CR/NC grading is not permitted for math, science, or engineering courses in the Geomatics Engineering major.

CSU Fresno exempts Geomatics Engineering majors from the CSU General Education Area A3: Critical Thinking, the third course requirement in Area C: Arts/Humanities and Area E: Lifelong Understanding.

It is recommended that at Reedley College students take ENGR I or ENGR 10 as an introduction to the engineering profession.

This information has been obtained using the 2011-2012 major articulation between Reedley College and CSU Fresno on [www.assist.org](http://www.assist.org).
