**ARTICLE I
TERM OF AGREEMENT**

This Agreement between the State Center Community College District (District) and the State Center Federation of Teachers, Local 1533, CFT/AFT, AFL-CIO (Federation) covering part-time faculty members (hereinafter also referred to as part-time academic employees, unit members) is effective July 1, 2006, or on the date the Agreement is ratified and approved by both parties, whichever is later, and will remain in full force and effect through June 30, 2009.

**ARTICLE II
RECOGNITION**

The District recognizes the Federation as the sole and exclusive representative pursuant to PERB Case No. S-R-931 of those members of the part-time faculty bargaining unit which includes those faculty employees who work 60% or less of a full-time load during the school year as part-time academic employees, including teachers, counselors, librarians, nurses, tutorial, and other resource instructors, who occupy positions which, if held full time, would be included in the bargaining unit enumerated in the certification of the Educational Employment Relations Board dated March 24, 1977, Case No. S-R-555, as amended effective May 25, 1981. The unit excludes management, supervisory and confidential employees, and all classes, groups, and individuals not expressly included, such as Training Institute instructors.

The District and Federation agree that the composition of the bargaining unit shall not change during the term of this Agreement, either through inclusions or exclusions, without the mutual agreement of both parties.

**ARTICLE III
EFFECT OF AGREEMENT**

This Agreement shall supersede any rules, regulations, or practices of the District which shall be contrary to or inconsistent with its terms to the extent permitted by state law, and that District practices, procedures, and policies shall be amended within a reasonable time in accordance with the terms and conditions of this Agreement.

**ARTICLE IV
SUPPORT OF AGREEMENT**

During the term of this Agreement, the District agrees not to negotiate with any other organization on matters upon which the Federation is the exclusive representative and which is within the scope of representation, nor will the District attempt to negotiate privately or individually with the

members of the bargaining unit or any person not officially designated by the Federation as its representative.

The Federation agrees to negotiate only with the representatives officially designated by the District to act on its behalf and agrees neither the Federation, its members, or agents, will attempt to negotiate privately or individually with the Board, an individual Board member, or any person not officially designated by the Board as its representative.

ARTICLE V WAIVER OF BARGAINING

Section 1. WAIVER:

- A. This Agreement shall constitute the full and complete commitment between both parties and shall supersede and cancel all previous agreements between the parties, both oral and written. This Agreement may be altered, changed, added to, deleted from, or modified, only through the voluntary, mutual consent of the parties in a written and signed amendment to this Agreement. This Agreement shall constitute the full and complete commitments of both parties.

The Federation and the District mutually agree that for the life of this Agreement neither party shall be obligated to negotiate collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge of contemplation of either or both of the parties at the time they negotiated and signed this Agreement, unless there is mutual agreement by both parties to reopen negotiations on those specific matters, except as otherwise specified in this Agreement.

- B. Except as otherwise provided in this Agreement, the District and the Federation expressly waive and relinquish the right to bargain collectively on any matter:
- (1) Whether or not specifically referred to or covered in this Agreement;
 - (2) Even though not within the knowledge or contemplation of either party at the time of negotiations;
 - (3) Even though during negotiations the matters were proposed and later withdrawn.

Section 2.

Neither party is obligated to agree to reopen this contract except as stated herein, and any agreement to reopen this contract must be signed in writing by the parties. The contract will run

through June 30, 2009. The Federation's initial proposals for the 2009-2010 school year will be presented to the Board of Trustees no earlier than March 1, 2009.

Section 3. Reopener Negotiations

The parties agree there shall be no obligation to reopen negotiations during the term of this agreement.

**ARTICLE VI
SEVERABILITY AND SAVINGS**

If any provision of this Agreement is held invalid by operation of law or by a court or other tribunal of competent jurisdiction, such provision will not be deemed valid and operative except to the extent permitted by law, but all other provisions shall not be affected thereby and shall continue in full force and effect.

**ARTICLE VII
MAINTENANCE OF OPERATIONS**

The Federation agrees that neither the Federation, nor any person officially acting in its behalf, will cause, authorize, engage in, sanction, or take part in a strike, a concerted failure to report for duty, or other similar action against the District. In consideration thereof, the District agrees there shall be no lockout of unit members.

**ARTICLE VIII
PAST PRACTICES**

The District is not bound by any past practices of the District or understandings with any employee unless such past practices or understandings are specifically stated in this Agreement.

**ARTICLE IX

The Federation shall be provided upon written request with materials and data that are available to the public. The Federation shall pay reasonable photocopying costs for documents requested pursuant to this section.

Section 2. EMPLOYEE LISTS:

The District shall provide the Federation with the names, college location addresses, and telephone numbers of unit members, except for those who have requested their telephone number to be kept confidential, at intervals not to exceed once per fiscal year upon the Federation's written request to the individual college campus. Additional new-hired unit members' names, college locations, and non-confidential telephone numbers shall be furnished as hired during the fiscal year.

Section 3. FEDERATION OFFICIALS:

The Federation shall furnish annually, and update as required, a list of all officials and representatives authorized to act on the Federation's behalf. The list shall show the name and the title of these officials. The District is obligated to recognize or allow reasonable access to any work location by any Federation official or representative when they appear on the official list submitted, subject to the following limitation:

Authorized Federation officials and representatives shall be allowed work location access to unit members only when unit members are not engaged in classroom or other assigned responsibilities.

Section 4. MAILBOX USAGE:

Duly authorized communications may be placed by the Federation in the mailboxes of unit members. Such communications must be dated and bear Federation identification as the distributor. The Federation agrees to use the district's mail service in compliance with California Education Code section 7054.

Section 5. BULLETIN BOARD USAGE:

Duly authorized communications may be placed by the Federation on the bulletin boards of each college. Such communications must be dated and bear Federation identification as the distributor. Reasonable space and time limitations may be invoked by the District when necessary.

Section 6. EQUIPMENT USAGE:

The Federation shall pay for its own supplies whenever the use of District equipment is approved for producing Federation materials. The Federation shall pay a reasonable fee for such use. The fee shall be set by the college administration and shall represent the cost to the District, including staff time and maintenance. The District requirements shall, at all times, have priority over that of the Federation.

Section 7. FACILITIES USAGE:

Upon advance request, and with approval, the Federation will be granted the use of facilities,

depending upon availability of space and conformity of Civic Center Act.

Section 8. POSTAGE MACHINE:

The Federation shall not be granted the use of the District postage machine.

The District agrees to deduct dues in uniform amounts from all eligible Federation members within the unit recognized and enumerated in Article II who have signed an authorization card for such deduction in a form approved by the District, subject to the following conditions:

- (1) Such deduction shall be made only upon the submission on a District-approved form of a duly-executed and revocable authorization by the unit member;

- (3) Unit members who have voluntarily authorized dues deductions shall, from year to year, continue to have dues deducted until discontinued in writing.

B. Notwithstanding Section 10, "A" above, the parties acknowledge the provisions of Government Code 3546(a) which states:

(a) An organizational security arrangement, in order to be effective, must be agreed upon by both parties to the agreement. At the time the issue is being negotiated, the public school employer may require that the organizational security provision be severed from the remainder of the proposed agreement and cause the organizational security provision to be voted upon separately by all members in the appropriate negotiating unit, in accordance with rules and regulations promulgated by the board. Upon such a vote, the organizational security provision will become effective only if a majority of those members of the negotiating unit voting approve the agreement, such vote shall not be deemed to either ratify or defeat the remaining provisions of the proposed agreement.

- (1) Pursuant to Government Code section 3546(a), a request may be filed with the Public Employment Relations Board Office a request that a proposed organization security provision be voted upon separately from the remainder of the proposed agreement by the members of the unit.

The request will be in accordance with the PERB regulations and on a form provided by the Public Employment Relations Board.

- (2) The organizational security arrangement shall become effective as part of the subsequent 1997-99 collective bargaining agreement only when approved by a majority of the valid votes cast by employees in the negotiating unit, but in no event sooner than January 1, 1997.
- (3) If the organization security for the payment of service fees is passed and approved by a majority of members of the negotiating unit, and certified by the PERB, the Federation shall have the right to have service fees deducted for employees in the bargaining unit who do not otherwise pay dues in accordance with Section 10 "A" above as follows:
 - (a) All employed unit members who are not Federation members and who elect not to initiate a dues deduction authorization form shall pay service fees in an amount no greater than the current Federation dues. The service fees must not support Federation activities beyond the Federation's representational obligations. Any dispute between an employee and the Federation over the amount of the service fees must be expedited by the Federation and must be consistent with current law. Such service fees may be paid by submitting a service fees deduction authorization form to the District, by direct annual payment to the Federation by October 1 of any school year in lieu of having such fees deducted, or by involuntary deduction from wages pursuant to Education Code Section 87834 which is the sole remedy in this Article for failure to voluntarily pay the service fees.

SECTION 7. PART-TIME EMPLOYMENT-ASSIGNMENT

A. Priority for assignment in a department/discipline on campus beginning Fall, 1996.

1. Part-time assignments shall generally be made on the basis of qualifications on a campus within each of the priorities set forth below unless the District determines the need to apply any of the factors in A-2.

- a. Full-time overload.
 - b. Part-time faculty in the department for continuing comparable assignment.
 - c. Part-time faculty in the department for increased assignment, with approval of and recommendation of Department Chair and approval of immediate supervisor.
 - d. New applicants.
2. Other assignment factors in addition to qualifications shall include affirmative action goals of District, breaks in service, performance during prior service, program needs, and student retention rates.
- B. In accordance with the Education Code, part-time faculty are “temporary employees.” Nothing contained in this section nor any article of this Agreement places a legal obligation on the District to provide continuing employment for part-time faculty. Under extenuating circumstances, the Administration has the right to reduce or eliminate a part-time academic assignment at any time during the semester.
1. For unit members who have worked two years or more in a department/discipline on a campus, and are given assignments in the Fall, 1994, seniority in a department/discipline on a given campus shall be based on first date of hire and the number of consecutive semesters without a voluntary break in service thereafter. For all other unit members given assignment in the Fall, 1994, and thereafter, seniority shall be based on when they are hired for their fifth consecutive semester in a department/discipline on a campus in the District: Fresno City College, Reedley College and its satellites, or the North Centers (Clovis, Madera, Oakhurst). Unit members who worked prior to January 1, 1997, at both the North Centers and Reedley College, shall have the combined seniority accrual at Reedley College. Unit members who have performed work only at the North Centers will accrue seniority at the North Centers. Ties in seniority shall be broken by lot. District-initiated involuntary breaks in service are those as a result of course cancellation, courses that “do not make,” or the replacement of a part-time employee by a full-time employee (contract or regular employee of greater than 60% FTE) to make load. Appropriate supervisors shall maintain lists that establish seniority and on written request provide such lists semesterly to the Federation. Voluntary breaks in service will result in loss of seniority.

Section 8. FULL-TIME EMPLOYMENT VACANCY:

A unit member shall have an opportunity to be interviewed for a full-time vacancy provided:

1. The unit member submits, in a timely manner, all applications for the vacancy.

2. The unit member is one of the two top ranked in-District part-time applicants based on recommendation of the screening committee.
3. The provisions of this section shall not be grievable. Any objection, complaint, claim, or action that the College District has violated and/or misapplied the provisions of this section shall be filed with the Division Dean, and if not resolved, may only be appealed to the College President whose decision shall be final and binding on the matter.

Section 9. DISTANCE EDUCATION

- A. Definition: Distance Education is a method of instruction where the instructor and student are physically separate for most, if not all, of the instruction. Interaction is mediated by some form of technology, e.g. audio, video, and computer, that allows for students and the instructor to engage in the educational process.
- B. Teaching Load Factor: A faculty member teaching a distance education course (as designated by the College District) shall receive LHE credit on the ratio of four (4) LHE per three (3) units taught. LGI factors shall apply to distance education courses in the same manner as for traditional courses.
- C. Course Development Factor: A faculty member assigned by the College administration to develop a course for distance education shall receive released time during the semester when the course is being developed. The ratio of released time shall be one (1) LHE per one (1) unit of course development.

- (8) During any paid leave of absence, the unit member may endorse to the District the temporary disability indemnity checks received on account of his/her industrial accident or illness. The District, in turn, shall issue the unit member appropriate salary warrants for payment of the unit member's salary, and shall deduct normal retirement, other authorized contributions, and the temporary disability indemnity, if any, actually

Section 2. DEFINITIONS:

- A. Grievance: A formal written allegation by a grievant that there has been an alleged violation, misapplication, or misinterpretation of any provision of this Agreement which adversely affects the employment status of the grievant.

Actions to challenge or change the policies of the District as set forth in the policies, rules, and regulations, or administrative regulations and procedures not included within this contract must be undertaken under District policy rather than this Grievance Procedure.

- B. A "grievant" may be any unit member covered by the terms of this Agreement.
- C. A "day" (for the purposes of this grievance policy) is any day on which the central administrative office of the State Center Community College District is open for business.
- D. The "immediate supervisor" is the first (1st) administrator having immediate jurisdiction over the grievant--not within the same bargaining unit as the grievant.

Section 3. TIME LIMITS:

- A. A grievant who fails to comply with the established time limits at any step shall forfeit all rights to further application of this Grievance Procedure relative to the grievance in question.
- B. Failure of the District to respond within established time limits to any step entitles the grievant to proceed to the next step.
- C. Time limits and steps may be waived by mutual written consent of the parties.

Section 4. OTHER PROVISIONS:

- A. Unit Member Legal Rights: Nothing contained herein shall be construed as a violation of state or federal constitution laws.
- B. Any grievance which arose prior to the effective date of this Agreement or which does not

comply with the terms and requirements of a grievance shall not be processed under this procedure.

- C. Unit members may be represented by the campus grievance chairperson or his/her designee at any conference or at any level.
- D. Informal Discussion--Oral: Within twenty (20) days of the time a unit member knew or reasonably should have known of an alleged grievance, the unit member, either directly or accompanied by the Federation's "grievance chairperson," or designee, shall orally discuss with his/her immediate supervisor during non-teaching hours the alleged grievance. Within five (5) days, the immediate supervisor shall give his/her oral response.

Section 5. FORMAL LEVEL:

A. Level I:

- (1) Within five (5) work days of the oral response, if the grievance is not resolved, it shall be stated in writing on the "Statement of Grievance" form as provided by the District (and shown as Exhibit "A" of this Agreement), signed by the grievant, and presented to his/her supervisor or designee at the associate dean level or above.
- (2) The supervisor or designee shall communicate his/her decision to the unit member in writing within five (5) days after receiving the grievance.
- (3) Within the above time limits, either the grievant or the immediate supervisor or designee may request a personal conference with the other party.

B. Level II:

- (1) In the event the grievant is not satisfied with the decision at Level I, he/she may appeal the decision on the appropriate form to the college president, or his/her designee, within five (5) days.

- (3) The college president, or his/her designee, shall communicate the decision to the grievant in writing within seven (7) days of receiving the appeal. Either the grievant or the college president, or his/her designee, may request a personal conference within the above time limits. The decision of the college president shall be final.

- (2) This statement shall include copies of the original grievance and appeal and written copies of the decisions rendered.
- (3) The chancellor, or his/her designee, shall communicate his/her decision in writing to the grievant within fifteen (15) days.

D. Level IV--Advisory Arbitration

- (1) Within fifteen (15) work days after receipt of the decision of the Chancellor, the grievant may, upon written notice to the other party, submit the grievance to arbitration under and in accordance with the prevailing rules of the American Arbitration Association.
- (2) Powers of the Arbitrator: It shall be the function of the arbitrator and he/she is empowered, except as his/her powers are herein limited, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement and to determine the arbitrability of any grievance where arbitrability is questioned by either party.
- (3) The arbitrator shall have no power to:
 - a. Add to, subtract from, disregard, alter, or modify any of the terms of this Agreement;
 - b. Establish, alter, or modify any salary structure;
 - c. Rule on any of the following:
 - [1] Termination of services of, or failure to reemploy, any unit member;
 - [2] Any matter involving any unit member's evaluation, except procedural matters;
 - d. All fees and expenses of the arbitrator shall be shared equally by the Board and the Federation. Other expenses shall be borne by the party incurring them. Neither party shall be responsible for the expense of non-employee witnesses called by the other.
- (4) The decision of the arbitrator shall be advisory on all parties.

ARTICLE XV

COMPENSATION

Section 1. SALARY

Section 1. Salary Compensation for members of the part-time faculty bargaining unit shall include but not be limited to:

- 1.1 Salary as memorialized in the existing Agreement
- 1.2 Class advancement
- 1.3 Salary-fringe impact
- 1.4 Additional costs as related to the implementation of the Agreement

2006-2007 Salary

Effective August 14, 2006, the District shall provide for the 2006-2007 school year an increase of 7.92% to each cell of the salary schedule which was in effect during the 2005-2006 school year for unit members.

	Class I	Class II	Class III	Class IV	Class V
LEC Step 1	39.61	44.21	46.33	48.56	51.25
LEC Step 2	39.98	44.67	46.98	49.29	51.74
LEC Step 3	40.36	45.08	47.43	49.75	52.24
LEC Step 4	40.77	45.53	47.91	50.25	52.76
LAB Step 1	33.66	37.58	39.61	41.51	43.60
LAB Step 2	33.96	37.93	39.98	41.92	44.02
LAB Step 3	34.30	38.29	40.36	42.30	44.43
LAB Step 4	34.64	38.68	40.77	42.73	44.87

2007-2008 Salary

Effective July 1, 2007, the District shall provide for the 2007-2008 school year an increase equivalent to the Statutory Cost of Living Adjustment to each cell of the salary schedule in effect during the 2006-2007 school year for unit members. In addition, if the District exceeds the Second Principal Apportionment Report (P2) for the previous year's actual credit FTES by 3%, the District will increase each cell of the 2006-2007 salary schedule by an additional 1% effective July 1, 2007. If the actual credit FTES growth is less than 3%, the 1% increase will only be paid in the same ratio the actual growth bears to 3%.

The Statutory Cost-of-Living Adjustment shall be defined as that percentage amount included for California Community Colleges as contained in the 2007-2008 California State Budget Act to the extent that it is actually funded.

*Example

Suppose the Statutory Cost-of-Living Adjustment for the 2007-08 school year for California Community Colleges is 3.0%, then each cell of the salary schedule in effect for 2006-07 would be increased by the sum of 3.0%. However, if the cost of living adjustment for 2007-08 is 3.0% but is funded through the state budget at only 2.5%, then each cell of the salary schedule in effect for 2006-07 would be increased by 2.5%. If, at anytime during the term of this Agreement, the unfunded amount of 0.5% is restored or partially restored and paid to the District, it shall, to the extent paid to the District, be applied retroactively to the salary schedule for bargaining unit members in paid work status on the date the District is actually paid said funds by the state. Additionally, if the District's actual credit FTES growth for the 2006-07 year meets or exceeds 3%, as reported on the 2006-07 Second Principal Apportionment Report (P2), then each cell of the salary schedule for the 2007-08 school year shall be increased by an additional 1% effective July 1, 2007. However, if the actual credit FTES growth for the 2006-07 is 2.5%, the District will calculate the ratio of actual growth bears to 3% (2.5% divided by 3% or 0.83%) and each cell of the salary schedule for the 2007-08 school year shall be increased by an additional 0.83% effective July 1, 2007.

2008-2009 Salary

Effective July 1, 2008, the District shall provide for the 2008-2009 school year an increase equivalent to the Statutory Cost of Living Adjustment to each cell of the salary schedule in effect during the 2007-2008 school year for unit members. In addition, if the District exceeds the Second Principal Apportionment Report (P2) for the previous year's actual credit FTES by 3% the District will increase each cell of the 2007-2008 salary schedule by an additional 1% effective July 1, 2008. If the actual credit FTES growth is less than 3%, the 1% increase will only be paid in the same ratio the actual growth bears to 3%.

The Statutory Cost-of-Living Adjustment shall be defined as that percentage amount included for California Community Colleges as contained in the 2008-2009 California State Budget Act to the extent that it is actually funded.

*Example

Suppose the Statutory Cost-of-Living Adjustment for the 2008-09 school year for California Community Colleges is 3.0%, then each cell of the salary schedule in effect for 2007-08 would be increased by the sum of 3.0%. However, if the cost of living adjustment for 2008-09 is 3.0% but is funded through the state budget at only 2.5%, then each cell of the salary schedule in effect for 2007-08 would be increased by 2.5%. If, at anytime during the term of this Agreement, the unfunded amount of 0.5% is restored or partially restored and paid to the District, it shall, to the extent paid to the District, be applied retroactively to the salary schedule for bargaining unit members in paid work status on the date the District is actually paid said funds by the state. Additionally, if the District's actual credit FTES growth for the 2007-08 year meets or exceeds 3%, as reported on the 2007-08 Second Principal Apportionment Report (P2), then each cell of the salary schedule for the 2008-09 school year shall be increased by an additional 1% effective July 1, 2008. However, if the actual credit FTES growth for the 2007-08 is 2.5%, the District will calculate the ratio of actual growth bears to 3% (2.5% divided by 3% or 0.83%) and each cell of the salary schedule for the 2008-09 school year shall be increased by an additional 0.83% effective July 1, 2008.

Part-Time Faculty "Parity" Stipend

If the District receives additional "parity" monies for the 2006-2007 school year pursuant to the State Budget Act appropriation stated specifically by the state legislature to make part-time faculty compensation more comparable to full-time faculty compensation for similar work the distribution of District revenue pursuant to the State Budget Act shall be made to part-time/overload faculty on a one-time non-repetitive (off schedule) basis for the 2006-2007 school year. The distribution shall be based upon the number of part-time/overload Lecture Hour Equivalents (LHE's) in Fall semester 2006 and Spring semester 2007 in a manner consistent with an agreed upon Memorandum of Understanding entered into by the parties regarding this subject for the 2003-2004 school year. Under no circumstances shall the District be required to provide more money to part-time and overload faculty in excess of the District's allocation actually received.

Any distribution of monies for that purpose received in the 2007-08 and 2008-09 shall be made in the same manner as set forth above.

SALARY DISPUTE

Any dispute pertaining to the salary provisions contained herein for the 2006-07, 2007-08, and 2008-09 school years is subject to the Grievance Procedure of this Agreement except; however, that only the Federation may bring a grievance concerning such implementation and any such grievance must be filed within ten (10) days of notice from the District of any proposed implementation of these provisions. The District will notify the Federation concerning its calculations pursuant to the salary provisions contained herein. Such notification shall be in writing. If the Federation disagrees with the calculations, it shall notify the District within ten (10) days. Such notice of the disagreement shall include calculations prepared by the Federation. The District may implement its proposed calculations, the proposed calculations from the

Federation, or attempt to resolve the disagreement. If the matter cannot be satisfactorily implemented or resolved, by mutual agreement the parties shall agree to reopen negotiations regarding salaries at which time these salary formula provisions shall be of no force or effect.

Section 2. STEP ADVANCEMENT

- A. Step advancement shall occur at the beginning of the academic year conditioned upon the part-time faculty member is having taught and completed both fall and spring semesters in the immediate prior academic year.
- B. A unit member anticipating a change in class placement must file a "Letter of Intent" by the deadline established in the notice distributed by the District Personnel Office at the beginning of each fall and spring semester.
- C. As proof of completion, official transcripts or other written supporting evidence must be submitted to the District Personnel Office by the stated deadline. In the event that the written supporting evidence is not available by the deadline, a notarized statement by the individual concerned on a form provided by the college may be submitted to, and accepted by, the District Personnel Office on or before the deadline date. However, a subsequent downward adjustment will be made in the unit member's pay sufficient in amount to offset any prior overpayment if the unit member is not able to provide evidence substantiating his/her claim within 60 days of the date on the notarized statement. A statement indicating the unit member's knowledge of this downward adjustment provision shall be included on the notarized statement form.
- D. Salary Advancement Unit Requirements:

The following regulations pertain to units to be used for class advancement on the certificated salary schedule:

- (1) Units of credit for upper division and graduate courses from accredited colleges and universities in the unit member's teaching field or other professional assignment may be submitted for a class advancement without obtaining prior approval.
- (2) Units of credit for upper division and graduate courses from accredited colleges and universities outside of the unit member's teaching field or other professional assignment submitted for a class advancement must have the prior approval of the Campus Evaluation Committee.
- (3) Lower division units:
 - a. Lower division units may be applied to salary class advancement only when prior approval has been obtained and the particular units are one of the following: [1] required for a credential or degree fulfillment, [2] required in connection with preparation for a specific institutional assignment, [3] part of an in-service training program, or [4] recognized by the Campus Evaluation Committee as

contributing to the unit member's effectiveness in his/her assignment.

- b. In order to obtain prior approval for any lower division course work, each applicant must submit to the District Personnel Office a request for review. Not more than twenty percent (20%) of the units required for advancement from one column to the next may be lower division units in any case.
- (4) In addition to total unit requirements, over one-half (1/2) of the total number of units required for placement on a particular salary schedule class must be in the unit member's teaching field or appropriate to his/her professional assignment.
- (5) Even when they may not carry college credit, National Science Foundation, Industrial Institutes, factory training, and other appropriate courses may be counted for credit for class advancement if, prior to the onset of the course, approval by the Campus Evaluation Committee has been obtained and the committee has determined how much credit for salary advancement purposes shall be granted. Other than exceptional circumstances, approved in advance by the Chancellor or his/her designee, not more than twenty percent (20%) of the units required for advancement from one column to the next may be units that fit in this category.

Section 3. TRAVEL OFF CAMPUS/MILEAGE:

Part-time faculty members are expected to report to their teaching station at their own expense. Exceptions to this requirement may be made at the discretion of the District. If, during assigned time, the District requires additional travel related to District assigned duties, mileage compensation, upon approval of the District, shall be at the rate per mile as established by the Internal Revenue Service (IRS) as the standard business deduction. The mileage rate shall become effective upon notification by the Chancellor.

Section 4. DIRECT DEPOSIT

The District shall, as soon as is practicable, implement electronic transfer of payroll to unit members' personal bank or trust account unless the unit member otherwise declines the electronic transfer by filing an appropriate written notice with the District Business Office.

Section 5. TSA's

The District agrees to provide voluntary deductions for part-time faculty who participate in tax sheltered annuity programs as soon as is practicable as determined by the Business Office and the Management Information Systems Office.

Section 6: IRC Section 125 Plan

An IRC Section 125 Plan shall be implemented in accordance with Governmental rules and regulations for part-time faculty teaching a 40% load or greater for medical health insurance

plans made available by the College District. The Federation agrees to defend, indemnify, and hold harmless the District, its officers, agents, and employees from any claims, demands, damages, or other liability, including costs and attorneys fees, arising out of this section or the administration or implementation thereof. Upon valid service of a summons and complaint or of a claim under the Government Tort Claims Act, the District agrees to notify the Association thereof and to cooperate as reasonably necessary for the defense or settlement of such action.
