Dear President Hioco:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met March 14-15, 2011 to review the Substantive Change Proposal from Reedley College to offer General Education, Business Administration, Information Systems, and Small Business Administration courses at 50% or more through a mode of distance or electronic delivery.

The Committee acted to approve the Substantive Change Proposal and thanks the College for including all of the necessary components for a complete Proposal.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Sincerely,
