur in relation to examinations. However, it is the intent of this definition that the term “cheating” not be limited to examination situations only, but that it include any and all actions by a student that are intended to gain an unearned academic advantage by fraudulent or deceptive means. Plagiarism is a specific form of cheating that consists of the misuse of the published and/or unpublished

works of others by misrepresenting the material (i, e., their intellectual property) so used as one's own work." Penalties for cheating and plagiarism range from 0 to F on a assignment, through an F for the course.
