PROGRAM OF STUDY

Elementary Teacher Education Associate in Arts for Transfer Degree

The Associate in Arts Degree in Elementary Teacher Education for Transfer prepares students for transfer into a baccalaureate level degree at many of the California State University campuses. The Elementary Teacher Education program prepares students for jobs teaching in the Kindegarten through eighth (K-8) grades in the public and private education system. While the program's curriculum allows for the development of knowledge and skills in the subject matter taught in the K-8 grades, students must ultimately complete a multiple subject credential usually after their Bachelor's degree in addition to passing the CBEST and CSET exams.
