CR/NC grading is not accepted for courses in the Social Work major.

Students who have prior knowledge of Spanish or Southeast Asian Languages but lack fluency are encouraged to take additional coursework in the languages.

Students are encouraged to complete all of their lower division general education and HS 20 prior to transferring. Otherwise, this could delay the student from taking upper division courses thereby delaying upper division coursework one year due to the sequential nature of this major.

A minimum 2.5 GPA is required to begin upper division courses in the major.

This information has been obtained using the 2013-2014 major articulation between Reedley College and CSU Fresno on www.assist.org.
