6 SUMMER/FALL 2016/SPRING 2017 CLASS SCHEDULE

ENROLLMENT STEPS

Follow these steps in this order for successful registration and semester beginning!

1.

APPLICATION/ADMISSIONS

The first step is to complete an application for admission. Applications are available online at www.reedleycollege.edu > Apply Online. Computers with Internet access are available in the Admissions and Records Office.

2.

ACTIVATE YOUR WEBADVISOR AND SCHOOL EMAIL ACCOUNTS

Activate your WebAdvisor Student Account at www.reedleycollege.edu > WebAdvisor. New, former, and returning students, please allow 2-3 business days after submitting your application for admission. Activate your school email account at www.reedleycollege.edu > New & Returning Students > Student Email. New, former, and returning students, please allow 2-3 business days after submitting your application for admission.

3.

ORIENTATION

Participate in a Reedley College orientation. Attend the orientation online at www.reedleycollege.edu > Reedley College Online Orientation.

4.

TESTING

Take the placement test. The test evaluates your mathematics (basic math, algebra or college level math) and English (reading and writing) skills and helps to determine which courses are right for you. Appointments for the placement test can be made online at www.reedleycollege.edu > Online Services > eSars Testing Appointments.

5.

COUNSELING AND ADVISEMENT

Meet with a college counselor. A Reedley College counselor can help take the guess-work out of selecting classes and will help you plan your educational path. Make an appointment online at www.reedleycollege.edu > Online Services > eSars Online Counseling Appointments

6.

FINANCIAL AID

If you need financial assistance, Reedley College is committed to helping you obtain financing for your education. For those that qualify, Financial aid includes scholarships, grants, loans, and on-campus employment. Visit the Reedley College Financial Aid Office at www.reedleycollege.edu/financialaid. Financial Aid applications are available online at www.fafsa.ed.gov.

7.

REGISTRATION

Register for classes. Students who are first to complete steps one through five are the first to register. Students can register online at www.reedleycollege.edu, in person at the Admissions and Records Office or at Reg-To-Go at their high school. The fall semester begins in mid-August and ends in mid-December. The spring semester starts in early January and ends in mid-May. Summer sessions begin in June and end in late July and early August.

8.

PAY FEES

Pay your fees within 48 hours of registering for classes so you don't get dropped! If you receive financial aid, you still need to make sure that your fee balance is paid. You can pay your fees at the Business Services Office window in the Student Services building or online on WebAdvisor.

9.

BUY YOUR BOOKS AND PARKING PERMIT

Bring your schedule, and purchase your books at the Bookstore. If you plan to park on campus, parking permits are \$17 per semester, and \$9 during the summer and may be purchased in the Business Services Office in the Student Services building or in the Bookstore.

10.

STUDENT EDUCATIONAL PLAN (SEP)

Meet with a counselor to develop a semester-by-semester student educational plan (SEP) based on your educational and individual goals.

11.

FOLLOW-UP APPOINTMENT

After developing your SEP, make a follow-up appointment with a counselor to discuss certificates, degrees, majors, and to revise and complete your SEP.

12.

ATTEND CLASS

Go to class! If you miss the first day of class, your seat may be given away to another student!

8 SUMMER/FALL 2016/SPRING 2017 CLASS SCHEDULE

Congratulations!

By choosing Reedley College, you have taken the first step toward building a successful future. The college offers a wide range of educational programs, all designed to offer you the necessary skills to make your educational goals a reality.

Mission Statement

Reedley College provides an accessible, student-centered educational environment featuring high-quality learning opportunities. We offer basic skills enhancement, associate degree programs, career technical education, and transfer-level courses as an integral component for life-long learning within a diverse local and global community.

ADMISSIONS

You are eligible to apply for admission to Reedley College if you meet one of these requirements:

- are at least 18 years old, or
- have graduated from high school, or
- are a junior or senior in high school and have the permission of your parents, high school counselor, and principal.

See page 7 of this schedule for registration information. Refer to the calendar on page 3 of this schedule for important dates.

Applying for Admission

If you have never attended Reedley College (new or transfer), or have been away for two ungraded semesters or more (former), you must apply online at www.reedleycollege.edu. Students who have been continuously enrolled are not required to complete an application.

Students wishing to take classes at the Madera Community College Center or Oakhurst Community College Center may apply online at www.reedleycollege.edu.

New and Transfer Students Registration

Students who are first to complete the matriculation process (see Student Success/Matriculation) are granted the first opportunity to register and select courses.

Student Success/Matriculation

Every student should have an educational goal, a reason for going to college. Matriculation is the process that allows the college and the student to form a partnership which helps you attain your goals. We ask you to commit yourself to an educational objective and we will commit ourselves to helping you succeed. The components of matriculation are as follows:

Reedley College Matriculation Checklist

(Check when completed)

APPLICATION/ADMISSIONS

I have completed the Reedley College application for admission online at www.reedleycollege.edu.

ORIENTATION

I have attended, or participated in, one of the orientation options offered by Reedley College.

TESTING

I have completed all three parts of the assessment test.

- English Reading
 - English Sentence Skills
 - Mathematics (basic math, algebra, or college level math)
- (Schedule appointments online through eSARS)

COUNSELING AND ADVISEMENT

I have met with a counselor/advisor for class selection and advising. (Schedule appointments online through eSARS)

FINANCIAL AID (available for eligible students)

I have completed the FAFSA (Free Application for Federal Student Aid) online at www.fafsa.ed.gov.

REGISTRATION

I have attended Reg-To-Go, OR talked with a counselor about class selection. Register on WebAdvisor (www.reedleycollege.edu) or at a designated location.

STUDENT EDUCATIONAL PLAN (SEP)

I have met with a counselor to develop a semester by semester student education plan based on my educational and individual circumstances. (Schedule appointments online through eSARS)

FOLLOW-UP APPOINTMENT

I have scheduled a follow-up appointment with a counselor to discuss certificates, degrees, majors and develop, revise, or complete an SEP. (Schedule appointments online through eSARS)

CHANGES IN THE SCHEDULE

This class schedule is subject to change without prior notice.

Reedley College reserves the right to cancel scheduled classes due to availability, or for other reasons.

Matriculation Exemptions

Certain students may be exempt from several components of matriculation including assessment, orientation, and counseling/advising.

A student may be exempt from participation in assessment if the student meets the following criteria:

- 1) The student has submitted evidence (e.g., official grade report or transcript) which provides verification of satisfactory completion of the college level prerequisite course; or
- 2) the student chooses not to participate.

A student may be exempt from participation in orientation and/or counseling/advising if the student meets two or more of the following criteria:

- 1) The student chooses not to participate;
- 2) the student has completed 12 or more transferable units;
- 3) the student has completed an associate degree or higher;
- 4) the student has certain educational goals:
 - a. to maintain a certificate or license;
 - b. personal development (intellectual, cultural); or
 - c. to complete credits for a high school diploma or G.E.D.

For a Matriculation Exemption form, contact the Counseling Office or Testing Center.

English/Math Placement Test

After submitting an application for admission, new students should schedule an appointment or testing date to take the English/Math placement test offered by Reedley College. The tests are designed to assist students in selecting college courses that match their current abilities. The placement tests are coordinated by the Testing Services. Test dates are offered at the main campus in Reedley, as well as at the Madera Community College Center. A Reedley College placement test schedule, with times, dates, and locations, is available online at www.reedleycollege.edu, then click on eSARS.

Prerequisites

Prerequisite courses must be completed with a "C" (2.0) grade or better prior to enrolling in the next level course. See course listing to determine whether a particular course has any prerequisites. A student may challenge a prerequisite under certain conditions (see "Prerequisites challenge procedures" on this page). Contact the Admissions and Records Office for the prerequisite challenge form and details on the conditions that apply.

- Students currently enrolled in courses that satisfy a prerequisite will be allowed to register in the next level course. However if a "C" grade or better is not achieved, students will be dropped from the higher level class.
- If you have met prerequisites through the assessment process or by completion of the required course, you may proceed to use the online (WebAdvisor) registration system.
- If you believe that you have met the prerequisite through some other means (e.g. completion of the prerequisite course at another college), you must see a counselor BEFORE registration to obtain a prerequisite clearance. You must have your college and/or high school transcripts on file or in hand prior to seeing your counselor for prerequisite clearance. Once the prerequisite has been cleared, you may use the online (WebAdvisor) registration system to register for the course(s).

Advising

Advising is available to all students. Results from placement tests may be used as part of the multi-criteria process to assist counselors in determining appropriate course placement. First-time, full-time, or degree-seeking students will be advised prior to registration. A student educational plan (SEP) will be partially developed at this time. The SEP will be reviewed and fully developed during the first semester of attendance. It is the student's responsibility to contact their counselor and schedule an appointment to complete their SEP.

Online advising is also available via the Reedley College website at www.reedleycollege.edu.

Prerequisite Challenge Procedures

A prerequisite challenge requires written documentation, explanation of alternative course work, background or abilities which adequately prepare the student for the course. A Prerequisite/Corequisite Challenge Form may be obtained from the Admissions and Records Office, and should be returned to the Admissions and Records Office. Reasons for filing a prerequisite/corequisite challenge may include one or more of the following:

- 1) A prerequisite/corequisite is not available.
- 2) The prerequisite/corequisite was met at another institution.
- 3) The student has the documented knowledge or ability to succeed in the course without meeting the prerequisite.
- 4) The student believes the prerequisite/corequisite is discriminatory or being applied in a discriminatory manner
- 5) The prerequisite is not necessary for success in the course.

Prerequisite challenge requests must be received **prior** to the first day of the term to which they apply.

Upon completing the prerequisite challenge form, the student may enroll in the challenge class by presenting this form at registration. If the challenge is not upheld, the student will be dropped from the class.

10 SUMMER/FALL 2016/SPRING 2017 CLASS SCHEDULE

Class "WAIT LIST" Requirements

When you are unable to find an open section of a course you wish to take, you have the option of being placed on a "WAIT LIST" for a specific section of that course. Please note that the following rules apply:

1. Students may add their name to any available "WAIT LIST" up to the last day of registration prior to the beginning of the term.
2. Students will be added to the "WAIT LIST" on a first-come, first-served basis.
3. Students cannot be placed on a "WAIT LIST" prior to their registration appointment date.
4. Students on a "WAIT LIST" will have first priority for any seats in a "full" class that may subsequently become available during the first 20% of the course PROVIDED that they attend each and every class meeting (for 18 week semester courses, this is the first 3 weeks of class).
5. "WAIT LIST" will be available only for current class sections that are "full" (that is, the class has reached its "maximum class size"). No "WAIT LISTS" will be available for "canceled" class sections or class sections that are not yet "full." Not all classes have wait lists.
6. Students cannot remain on a "WAIT LIST" for a section of a course that will cause a time conflict with a course section in which you are already enrolled. You will be dropped from the wait list.
7. Students cannot be placed on a "WAIT LIST" for a section of a course when you are already enrolled in another section of that same course.
8. Students cannot be on more than one "WAIT LIST" for the same course.
9. The Admissions and Records Office will regularly monitor all classes with existing "WAIT LISTS" for student drops. When an open space on the roster becomes available, the top student on the wait list will be moved into the class and notified either by email of this action. We will regularly monitor wait lists up until 3 days prior to the beginning of the term. Students who are added to a "WAIT LIST" during the last 3 days prior to the beginning of the term, along with other students still remaining on the "WAIT LIST," will be informed of their status at the first class meeting.
10. On the first-day of class, instructors will determine the number of openings available in the class, and then offer spaces to students who are on the "WAIT LIST" (providing they are present in the class) in the order in which their names appear on the list. The student is responsible for officially adding the class within published registration dates. Students have until the Friday of the week in which they are added to the class to pay all fees.
11. After the "WAIT LIST" for the class is exhausted, additional openings, if any, will be filled by the instructor in accordance with existing college and district policy.

Continuing Student Registration

Continuing students may register for classes after completing the following steps:

- See the registration information on page 7 of this schedule.
- Take the registration form and meet with a counselor or advisor for program planning assistance. After your meeting, the counselor will sign your registration form.
- Register on WebAdvisor (www.reedleycollege.edu) or at a designated location. The registration form must be signed by a counselor if a student is on academic/progress probation.

Ways to Register

Students may register online using WebAdvisor (www.reedleycollege.edu) or at Reedley College, Madera Community College Center, or Oakhurst Community College Center.

Late Registration

The last day to register for full-term fall 2016 classes in person is Friday, September 2. The last day to register for full-term spring 2017 classes in person is Friday, January 27.

During the first week of instruction, the Admissions Office hours are Monday through Thursday 7:30 a.m. to 6:00 p.m., Fridays 7:30 a.m. to 5:00 p.m. Hours will change to Monday through Thursday 7:30 a.m. to 5:00 p.m. and Fridays 7:30 a.m. to 5:00 p.m. the remainder of the semester.

Proxy Registration

The federal Family Education Rights and Privacy Act makes it illegal for the college to release a student's confidential educational records, including registration information, to anyone without the written permission of the student. Therefore, if you are unable to register for yourself, you may either register at a later date or have someone else substitute for you provided the following procedure is observed.

YOUR PROXY must have a written statement signed by you authorizing him/her to register on your behalf. Proxy registration forms are on the bottom portion of the registration permit form. It is necessary that your authorization be made on the form provided by the college; however, if you prepare your own statement, it must contain certain specific information. Contact the Admissions and Records Office for details at (559) 638-0323.

YOUR PROXY should also have your registration permit, a list of classes you wish to take (including several alternatives) and sufficient funds to pay the necessary fees listed under Enrollment Fees on page 363.

Accuracy of Student's Schedule

Reedley College does not keep your registration forms on file. Once your transaction has been processed and completed, all of your documents will be returned to you.

It is your responsibility to keep all registration materials in a safe place and to bring them with you if you have a question or concern about your schedule. We will be unable to help you without your documents.

Please be sure to:

1. Double-check all the information on your class schedule before you leave the registration area.
2. Make sure that your materials have been date-stamped and initialed by an Admissions and Records staff member.
3. Prepare a personal file in which to keep all of your processed forms.
4. Should you discover an error after you leave our office, bring your date-stamped documents with you to the registration desk for review and assistance.

ONLINE REGISTRATION AVAILABLE USING WEBADVISOR

WebAdvisor is available for registration. Students in good standing may access the WebAdvisor registration system at www.reedleycollege.edu by clicking on the WebAdvisor link.

Users will be asked to enter their WebAdvisor login (lastname_student id) and password (date of birth, six digits, no dashes). If you do not know or remember your login, click on 'what's my user id?' First-time users will be asked to change their password and enter a user hint to help remember their new password.

Online assistance is available to help you while you navigate WebAdvisor at 559-442-8236.

Note: Students who use WebAdvisor to register for or add/drop classes will not be mailed a student schedule and statement of fees printout. Please be sure to print your schedule and fees statement and refer to the payment due chart to determine your payment due date before logging off of WebAdvisor.

The screenshot shows the 'Registration Results' page in WebAdvisor. It includes a header with 'WebAdvisor' and navigation links like 'LOG OUT', 'MAIN MENU', 'STUDENTS MENU', and 'HELP'. The main content area is titled 'Registration Results' and contains three tables:

- Processed Requests:** A table with columns: Term, Status, Pass/Fail/Audit, Section Name and Title, Location, Meeting Information, Faculty, Credits, CEUs. It shows a request for Fall 2007 that was removed from preferred sections.
- Currently Registered Sections:** A table with columns: Term, Pass/Fail/Audit, Section Name and Title, Location, Meeting Information, Faculty, Credits, CEUs. It lists sections for Spring 2008, including 'MATH-103-56226 (56226) INTER ALGEBRA' and 'POLSCI-2-52090 (52090) AMERICAN GOV'.
- Waitlisted Sections:** A table with columns: Term, Status, Section Name and Title, Location, Meeting Information, Faculty, Credits, CEUs. It lists sections for Spring 2008 that the student is waitlisted for, such as 'HLTH-2-55118 (55118) FIRST AID/SAFETY' and 'SPEECH-1-53160 (53160) PUBLIC SPEAKING'.

Register Online

NEW AND IMPROVED selections to make your registration faster and easier.

- Go to either Express Registration or Search and Register for classes
- A shopping cart of Preferred Sections will be created for you
- You can register or add your name on a wait list
- You must take an action and submit your request(s)
- You may also drop a class from your Preferred Sections or your Registered Sections
- All registration rules will apply to wait listed courses
- You can only be placed on one wait list per class
- If you have a time conflict you cannot be registered for a class

Time conflicts between registered classes and wait listed classes will result in a student being dropped from the wait listed class.

The screenshot shows the 'Manage My Waitlist' page in WebAdvisor. It includes the same header as the previous screenshot. The main content area is titled 'Manage My Waitlist' and contains a table with columns: Action, Waitlist Status, Expire Date, Term, Section Name and Title, Location, Meeting Information, Faculty, Credits, CEUs, Waitlist. It shows two waitlisted classes with 'Register' and 'Remove' actions available. Below the table is a section for 'Drop' actions with checkboxes and a 'SUBMIT' button.

New Features to help you with managing Wait lists

- View your wait listed classes anytime with Manage My Wait list
- Drop wait listed classes anytime by selecting REMOVE from the Action Box
- You may also drop a class from your registered sections

Important Notice: You must wait list all corequisites classes to be considered for registration.

WORK EXPERIENCE - FALL 2016

Note: Repetition of Cooperative Work Experience courses is allowable under Title 5, § 55253

COOPERATIVE WORK EXPERIENCE, GENERAL (COTR 19G)

1-6 units in one enrollment period

Students employed on a job that is not directly related to their college major can earn up to a maximum of six units in one enrollment period. Students must attend an orientation and the employer must agree to evaluate the student’s performance.

COOPERATIVE WORK EXPERIENCE, OCCUPATIONAL (COTR 19V)

1-8 units: 75 hours of paid employment or 60 hours of unpaid employment per unit per semester

This course is conducted to give the student occupational learning opportunities and career awareness. Students may earn a total of 16 units in work experience of which only 6 may be in COTR 19G. This is accomplished through employment (paid or volunteer) providing learning related to the student’s major or educational or occupational goal. Students may be required to attend an orientation. The student’s employer must agree to participate by assisting in developing measurable learning objectives, verifying hours worked, meeting with a designated college official and providing an evaluation of the measurable learning objectives.

SPECIFIC OCCUPATIONAL PROGRAMS

Any student can take COTR 19G or COTR 19V, but some Reedley College programs have their own occupational classes. Please look to register for these classes under their department. These include:

BIOLOGY

BIOL 1 PRINCIPLES OF BIOLOGY (4 Units)

Topics covered include the cellular and chemical basis of life, organ systems, genetics, evolution and the origin of life, ecology and environmental concerns. This course is recommended for the pre-professional and life science majors.

PREREQUISITES: Mathematics 103. ADVISORIES: English 1A. (A, CSU-GE, UC, I)

Full Term Class Offering(s)

BIOL 2 ENVIRONMENTAL SCIENCE (4 Units)

This introductory course examines the earth as an ecosystem composed of biological, chemical, and physical processes, with an emphasis on human impacts. Topics will include the structure and function of ecological systems, air and water pollution, pesticide use, waste disposal, climate change, natural resource use, and environment laws. Students will gain an understanding of how humans influence natural environments while focusing on sustainable practices. Basic chemical, physical, and geological processes will be introduced to better explain these topics throughout the course.

CHEM 29A ORGANIC CHEMISTRY LABORATORY I (2 Units)

Chemistry 29A is the first of two laboratory courses in organic chemistry, and as such it is primarily concerned with introducing the tools and techniques that chemists use to investigate the nature of organic compounds. Students will learn a variety of isolation and purification techniques such as recrystallization, liquid-liquid extraction, distillation (simple, fractional, steam), and chromatography (solid and gas phase). Students will also synthesize organic compounds and characterize their purified products using melting point determination and FTIR analysis. Gas chromatography, boiling point, refractometry, polarimetry, and NMR will also be utilized in this course.

COREQUISITES: Chemistry 28A. ADVISORIES: English 1A. (A, CSU, GE-UC, I) (C-ID CHEM 150: CHEM 28A & CHEM 29A)

¿Qué clases debe de tomar usted? ¿Las que ofrecen crédito o no-crédito?

Los estudiantes de ESL se pueden registrar en clases que ofrecen crédito o no-crédito. Los estudiantes que estén en el mismo nivel aprenden inglés juntos, con el mismo profesor y en un ambiente colegial riguroso.

El programa de ESL que ofrece clases con créditos está diseñado para estudiantes que desean:

- completar un certificado o un título / licenciatura
- transferirse a otro colegio o universidad
- obtener el récord oficial de calificaciones (grade transcripts)

Los estudiantes que se registran para clases de ESL de no-crédito, por lo general quieren:

- mejorar sus habilidades en inglés para sus trabajos
- experimentar lo que es estar en una clase de ESL que sí ofrece crédito
- participar en una opción de bajo costo y de bajo riesgo

Hable con un consejero de Reedley College para más información y ayuda: Victoria Martinez, (559) 675-4800 ext. 4891

Credit or noncredit? Which is right for you?

ESL students can enroll in either credit or noncredit classes. Students at the same level learn English together with the same teacher in a challenging college environment.

The ESL credit program is designed for students who want to:

- complete a certificate or degree
- transfer to another college or university
- obtain official transcripts of grades

Students who register for noncredit typically want to:

- improve English language skills for their jobs
- experience what credit ESL classes are like
- participate in a low cost, low risk option

MAG 20 EQUIPMENT TECHNICIAN: DIESEL ENGINES, SERVICE FUNDAMENTALS, MACHINE SYSTEMS (11 Units)

This course provides in-depth instruction in diesel engines, service department skills and expectations, and specific instruction on agricultural and construction machines. The design and construction of diesel engines, principles and theories of operation, and disassembly and reassembly of engine components will be covered. Instruction on technical reference materials, parts and service books, computer systems and programs used by the service technician will be covered. Students will also develop skills on the service and operation of various machine and engine systems common to the equipment industry.

Do you think you might have a learning disability?

Many students with Learning Disabilities have been labeled as underachievers. Unfortunately, students with Learning Disabilities often learn to hate school, experience a loss of self-esteem, drop out of school and never realize their full potential.

Don't let this be you!

Disabled Students Programs and Services can help you become successful in the classroom and workplace!

DISTANCE EDUCATION

State Center Community College District has two different types of distance/distributed education. They are:

Online Courses

Online courses are distributed through the Internet, allowing for flexibility in time and place. You must have access to a computer and Internet to participate in an online class. Students who are most successful in taking online courses are self-motivated. Students need to be comfortable in communicating electronically rather than the verbal interaction that takes place in a traditional classroom.

Students can enroll for distance education classes at Fresno City College, Reedley College, Madera Community College Center, Oakhurst Community College Center, or Clovis Community College. Registration takes place the same way as for traditional classes.

Videoconference Courses

Students taking these classes need to attend the class at a specified classroom location. Two-way interactive video conferencing allows for the distribution of live lectures and content through video-conferencing-equipped classrooms. These classrooms allow course instruction to occur through two-way audio and video interaction at connected sites.

The instructor provides live instruction in the originating classroom, and it appears via video and audio links to other campuses/centers/sites.

CHEM 29A ORGANIC CHEMISTRY LABORATORY I (2 Units)

Chemistry 29A is the first of two laboratory courses in organic chemistry, and as such it is primarily concerned with introducing the tools and techniques that chemists use to investigate the nature of organic compounds. Students will learn a variety of isolation and purification techniques such as recrystallization, liquid-liquid extraction, distillation (simple, fractional, steam), and chromatography (solid and gas phase). Students will also synthesize organic compounds and characterize their purified products using melting point determination and FTIR analysis. Gas chromatography, boiling point, refractometry, polarimetry, and NMR will also be utilized in this course.

¿Qué clases debe de tomar usted? ¿Las que ofrecen crédito o no-crédito?

Los estudiantes de ESL se pueden registrar en clases que ofrecen crédito o no-crédito. Los estudiantes que estén en el mismo nivel aprenden inglés juntos, con el mismo profesor y en un ambiente colegial riguroso.

El programa de ESL que ofrece clases con créditos está diseñado para estudiantes que desean:

- completar un certificado o un título / licenciatura
- transferirse a otro colegio o universidad
- obtener el récord oficial de calificaciones (grade transcripts)

Los estudiantes que se registran para clases de ESL de no-crédito, por lo general quieren:

- mejorar sus habilidades en inglés para sus trabajos
- experimentar lo que es estar en una clase de ESL que sí ofrece crédito
- participar en una opción de bajo costo y de bajo riesgo

Hable con un consejero de Reedley College para más información y ayuda: Victoria Martinez, (559) 675-4800 ext. 4891

Credit or noncredit? Which is right for you?

ESL students can enroll in either credit or noncredit classes. Students at the same level learn English together with the same teacher in a challenging college environment.

The ESL credit program is designed for students who want to:

- complete a certificate or degree
- transfer to another college or university
- obtain official transcripts of grades

Students who register for noncredit typically want to:

- improve English language skills for their jobs
- experience what credit ESL classes are like
- participate in a low cost, low risk option

EXPLANATION OF COURSES

Earn college credits through your job or an internship!

WORK EXPERIENCE - SPRING 2017

Note: Repetition of Cooperative Work Experience courses is allowable under Title 5, § 55253

COOPERATIVE WORK EXPERIENCE, GENERAL (COTR 19G)

1-6 units in one enrollment period

Students employed on a job that is not directly related to their college major can earn up to a maximum of six units in one enrollment period. Students must attend an orientation and the employer must agree to evaluate the student’s performance.

COOPERATIVE WORK EXPERIENCE, OCCUPATIONAL (COTR 19V)

1-8 units: 75 hours of paid employment or 60 hours of unpaid employment per unit per semester

This course is conducted to give the student occupational learning opportunities and career awareness. Students may earn a total of 16 units in work experience of which only 6 may be in COTR 19G. This is accomplished through employment (paid or volunteer) providing learning related to the student’s major or educational or occupational goal. Students may be required to attend an orientation. The student’s employer must agree to participate by assisting in developing measurable learning objectives, verifying hours worked, meeting with a designated college official and providing an evaluation of the measurable learning objectives.

SPECIFIC OCCUPATIONAL PROGRAMS

Any student can take COTR 19G or COTR 19V, but some Reedley College programs have their own occupational classes. Please look to register for these classes under their department. These include:

BIOLOGY

BIOL 2 ENVIRONMENTAL SCIENCE (4 Units)

This introductory course examines the earth as an ecosystem composed of biological, chemical, and physical processes, with an emphasis on human impacts. Topics will include the structure and function of ecological systems, air and water pollution, pesticide use, waste disposal, climate change, natural resource use, and environment laws. Students will gain an understanding of how humans influence natural environments while focusing on sustainable practices. Basic chemical, physical, and geological processes will be introduced to better explain these topics throughout the course.

¿Qué clases debe de tomar usted? ¿Las que ofrecen crédito o no-crédito?

Los estudiantes de ESL se pueden registrar en clases que ofrecen crédito o no-crédito. Los estudiantes que estén en el mismo nivel aprenden inglés juntos, con el mismo profesor y en un ambiente colegial riguroso.

El programa de ESL que ofrece clases con créditos está diseñado para estudiantes que desean:

- completar un certificado o un título / licenciatura
- transferirse a otro colegio o universidad
- obtener el récord oficial de calificaciones (grade transcripts)

Los estudiantes que se registran para clases de ESL de no-crédito, por lo general quieren:

- mejorar sus habilidades en inglés para sus trabajos
- experimentar lo que es estar en una clase de ESL que sí ofrece crédito
- participar en una opción de bajo costo y de bajo riesgo

Hable con un consejero de Reedley College para más información y ayuda: Victoria Martinez, (559) 675-4800 ext. 4891

Credit or noncredit? Which is right for you?

ESL students can enroll in either credit or noncredit classes. Students at the same level learn English together with the same teacher in a challenging college environment.

The ESL credit program is designed for students who want to:

- complete a certificate or degree
- transfer to another college or university
- obtain official transcripts of grades

Students who register for noncredit typically want to:

- improve English language skills for their jobs
- experience what credit ESL classes are like
- participate in a low cost, low risk option

MECHANIZED AGRICULTURE

MAG 20 EQUIPMENT TECHNICIAN: DIESEL ENGINES, SERVICE FUNDAMENTALS, MACHINE SYSTEMS (11 Units)

This course provides in-depth instruction in diesel engines, service department skills and expectations, and specific instruction on agricultural and construction machines. The design and construction of diesel engines, principles and theories of operation, and disassembly and reassembly of engine components will be covered. Instruction on technical reference materials, parts and service books, computer systems and programs used by the service technician will be covered. Students will also develop skills on the service and operation of various machine and engine systems common to the equipment industry.

 Meets 03/13 to 05/19 (second 9 weeks)

DISTANCE EDUCATION

State Center Community College District has two different types of distance/distributed education. They are:

Online Courses

Online courses are distributed through the Internet, allowing for flexibility in time and place. You must have access to a computer and Internet to participate in an online class. Students who are most successful in taking online courses are self-motivated. Students need to be comfortable in communicating electronically rather than the verbal interaction that takes place in a traditional classroom.

Students can enroll for distance education classes at Fresno City College, Reedley College, Madera Community College Center, Oakhurst Community College Center, or Clovis Community College. Registration takes place the same way as for traditional classes.

Videoconference Courses

Students taking these classes need to attend the class at a specified classroom location. Two-way interactive video conferencing allows for the distribution of live lectures and content through video-conferencing-equipped classrooms. These classrooms allow course instruction to occur through two-way audio and video interaction at connected sites.

The instructor provides live instruction in the originating classroom, and it appears via video and audio links to other campuses/centers/sites.

CHEMISTRY

CHEM 1A GENERAL CHEMISTRY (5 Units)

This is the first course in a two course sequence in general chemistry and is intended for students majoring in science or satisfying prerequisites for professional schools. This course covers the principles and laws of inorganic chemistry with an emphasis on quantitative, mathematical problem-solving. Topics included in the course are atoms, molecules and ions formulas and equations stoichiometry gas laws electronic structure of atoms bonding atomic orbital and molecular orbital theories solutions precipitation reactions oxidation reduction reactions introduction to acids and bases thermochemistry properties of liquids solids and crystal structures solution behavior colligative properties associated laboratory experiments and volumetric and gravimetric analysis methods.

PREREQUISITES: High school chemistry with laboratory component or Chemistry 3A or 10 or equivalent, and Mathematics 103 or equivalent.

¿Qué clases debe de tomar usted? ¿Las que ofrecen crédito o no-crédito?

Los estudiantes de ESL se pueden registrar en clases que ofrecen crédito o no-crédito. Los estudiantes que estén en el mismo nivel aprenden inglés juntos, con el mismo profesor y en un ambiente colegial riguroso.

El programa de ESL que ofrece clases con créditos está diseñado para estudiantes que desean:

- completar un certificado o un título / licenciatura
- transferirse a otro colegio o universidad
- obtener el récord oficial de calificaciones (grade transcripts)

Los estudiantes que se registran para clases de ESL de no-crédito, por lo general quieren:

- mejorar sus habilidades en inglés para sus trabajos
- experimentar lo que es estar en una clase de ESL que sí ofrece crédito
- participar en una opción de bajo costo y de bajo riesgo

Hable con un consejero de Reedley College para más información y ayuda: Victoria Martinez, (559) 675-4800 ext. 4891

Credit or noncredit? Which is right for you?

ESL students can enroll in either credit or noncredit classes. Students at the same level learn English together with the same teacher in a challenging college environment.

The ESL credit program is designed for students who want to:

- complete a certificate or degree
- transfer to another college or university
- obtain official transcripts of grades

Students who register for noncredit typically want to:

- improve English language skills for their jobs
- experience what credit ESL classes are like
- participate in a low cost, low risk option

ACADEMIC REGULATIONS

Attendance

Students are expected to attend all class meetings for which they are enrolled. Excessive absences may result in the student being dropped from his/her class. **It is the student's responsibility to ensure that he/she is dropped from the class. Students who do not attend the first class meeting of the semester may be dropped by the instructor.** However, to assure no grade penalty for the course, a program change form must be turned in to the Admissions Office within the appropriate time frame. **Students on a WAIT LIST must attend the first class meeting to ensure instructor permission to add the class is obtained.**

Instructional Minutes Per Hour and Class

Break Time

For classes lasting longer than 90 minutes on a given day, the instructor must provide a ten-minute break after the first 100 minutes, and may schedule additional break time amounting to ten minutes per each additional hour thereafter.

Application for Graduation/Certificate of Achievement

Students who are planning to receive their Associate Degree, or a Certificate of Achievement, must file an application for the degree or the certificate in the Admissions and Records Office. Students must complete a minimum of 30 units prior to applying for graduation. The deadline to apply for the annual spring commencement ceremony is in March. The application must be signed by a counselor.

Pass/No-Pass Grading

Most courses are offered on a pass/no-pass grading basis or the traditional grading basis. This option is not recommended for courses in one's major. To change a class to or from the pass/no-pass grading basis, the student must complete the pass/no-pass line-item on the program change form. Program change forms are available in the Admissions Office. The deadline to change a class to/from pass/no-pass grading basis is no later than 30% of the class length. For full length classes, this is the end of the fifth week of instruction. Please see the Admissions and Records Office for classes with class lengths less than 15 weeks for the appropriate deadline.

A maximum of 15 units of baccalaureate level courses may be taken on a pass/no-pass basis. These units will be allowed toward an A.A. or A.S. degree. Units taken as pass/no-pass will not be used when determining a student's grade point average. Students planning to transfer to a four-year college or university should be aware of the policy of that institution regarding transferability of courses with pass/no-pass grading.

Dropping a Class

(Deadline to avoid a "W": September 5 for fall 2016 full-term classes and January 29 for spring 2017 full-term classes)

It is the student's responsibility to officially drop a class in which he/she no longer wishes to be enrolled. The last day to drop a class is the 50% completion point of the class. The exact date is available from your class instructor. Courses may not be dropped after this date, unless there are extenuating circumstances as approved by the Admissions and Records Office Manager. Any course carried past the ninth week (50% point), will receive a letter grade.

To withdraw from a class, a student may drop online by logging onto the WebAdvisor at www.reedleycollege.edu and click on the WebAdvisor link. A student may also complete a program change form and return it to the Admission Office for processing. There will be no grade entered on a student's record for drops occurring prior to 20% of the course length. A grade of "W" will be entered on the student's record for drops occurring between the 20% and 50% point of the course length.

Graduation Requirements

Graduation requirements for an Associate Degree from Reedley College may be found in the college catalog, in the Counseling Office and on page 371. It is the responsibility of the student to consult a counselor regarding the proper sequence in which courses should be taken to satisfy degree and graduation requirements.

Pre- and Co-Requisites

Board Policy 5202(a) permits students to challenge pre- and co-requisites. Information and forms regarding the prerequisite challenge procedure may be obtained from the Admissions and Records Office.

Transcript Requests

Students may request transcripts online at www.reedleycollege.edu, Online Forms. All students are entitled to two free lifetime copies of their transcripts; additional copies are \$5 each and must be paid for in advance. Official transcripts will be mailed directly to the designated recipient(s). Be sure the name and address of the recipient(s) is accurate and complete.

Transfer Requirements

With careful planning, a student can complete their freshman and sophomore course work at Reedley College and be eligible to transfer to a four-year college or university. Students are advised to become familiar with the current catalog of the college to which they plan to transfer. It is also recommended that students work closely with their counselor in order to fulfill transfer requirements to the college of their choice. Additional transfer information may be found in the Reedley College catalog or in the Transfer Center.

Final Grade Reports

To view your grades, please log on to WebAdvisor. If you wish to have your grades mailed, please request your grade report online at www.reedleycollege.edu, Online Forms.

Workability III

The Workability III program is a collaboration between Reedley College and the California State Department of Rehabilitation (DOR). Workability III is designed to assist individuals with disabilities with preparing for, finding and maintaining gainful employment. Reedley College Workability III aims to assist students, the Department of Rehabilitation, and the local community through vocational education, training, counseling, and consistent, direct service. The Workability III program is located in the Disabled Students Programs and Services (DSP&S) office. For more information, contact the Workability III Coordinator at (559) 638-0332, ext. 3486.

Student Support Services Program (SSS)

The Student Support Services Program is a 100% federally funded TRIO Program serving Reedley College and the Madera Community College Center. It is designed to provide enrichment services that will alleviate the educational and social barriers which prevent students with disabilities from succeeding at the post-secondary level. Through the delivery of comprehensive academic, social, and personal services, the Student Support Services Program will promote and increase the retention and transfer rates of Reedley College's students with disabilities. Services include needs assessments, disability management, specialized tutorials, academic enrichment materials, study strategies, learning skills, and social skills development. For more information, contact the SSS coordinator at (559) 638-0332, ext. 3532.

Transition to College Program

The Transition to College Program is composed of counseling services and a unit course (DEVSER 240). DEVSER 240 is a one unit course designed to assist students with disabilities in preparing for their initial semester in a community college and navigation of the State Center Community College District campuses, resources and accommodations available for students with disabilities. The course is typically offered during the fall semester. For more information please contact the TTC counselor/coordinator at (559) 638-0332.

EOP&S and CARE

The Extended Opportunity Programs and Services (EOP&S) is a state funded program that provides comprehensive support services to first generation college students who come from low income and educationally disadvantaged backgrounds. The program serves full-time students and aims to inform and guide them through the higher education process. Participants are provided with outreach services, intensive counseling, retention assistance, tutoring, priority registration, and financial aid. EOP&S students may also qualify for the CARE program which helps single, head of household parents with meal cards and cash grants. For more information, please come by our office located in the Student Services building, or call (559) 638-0340.

Food Services/Cafeteria

The Tiger Café provides appetizing food in pleasant surroundings to staff and students. Meals and snacks are available throughout the day. The cafeteria is open 7:30 a.m. to 6:00 p.m. Monday through Thursday, Fridays 7:30 a.m. to 4:00 p.m. Hours are subject to changes. Summer hours will vary. 360 SUMMER/FALL 2016/SPRING 2017 CLASS SCHEDULE

Pete P. Peters Honors Program

The Honors Program is designed to challenge students with a customized curriculum and reward their efforts through priority registration, scholarship, special honors classes, seminars, and field trips. Students who have demonstrated exceptional academic achievement in high school and plan to continue their pursuit in college and then at a four-year university are admitted to Reedley College under the designation "Honors at Entrance," and those who successfully complete the program graduate with honors. With instructor recommendation, students may apply to join the program at a later semester. A two-year sequence of classes and activities prepares honor students for transfer to the best four-year institutions. Applications available on the Reedley College website at www.reedleycollege.edu; click on Courses & Programs, then click on Honors program. The early admission application deadline is February 1, regular admission is March 1, and late applications are considered under certain circumstances. For more information, call (559) 638-0300 ext. 3150 or e-mail emily.berg@reedleycollege.edu.

Library - Reedley College

The role of the Reedley College Library is to support the learning experience for students and instructors. The Library and Learning Resource Center includes a library, an expanded computer lab, and is the home of the Tutorial Center. Library materials are available in a variety of formats. The library houses over 39,000 volumes and is organized according to the Library of Congress classification system. Bibliographic information can be accessed through the innovative Online Catalog. The library also subscribes to print periodicals and 7 local and national newspapers. Electronically, students and instructors can access information from a variety of scholarly Online Databases. The library supports a collection of over 30,000 electronic books that can be accessed online. E-books can be located by searching the online catalog. All 27 of the library's online databases can be accessed anywhere on campus by clicking Library Services on the Reedley College main webpage (www.reedleycollege.edu/library). Most of these databases can also be accessed from home. Please come to the library for remote instructions. In the library, there are computers to use for reference and class work. There are also two conference rooms for students and photocopy machines. Library and computer lab staff are available all open hours for assistance. Questions are encouraged.

Library - Madera Community College Center

The Madera Community College Center Library is located in AM-185 and offers a wide array of resources and services to students, faculty and staff. Sixty-four computers in the library and its computer lab are available for research activity, word processing, presentation software, and course specific software programs. The library collection offers over 7,000 print resources including books, magazines, journals, and newspapers, as well as an E-book collection of over 25,000 titles. There is a DVD collection of informational, literary and dramatic films as well as an audio book collection of fiction and nonfiction works. Over 20 research databases provide access to reference sources, articles from academic journals, magazines and newspapers, literary criticism, images, and more. The databases and E-book collection are accessible on and off campus, as is the library's online catalog which allows students and staff to locate and request items from all our district libraries. Printers and a copy machine offer color and black and white printing at 25 cents and 10 cents a page respectively with a copy card. One-on-one reference and research assistance is always available. Visit our web site at www.maderacenter.com and click on Library in the center of the page.

Math Study Center

The STEM grant funded Math Study Center offers specialized drop-in tutoring to Reedley College students who are enrolled in math courses. The center provides a math instructor as well as several well-qualified student peer-tutors to assist visitors with homework exercises and test preparation. The center has 20 computers and online access available to students with online math homework. The math center offers workshops on specific math topics throughout the semester to enhance and augment the math education offered to students. To use the center, students must enroll in INTDS 300, a non-credit course. Enrollment forms are available in the center. Through the math center, students may also enroll in MATH 272, a 0.5 or 1.0 unit math assistance course. The Math Study Center is a great place to learn, study, and get the help needed for success in math. Centrally located on campus in FEM 1, the center is open from 9:00 a.m. to 3:00 p.m. Monday –Thursday, and 9:00 a.m. to 1:00 p.m. Friday. For more information stop by or call (559) 638-0300, ext. 3158. Email us at kathleen.landon@reedleycollege.edu or rebecca.reimer@reedleycollege.edu.

Reading and Writing Center

The Reading and Writing Center offers tutorials that specialize in writing across all disciplines. Center learning assistants receive continuing education on the processes of writing in order to help students to navigate and negotiate their writing assignments. The Reading and Writing Center offers three options of tutorials: a student may enroll in English 272 and meet with the same learning assistant at a designated day and time throughout the semester. A student may attend 25-minute walk-in sessions at their convenience, or submit a paper to our online tutorial. The Center has 15 computers (enrolled students have free printing) and a reference library that features grammar, composition, and a variety of technical writing handbooks. The Reading and Writing Center maintains an upbeat and safe environment for discussing, practicing, and ultimately, learning the skill of writing. The Reading and Writing Center is located in HUM 58. For more information stop by or call (559) 638-0300, ext. 3619. See our website at www.reedleycollege.edu/writingcenter for more information and podcasts.

Residence Hall

Choosing to live on campus is one of the best ways to adjust to college life while building a strong network of friends. The new Residence Hall has separate accommodations for men and women. Also, rooms are available and accessible for students with disabilities. The Residence Hall offers its residents many events and programs that foster leadership and personal growth. Applications are available for fall, spring, and summer on the Residence Hall webpage at www.reedleycollege.edu. For more information on affordable campus housing, contact the Residence Hall Office at (559) 638-0300, ext. 3258.

Student Employment

Current job openings from local employers are posted and regularly updated on RC Student Employment, an online job posting board maintained by the RC Career Resource Center (CRC). This website can be accessed at www.reedleycollege.edu under "Current Students," then "Student Employment." Posted jobs include full-time, part-time and seasonal. Internships and volunteer opportunities are also listed. For general information, or to post a job, please call the CRC at (559) 637-2543.

Student Support Services (SSS) Program

The Student Support Services (SSS) Program is a federally funded TRiO program that serves first generation, low-income or disabled students currently enrolled at Reedley College. The SSS program also fosters an institutional climate supportive of the success of students who are limited English proficient and students that are traditionally underrepresented in postsecondary education. SSS provides high quality programs and services that maintain academic support and guidance to help Reedley College students meet the challenges in obtaining an AA/AS degree and/or Certificate of Achievement and transfer. The goal of the program is to increase academic success including retention, higher GPA, graduation or certificate completion, and facilitating transfer to a four-year college. Services include academic advising, career planning, financial aid advising and literacy, transfer assistance, priority registration, and lots of encouragement. The SSS program participants will have the opportunity to be involved in activities such as semester kick-off events, student success workshops, college campus tours, and a graduation recognition event. The program strives to provide extra support and personal attention. Information and applications for the Student Support Services program are available in the CSS-1 building behind the bookstore. Contact the SSS program at (559) 638-0300, ext 3526.

Study Abroad

Reedley College students may take advantage of international study programs offered by the college district. The international programs allow students an opportunity to study in another country while earning transferable college credit, as well as enable them to gain a first-hand understanding of other regions and cultures of the world.

The following programs will be offered 2016:

Cuba - Summer 2016

We will be offering 3 courses for the Study Abroad Program in Cuba in Summer 2016. A student can register for one or more of these classes.

BIOL 3 – Introduction to Life Science. (4 units) Catalog Description: This course is recommended for the non-biological science and pre-education majors. This is an introductory course using biological concepts. The organismal structure, function, inheritance, evolution, and ecology are covered.

BIOL 47 – Field Biology of Cuba (2 units) Catalog Description: Current topics of biological importance and concern outside the regular biology curriculum or topics that will be covered in greater depth than in a regularly offered course.

ECON 1A – Principles of Macroeconomics (3 units). Catalog Description: An introduction to macroeconomic theory and aggregate economic analysis covering market systems, the banking system, international economics, economic policy, national income accounting, unemployment and inflation, and economic growth.

This study abroad program in Cuba will provide a rare opportunity to experience to visit a country that has been inaccessible to United States citizens for many years. Students will learn first-hand about the biodiversity in Cuba that includes 3,000 species of endemic plants and animals, and see an economic structure in the process of change. They will also meet with and learn from individuals in a variety of careers in Cuba.

Costa Rica - Summer 2016

There will be 2 Registered Nursing courses to be offered together in Costa Rica summer 2016. They are each 1 unit.

RN 33 – Transcultural Healthcare International. Catalog description: Cultural and spiritual concepts as they relate to the application of nursing care in an international setting. Intended for study abroad.

We will learn about different cultures and religions and correlate varying cultural practices and religious beliefs to the practice of health care while experiencing first hand a different culture and touring health care facilities in another country. This course has the same course objectives as RN-33 and will meet the registered nursing program requirement for RN-33, Transcultural Healthcare. Acceptance into this course is open, but pre-nursing students currently in the Registered Nursing lottery will be given first priority.

SSTRN 177 – Culturally Relevant Health Promotion. Catalog description: Short term field study abroad course to research and participate in basic health promotion activities relevant to the country and local ethnic groups.

Paris – Summer 2017

There will be 2 courses offered in Paris in Summer 2017. A student can register for one or both courses.

ART 2 – Art Appreciation (3 units) Catalog Description: Introduction to the visual arts through lectures/discussions covering: a) the way artists communicate through their choices of visual language, art media and subject matter; b) how the Visual Elements and Principles of Design contribute to the content and meaning of artwork; and c) how historical context affects the creation of art in diverse cultures around the world from the pre-historic age to the present.

ENGL 14 – Folklore (3 units) Catalog Description: Reading and critical analysis of folklore and folk literature from around the world in literature, film, and the visual arts, including the cultural and literary roots of folklore and folk literature.

With Paris as the classroom, students will explore how history and culture influence art and folklore in European and world societies. This study abroad program will include excursions to many museums and locations important to art, history, folklore, and culture, including the Musée du Louvre, Notre Dame Cathedral and Versailles.

Rome, Prague and Krakow – Summer 2017

Two courses will be offered to students wishing to explore Rome, Prague and Krakow-Auschwitz in the Summer of 2017. Western Civilization from 1648 (3 units) and Intro to Business (3 units) will take students through a modern western nation and into two former Communist nations which are rapidly becoming emerging European economies and centers for technology and entrepreneurship.

HIST 2 - Western Civilization from 1648 (3 units) Students learn the intellectual, social, political, cultural and economic development of Western civilization from 1648 to the present. This trip presents students with a unique chance to learn about historical events and figures on the very spot they occurred and lived.

BA 10 - Introduction to Business (3 units) A multidisciplinary survey of the U.S. business environment including the examination, analysis, reasoning, advocacy, and critique of how culture, society, economic systems, legal, international, political, financial, and human behavior interact to affect a business organization's policy and practices.

This study abroad provides students a rare first-hand experience of the contrast between struggling and emerging economies through a business and historical perspective. Students will tour historical and cultural sites including the Vatican; Roman ruins; Prague, the only European capital city that survived WWII relatively untouched; and the Auschwitz Death Camp. At each city, students will gain a perspective of past and present business and economic principles as compared to that of the U.S. including leadership, marketing, entrepreneurship. We will also tour Google Prague and the Czech stock exchange.

For more information on these programs, please visit our Study Abroad webpage at www.sccd.edu/index.aspx?page=148 or contact Dr. Margaret Hiebert at (559) 442-4600, ext. 8101 or by e-mail: margaret.hiebert@fresnocitycollege.edu.

364 SUMMER/FALL 2016/SPRING 2017 CLASS SCHEDULE

*Personal Checks

Please be sure to write your student ID number on your check. Allow enough time for payments to reach the college prior to the due date. The college assumes no responsibility for delays caused by the U.S. Postal Service. Postmarks *will not* be honored. Students who fail to pay by their scheduled due date may be dropped from their classes. All personal checks *must* be imprinted with the name of the account holder. Postdated and two-party checks will not be accepted. Students whose checks are returned by the bank marked "insufficient funds", "stop payment", "account closed", "refer to maker", etc., will be assessed a \$25 service charge. Returned checks can be cleared at the campus Business Services Office cashier's window with a money order, cashier's check, credit card, or cash—personal checks will not be accepted to clear returned checks. Returned checks not paid within 30 days of the date of the NSF notice will be forwarded to our collection agency and will be subject to all associated collection fees.

When mailing fees, payment should be mailed to:

Reedley College, Business Services Office
995 N. Reed Avenue
Reedley, CA 93654

*Credit Card Payments

Students are encouraged to use, www.webadvisor.sccd.edu, the online WebAdvisor's "Make a Payment" option to pay their enrollment fees by credit card. If you are unable to login to the WebAdvisor, please contact the WebAdvisor Help Desk at (559) 442-8228 to obtain login information. Credit card payments are also accepted at the Business Services Office's cashier window or over the telephone at (559) 638-0342 during normal business hours.

*Credit by Examination Fee

Application for Credit by Examination is available in the Admissions Office located in the Student Services Building. If the application for the credit by exam is approved, the student must pay the credit by exam fees to the Business Services Office, no later than the end of the ninth week of the semester in the amount of \$10 for the first unit plus \$5 for each additional unit for each course on credit by examination (i.e. credit by exam fee for a 4.0 unit class would be \$25 plus the \$46 per unit enrollment fee* for a total of \$209. If California residency has not been established, non-resident tuition fees will also be added). The receipt for payment must be presented to the instructor before the exam will be administered. Financial Aid is NOT available including the Board of Governor's fee waiver.

*Materials Fee - Selected Courses Only

In accordance with Title V, Section 59404(b) and Title IV, State Center Community College District may require students to provide certain instructional and other materials. These may include, but are not limited to, textbooks, tools, equipment, and special clothing (e.g. uniforms).

Such required materials fees may be:

1. The materials are used in the production of a course-related project or "end project" that has a continuing value to the student outside of the classroom setting; or
2. The required materials for use in the class have continuing value to the student outside the classroom setting.

Students who wish to purchase instructional materials on their own must secure advance written approval of the instructor and provide such written approval to the Business Services Office for a waiver of the material fee.

*Health Fees

The health fee provides students with a variety of health care services. In accordance with Board policy, students are required to pay a health fee, regardless of the units taken. For on-campus classes the health fee is \$19 for each semester (fall and spring terms) and \$16 for the summer term. For off-campus and online classes students are required to pay an \$11 health fee each term (fall, spring, and summer). For students enrolled at both on-campus and off-campus sites, the health fee is charged at the on-campus rate. On-campus sites include Fresno City College, Reedley College, Madera Community College Center, and Clovis Community College. This fee is NOT waived by the Board of Governor's Fee Waiver. The use of on-campus labs or the on-campus tutorial center will result in an on-campus health fee.

In accordance with California Educational Code Section 76355, an exemption/waiver from the health fee is available to the following students:

- Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.
- Students who are attending a community college under an approved apprenticeship training program.

The Health Fee Waiver Form is available at the following locations and online: Reedley College, Business Services Office, and Madera Community College Center/Oakhurst Community College Center, Admissions and Records Office. The form must be turned in prior to the start of each semester.

*Associated Student Body Fee

Students have the option of purchasing an ASB membership card for \$10 for the academic year which begins each fall term. ASB cardholders receive discount rates for admission to a number of college activities and may vote in student elections. For more information, contact the Reedley College Student Activities Office at (559) 638-0300 ext. 3408 or the Madera Community College Center Office at (559) 675-4800.

*Parking Fee

Students who choose to use on-campus parking facilities must purchase a State Center Community College District parking permit for \$20 per semester. Permits for summer session cost \$10. On-Campus Living Expenses

Please contact the Residence Hall supervisor for the 2015-2016 Residence Hall rates. Lisa McAndrews may be contacted by phone at (559) 638-0300 ext. 3258 or by email at lisa.mcandrews@reedleycollege.edu.

Students living on campus must choose a meal plan from the Reedley College Cafeteria. The Cafeteria offers three different meal plans of \$895, \$1,250, or \$1,400 a semester (subject to change)

Miscellaneous Living Expenses

In addition to academic expenses, only as applicable to the individual student, other expenses such as extra meals, phone bill, cable TV, clothes, personal items, entertainment and travel expenses may range from \$100.00 to \$2,500.00 per semester.

Associated Student Government Representation Fee

A student representative fee of \$1.00 is charged each semester, excluding summer sessions, to all students taking classes at Reedley College, Fresno City College, and Clovis Community College, including the community campus locations. The fee is charged at each location a student attends, so students attending all three locations would be charged a total of \$3.00. This fee is used for student advocacy at the local, state, and national levels. A waiver of this fee can be obtained for religious, political, moral, or financial reasons. Waiver forms may be found on the Reedley College website under "quick links" and then select "forms on-line." For more information, contact the Reedley College Associated Student Body at (559) 638-0397.

* Subject to change without notice per SCCC Board of Trustees.

REFUND FEE POLICY AND SCHEDULE

*Refund Fee Processing

It is the student's responsibility, not the instructor's responsibility, to drop a class by the refund/fee reversal deadline. A refund or reversal of enrollment, tuition and class material fees shall be made in accordance with the district refund policy. Students are required to submit a refund request form to the College Business Services Office. Requests may also be submitted online at www.reedleycollege.edu by selecting Quick Links and "Forms Online," then selecting the "Request for Refund" option. Please ensure that all class(es) are dropped before submitting your request. The refund process may take up to eight weeks to receive. If fees were paid with a credit card the refund will be applied to that credit card. If paid by check or cash, a refund check will be made payable to the student and is mailed to the student's official address on record with the college.

*Refund of Enrollment Fees and Tuition

Refund or reversal of enrollment fees and tuition shall be made following cancellation or withdrawal from class(es) in accordance with the following schedule. Refunds shall be initiated upon receipt of a written request to the College Business Services Office. Requests may also be made online. Refund requests are subject to an audit of the student's record to verify balance. Credit balances may be carried forward to the new term in lieu of a refund. Credit balances greater than or equal to \$15 will remain on the account for three years and amounts less than \$15 will remain on the account for one year.

*Primary Term-Length (Full Semester) Classes

- (a) Withdrawal during the first two weeks of the semester: **100% fee reversal**
- (b) Withdrawal after the second week of the semester: **no refund**

*Summer/Short-Term Classes (other than 18 weeks)

State code defines the drop deadlines to qualify for fee refund/reversals for short-term classes as on or before 10 percent of the duration of the class.

- A 100% refund is given upon withdrawal by the 10 percent point.
- No refund is given after withdrawal beyond the 10 percent point.

Number of class meetings:	10% Point (rounded down)	100% refund if withdrawal is on or before:
8	0.8 = 0	1st day of class
16	1.6 = 1	1st day of class
24	2.4 = 2	2nd day of class
38	3.8 = 3	3rd day of class

**Do NOT count holidays, weekends, or any other day the class is not scheduled to meet.*

*Refund of Health Fee

Students receive a refund upon complete withdrawal from all classes in accordance with the enrollment and tuition fee refund schedule.

*Refund of Parking Fee

Full refunds for parking permits will be made during the first two weeks for the fall/spring semesters and the first week of the summer sessions upon proof of complete withdrawal from school. The parking permits must be attached to a Request for Refund form and returned to the college Business Office in order to obtain the refund. There is no refund for daily parking permits.

*Refund/Account Adjustments of Cafeteria and Residence Hall

Students must request refunds or adjustments on their cafeteria and residence hall accounts through the department manager.

* Subject to change without notice per SCCCD Board of Trustees.

FINANCIAL ASSISTANCE

Students in need of financial assistance to help cover their educational expenses may apply for Federal, State, and Scholarship funds.

Federal and State Financial Assistance

To apply for federal and state financial assistance, the Department of Education requires that U.S. citizens and eligible non-citizens fill out a FAFSA online at www.fafsa.gov. Students who are not U.S. citizens or eligible non-citizens may qualify for state financial assistance only and may apply online at <https://dream.csac.ca.gov>.

Federal financial assistance includes:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (SEOG)
- Federal Work Study
- Federal Direct Student Loans

State financial assistance includes:

- Cal Grant
- Board of Governors Fee Waiver (BOG)
- Chafee Grant (requires additional application which can be completed at <https://chafee.csac.ca.gov>)

Enrollment Fee Waivers

Eligible students may apply for a Board of Governors Fee Waiver (commonly known as a BOG or fee waiver) to cover enrollment fees. To be considered for a fee waiver, you must be a California resident as determined by the Admissions and Records Office or be eligible for in-state tuition under AB540.

There are two ways to apply for an enrollment fee waiver:

1. Fill out the Free Application for Federal Student Aid (FAFSA) or Dream Act application and list Reedley College's federal school code (001308) on your application. Students who list Reedley College's school code on their FAFSA will automatically be reviewed for fee waiver eligibility. Students are encouraged to apply using this option because income limits are higher and they will be considered for other types of aid by completing one application.
2. You may submit a paper, which is available on our website (www.reedleycollege.edu/financialaid), directly to the Financial Aid Office.

Scholarships

Reedley College offers many scholarship awards throughout the year based on academic excellence, leadership, community service, and program of study. Scholarship funds are donated by the Reedley College Foundation, State Center Community College Foundation, Reedley College alumni, private companies, and other organizations. Awards range from \$100 to \$1,000. The Reedley College Scholarship Application, which is one application for over 150 scholarships, is available from January to April every year. You may apply online at www.reedleycollege.edu/scholarships.

Withdrawing from School or Dropping Class(es)

Any federal financial aid recipient who withdraws from some or all of their classes may owe back funds if they drop before 60% of the semester is over. Federal financial aid recipients who receive all unsatisfactory grades may also owe back funds. If you are considering dropping all or some of your classes and you have received federal financial aid, you should consult with the Financial Aid Office to see if you will owe back monies.

Important Information and Reminders

- ✓ Check your State Center Community College District issued email account regularly. This is the only way that you will receive important, time sensitive information regarding your financial aid.
- ✓ Keep your address and phone number updated through WebAdvisor.
- ✓ Fee waivers do not cover the \$19 health fee.
- ✓ Apply for a fee waiver BEFORE you register for classes. If you don't qualify for a fee waiver, you'll know exactly how long you have to pay your enrollment and other fees.
- ✓ If you qualify for a fee waiver after you paid your enrollment fees, you can apply for a refund at the Business Services Office or online.
- ✓ If you are awarded a fee waiver, it will cover all classes within the State Center Community College District - Fresno City College, Reedley College, Madera Community College Center, Oakhurst Community College Center, and Clovis Community College Center.
- ✓ You cannot receive federal or state monies at more than one school, BUT you may receive a Board of Governors Fee Waiver at more than one community college. Make sure you list all schools you plan to attend on your FAFSA so you will be reviewed for fee waiver eligibility.
- ✓ When applying for financial aid and/or a fee waiver, read all instructions carefully.
- ✓ Check for submission deadline dates and class drop-dates.
- ✓ Submit all requested documents and forms to the Financial Aid Office as soon as possible.

For more information on any of these topics, contact your Financial Aid Office at the campus you attend:

CAMPUS POLICIES

Cheating and Plagiarism

Students at Reedley College are entitled to the best education that the college can make available to them, and they, their instructors, and their fellow students share the responsibility to ensure that this education is honestly attained. Because cheating, plagiarism, and collusion in dishonest activities erode the integrity of the college, each student is expected to exert an entirely honest effort in all academic endeavors. Academic dishonesty in any form is a very serious offense and will incur serious consequences.

Cheating is the act or attempted act of taking an examination or performing an assigned, evaluated task in a fraudulent or deceptive manner, such as having improper access to answers, in an attempt to gain an unearned academic advantage. Cheating may include, but is not limited to, copying from another's work, supplying one's work to another, giving or receiving copies of examinations without an instructor's permission, using or displaying notes or devices inappropriate to the conditions of the examination, allowing someone other than the officially enrolled student to represent the student, or failing to disclose research results completely.

Plagiarism is a specific form of cheating: the use of another's words or ideas without identifying them as such or giving credit to the source. Plagiarism may include, but is not limited to, failing to provide complete citations and references for all work that draws on the ideas, words, or work of others, failing to identify contributors to work done in collaboration, submitting duplicated work to be evaluated in different courses without the knowledge and consent of the instructors involved, or failing to observe computer security systems and software copyrights.

Incidents of cheating and plagiarism may result in any of a variety of sanctions and penalties, which may range from a failing grade on the particular examination, paper, project, or assignment in question to a failing grade in the course, at the discretion of the instructor and depending on the severity and frequency of the incidents. For more information, contact the Vice President of Student Services' Office or the Vice President of Instruction's Office.

Drug- and Alcohol-Free Campus

Reedley College is committed to maintaining a drug- and alcohol-free campus. To that end, the college prohibits the unlawful manufacture, distribution, dispensing, possession, or use of controlled substances (as defined in Schedules I through V of the Controlled Substances Act {21 U.S.C.812} and as further defined by Regulations 21 CFR 1308.15 in the workplace). Behavior which violates this policy will be subject to disciplinary action in accordance with campus policies and regulations (BP 5410). Persons who seek information and/or resolution of alleged violations are directed to the Vice President of Student Services in the Student Services Building. (559) 638-0300, ext. 3291, or campus police, ext. 3330.

Family Educational Rights & Privacy Act

The Family Education Rights and Privacy Act (FERPA) outlines certain rights students have concerning access to and release of their educational records. Copies of District Administration Regulations implementing this act may be obtained from the Admissions and Records Office. Each student is encouraged to obtain a copy. The act ensures that the students will have access to their educational records and that the college will not release their records to anyone, including any parents, who is not designated by the student to receive them, except as provided by the law itself. The law authorizes the release of directory information in the absence of student objection. Directory information includes: name, address, date and place of birth, major field of study, current class schedule, participation in activities, dates of attendance, degrees and awards received, and last institution attended. Objection, if any, to the release of this information may be made at the time the student applies for admission or at registration (see [Application for Admission](#) p.4, item #31).

Grievance Policy for Students

Any complaint concerning an alleged unauthorized or unjustified act or decision by any staff member which adversely affects the grades, status, rights, or privileges of a student is the concern of the Reedley College administration.

A student should see the following people, in the suggested order below, if the concern is an academic matter:

1. Instructor
2. Dean of Instruction
3. Petition Academic Standards Committee (obtain petition form from Admissions and Records)

A student should see the following people, in the suggested order below, if the concern is a non-academic matter:

- If it involves an administrator - immediate supervisor
- If it involves certificated/classified staff - immediate supervisor
- If it involves another student - Vice President of Student Services.

If the student's concern(s) remain unresolved, the student may submit the grievance in writing. Grievances regarding non-academic matters are submitted to the Vice President of Student Services (grievance forms may be obtained at the Vice President of Student Services Office in the Student Services Building (559) 638-3641, ext. 3291. If the student is not satisfied with the outcome at this step, a petition can be filed with the Committee for Student Conduct (petition may be obtained at the Vice President of Student Services Office). Individuals seeking information and/or resolution of alleged acts of discrimination are directed to contact the Vice President of Student Services at (559) 638-0300, ext. 3291. The Vice President of Student Services Office is located in the Student Services Building.

Intellectual Freedom and Responsibility— Board Policy

Intellectual freedom is to be guarded as a basic right of all citizens in a free society. To this end, the colleges of the district are committed to free discussion and open inquiry in the pursuit of truth. It is recognized that freedom to think, to read, to speak, and to question is necessary to the development of an informed citizenry. This freedom shall be integral to the philosophy of this district and is guaranteed to all faculty and students.

Nondiscrimination Statement

Reedley College and all its centers comply with all Federal and state rules and regulations and does not discriminate on the basis of race, color, national origin, gender, disability, sexual orientation, religion or age. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities. Harassment of any employee/student with regard to race, color, national origin, gender, disability, sexual orientation, religion or age is strictly prohibited. Limited English speaking skills will not be a barrier at Reedley College to participation in Vocational Education programs. Inquiries regarding compliance and/or grievance procedures may be directed to the college's Title IX Officer and/or the Section 504/ADA Coordinator.

CAMPUS POLICIES

Declaración: Póliza Contra la Discriminación y las Obligaciones

El Distrito State Center Community College (Reedley College) no discrimina por razones de raza, color, nacionalidad, género, orientación sexual, inhabilidad, religión o edad, en ninguno de sus reglamentos, procedimientos, o acciones, de acuerdo con los siguientes códigos: el Artículo VI del Código de Derechos Civiles (Civil Rights Act) de 1964, el cual prohíbe la discriminación por razones de raza, origen, color o nacionalidad; el Artículo IX de las Enmiendas al Código Educativo (Education Amendments) del año 1972 (género); la sección 504 del Código de Rehabilitación de 1973 (inhabilidad); y el Código Antidiscriminatorio de 1975 (edad); y tampoco tolera ninguna acción asociada con el acoso sexual (sexual harassment), en cumplimiento con el Código que cubre a los Americanos Inhabilitados de 1991 (Americans with Disabilities Act of 1991).

Dichos reglamentos y leyes abarcan y rigen todos los programas y actividades de Reedley College, incluyendo el Programa de Educación Vocacional (Vocational Education), e incluyen el derecho de no ser discriminado en ninguno de los programas y actividades del colegio, y ser tratado en una forma igual y equitativa.

Sírvase dirigir cualquier pregunta o queja relacionada con los Reglamentos Antidiscriminatorios colocada en el Colegio de Reedley, 995 N. Reed Ave., Reedley, CA 93654. Para más información, llame (559) 638-0300, ext. 3258.

El Colegio de Reedley College acepta y reconoce la obligación que tiene con las personas inhabilitadas (handicapped) de proveerles y facilitarles el acceso a todos sus programas y actividades. Para mayor información al respecto, comuníquese con la Coordinadora de la Sección 504, Lisa McAndrews, quien le informará sobre la ubicación de los diversos servicios y actividades, así como sobre los lugares accesibles y disponibles para los inhabilitados.

Puede obtener más información sobre las leyes y reglamentos antidiscriminatorios, dirigiéndose a la Oficina de Derechos Civiles: (Office for Civil Rights), U.S. Department of Education, 221 Main Street, Suite 1020, San Francisco, CA 94105.

La falta de conocimiento del idioma inglés no es un obstáculo para ser admitido a los programas técnicos y vocacionales del Colegio de Reedley (Reedley College).

Open Enrollment Policy

It is the policy of this district that, unless specifically exempted by statute, every course, course section, or class, the full-time equivalency (FTE) of which is to be reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820. It is further the policy of this district that, in accordance with Section 51823(f), Title 5; health, safety, legal requirements and procedures will be established to meet such limitation.

Sexual Harassment Policy

Acts of sexual harassment will not be tolerated at the college. This applies to students, employees, and those who apply for employment status. Furthermore, this policy prohibits harassment in any form including verbal, physical, and visual harassment.

Sexual harassment includes, but is not limited to, making unwanted sexual advances and requests for sexual favors.

Where either:

1. Submission to such conduct is made an explicit or implicit term of employment, appointment, admission, or academic evaluation;
2. Submission to or rejection of such conduct by an individual is used as the basis for a personnel decision or an academic evaluation affecting an individual;
3. The conduct has the purpose or effect of interfering with an employee's work performance, or creating an intimidating, hostile, offensive, or otherwise adverse working environment;
4. The conduct has the purpose or effect of interfering with a student's academic performance, creating an intimidating, hostile, offensive, or otherwise adverse learning environment, or adversely affecting any student.

Student Conduct

Students are expected to conduct themselves in a responsible manner whenever they are on campus or representing the college in any activity. Specific rules and regulations have been established in Board Policy 5500. A copy of this policy is available in the college library, the Admissions Office, the Vice President of Student Services, the Vice President of Instruction's Office, and in the Student Activities Office. It is also available on the Reedley College website (www.reedleycollege.edu) under the "Current Students" link.

Conduct standards are designed to perpetuate the college's educational purposes, allowing students to enjoy the right of freedom to learn. Failure to adhere to the accepted standards will result in disciplinary action.

Student Right-to-Know and Campus Security Act

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the State Center Community College District and Reedley College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2005, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Reedley College, nor do they account for student outcomes occurring after this three-year tracking period. Based upon the cohort defined above, 21.1% attained a certificate or degree or became "transfer prepared" during a three year period, from Fall 2005 to Spring 2008.

Students who are "transfer-prepared" have completed 60 transferable units with a GPA of 2.0 or better.

Based on the cohort defined above, 11.1% transferred to another postsecondary institution, (UC, CSU, or another California Community College) prior to attaining a degree, certificate, or becoming "transfer-prepared" during a five semester period, from Spring 2006 to Summer 2008. The CCCC website is <http://extranet.cccco.edu/Divisions/TechResearchInfoSys/MIS.aspx>.

²Approved in Area C2 retroactive to Fall 1994. Approved in Area D as well.*
³Approved in Area C2 retroactive to Fall 1996. Approved in Area D as well.*

To graduate from a CSU, a U.S. Government (including California) course (POLSCI 2 or 2H) and a U.S. History course (HIST 11, 12, 12H, or 22) must be completed.

Fresno City College (FCC) and Clovis Community College (CCC) courses may satisfy requirements differently than Reedley College courses. See the FCC and CCC CSU General Education requirement sheets for information regarding FCC and CCC courses.

***Courses listed above in more than one location will only be counted one time. After completing one of these courses, see a Counselor to identify which area you intended to use the course so that the course is coded correctly for your CSU GE certification.**

IGETC INFORMATION

- The IGETC is a general education program that California Community College students can use to fulfill lower division general education requirements for any CSU or UC campus, California private colleges/universities, and some out of state colleges/universities.
- The IGETC provides an alternative to the General Education-Breadth requirements for CSU, UC, many California private colleges/universities, and some out of state colleges/universities.
- The IGETC is NOT an admission requirement for the CSU or UC nor does completion of the IGETC guarantee admission to the campus or program of choice.
- All areas of the IGETC must be completed to be certified by the community college and must be completed prior to transfer to a CSU or UC. Students earning an AA-T degree or AS-T degree are required to have full certification. In some circumstances, a student may make up two missing IGETC course requirements after transferring to a university. See a counselor regarding the certification process.
- To be certified all courses must be completed with a grade of "C" or better.
- A grade of "CR" (credit) or "P" (pass) may be used if the grading policy of the community college states that "CR" or "P" is equivalent to a grade of "C" or better. The UC will allow no more than 14 semester units taken CR/P toward UC eligibility or IGETC. The CSU campuses vary on the number of units they allow. Please check each college's catalog or see a counselor for more information.
- Courses may be used only once to satisfy one subject area even if they are listed in more than one subject area.
- Advanced Placement (AP) tests completed with a score of 3, 4, or 5 may be applied to the IGETC. One AP exam may be used to clear only one course requirement. (Example: AP English Comp and Literature may be used to satisfy ENGL 1A or 1B NOT both). See IGETC Supplemental - Use of AP Exams document.
- All IGETC coursework does not have to be completed at the same college. Courses taken at more than one California Community College may be used to fulfill the IGETC. Note, however, that courses applicable to IGETC may vary from college to college. Courses completed at other California Community Colleges will be placed on IGETC according to how they were approved at the college where they were completed.
- Additional information regarding the acceptance of IGETC at specific colleges in each UC is available online at <http://www.universityofcalifornia.edu/admissions> and enter IGETC in the search box.
- The IGETC is not a good option for students intending to transfer into high unit majors, such as engineering or the sciences, that require extensive lower division preparation.
- Please see a counselor to make sure that the IGETC is appropriate for your use or if you have any other questions regarding the IGETC.

Additional courses may be added to the Reedley College IGETC. An updated IGETC sheet may be obtained from the Counseling Office, Transfer Center, Reedley College website, or at www.assist.org.

This information is subject to change.

DAY CLASSES

- If your class does not start on the hour, please assume that it starts at the beginning of the hour in order to determine on which day and at what time your final exam will be. (For example: If you have a 9:30 a.m. Tuesday/Thursday class, your class will then fall into group 9:00 B.)
- Classes which meet two days a week and which have different starting times for those two days will have a final exam determined by the first class meeting of the week. (For example: A class which meets at 9 a.m. on Monday and 10 a.m. on Wednesday will fall into group 9:00 A.)
- Examinations calling for special arrangements and/or approved makeup exams must be scheduled through the class instructor. Final examinations not adhering to this schedule may be made by the instructor and are subject to approval by the division dean.
- Students who have three final examinations scheduled on the same day may seek to have one final exam moved to another day by contacting the individual instructors BEFORE the start of the final exam week.

EXTENDED DAY

(Classes beginning at or after 4:30 p.m. and Saturday classes.)

- Final exams will be given during the final exam week using the above schedule.
- Classes which meet more than once during a week will meet only once during the final exam week, with the class meeting devoted to the final examination. Unless approved by the division dean, such classes will meet on the first normally scheduled night.

NOTE: Instructors must submit their final grades in the Student Services Building, no later than noon on Monday, December 19, 2016.

* Open periods are for final exam conflicts, makeup exams, and exam by special arrangement.

** Classes falling into these groups are possibly in conflict with other classes. If so, the other classes have priority for the rooms. The instructor will choose an open period for the final exam.

§ For night classes, the instructor should begin the final exam at the time the class usually begins.
