- II. Other Readings
  - 1. Recommended - *Reedley College Player Policy Handbook 2010 (updated annually)*

Global or international materials or concepts are appropriately included in this course  
 Multicultural materials and concepts are appropriately included in this course

If either line is checked, write a paragraph indicating specifically how global/international and/or multicultural materials and concepts relate to content outline and/or readings.

Topics include tolerance and problem-solving within the team concept. Team-building through “forming, storming, norming and performing” stages recognizes multiracial/multicultural differences as potential challenges to purposeful team function. Through directed discussion, head coach will acknowledge the individual differences of those that make up the track & field team and how to cooperatively work as a successful unit towards a common goal.

**COURSE GRADE DETERMINATION:**

Description/Explanation: Based on the categories checked in A-D, it is the recommendation of the department that the instructor's grading methods fall within the following departmental guidelines; however, the final method of grading is still at the discretion of the individual instructor. The instructor's syllabus must reflect the criteria by which the student's grade has been determined. (A minimum of five (5) grades must be recorded on the final roster.)

If several methods to measure student achievement are used, indicate here the approximate weight or percentage each has in determining student final grades.
