An additional 11 units are required in Foreign Languages, Humanities, and/or Social Sciences.	4			
	4			
	3			
	3			

Notes: Pre-Dentistry is not an academic major. It is recommended that you select a major that has considerable overlap with the Pre-Dentistry course requirements.

To be eligible to apply to UCSF's Dentistry program, an applicant must complete a minimum of 93 semester units (exclusive of repeated and nontransferable courses) of college work at an accredited institution is a minimum requirement for admission. A minimum of 20 semester units must be completed at a four year institution.

Admission to UCSF School of Dentistry is competitive and is based on the following: applicant's academic record, Dental Admission Test (DAT) scores, letters of recommendation, dental related experiences, and the interview.

This information has been obtained from articulation between Reedley College and UCSF as well as from the UCSF School of Dentistry website <http://dentistry.ucsf.edu/>.
