Notes: Students will need to select a major (Social Sciences is NOT a Bachelor's Degree major at CSU Fresno). CSUF recommends a major in a closely related field such as Economics, Geography, History, or Political Science.

It is recommended that students meet with the CSU Fresno Single Subject Advisor for Social Science for assistance with course and credential planning at 278-0300.

These courses represent the new subject matter preparation requirements for students who will not complete the single subject credential by July 1, 2009.

This information has been obtained from information in the CSU Fresno 2009-2010 catalog as well as material provided by the Social Sciences Department at CSU Fresno.
