PHYS 2A – General Physics I	(Fall)	4			
Select two courses from the following: AS 2 – Beef Production (Fall 2006), AS 3 – Sheep Production (Spring 2008), AS 4 – Swine Production (Spring 2007), and/or AS 21 – Equine Science (Fall)		6			

Notes: *These courses are upper division courses at CSU Fresno. Courses completed at Reedley College that are comparable to upper division courses at CSU Fresno meet subject matter requirements only. No upper division units will be granted.

CR/NC grading is not accepted for courses in the Animal Science major.

Courses marked (Fall) and (Spring) are usually only offered that semester.

Students planning to apply to Veterinary Medicine school should consult a faculty advisor regarding entrance requirements and admissions procedures. A student's number of semester units will exceed 124 if he/she chooses to meet all of the Veterinary Medicine entrance requirements.

PHYS 2B, although not listed above, is a recommended elective.

This information has been obtained using the 2006-2007 major articulation between Reedley College and CSU Fresno on www.assist.org.
