Notes: CR/NC grading is not accepted for courses in the Plant Science major.

* This course is not offered on a regular basis. Check with the department regarding the date when the course may be offered.

** Other choices exist at CSU Fresno.

Courses marked (Fall) and (Spring) are usually only offered that semester.

Depending on one's career goals, students will select additional courses from either Management or Science. At Reedley College AG 3 may be taken for Management; BIOL 31 may be taken for Science.

This information has been obtained using the 2011-2012 major articulation between Reedley College and CSU Fresno on www.assist.org.
