Notes: *Additional course choices other than GEOG 10 – Introduction to GIS are available at CSU Fresno.

CR/NC grading is not permitted for math, science, or engineering courses in the Geomatics Engineering major.

CSU Fresno exempts Geomatics Engineering majors from the CSU General Education Area A3: Critical Thinking, the third course requirement in Area C: Arts/Humanities and Area E: Lifelong Understanding.

It is recommended that at Reedley College students take Engineering I (ENGR I) as an introduction to the engineering profession.

This information has been obtained using the 2006-2007 major articulation between Reedley College and CSU Fresno on www.assist.org.
