Notes: CR/NC grading is not accepted for courses in the Plant Science major.

Courses marked (Fall) and (Spring) are usually only offered that semester.

\*Pending articulation approval.

Courses listed in more than one area may only be used one time.

Depending on one's career goals, students will select additional courses from either Management or Science. At Reedley College AG 3 may be taken for Management; BIOL 31 may be taken for Science.

This information has been obtained using the 2006-2007 major articulation between Reedley College and CSU Fresno on [www.assist.org](http://www.assist.org).
