

PROGRAM OF STUDY

Nursing Assistant Training Certificate in

This course is designed to prepare the student as an entry level worker, providing basic nursing care to patients in acute care and long-term care settings. The curriculum is structured to provide theory and application in skills needed to function as a Nursing Assistant. Upon completion, students will be eligible to take the state certification examination.

Applicant must be able to:

1. pass a tuberculosis (PPD) test indicating a negative result or a chest x-ray report stating no indication of TB.
2. pass a physical exam given by a contracted physician.
3. have no prior criminal convictions (exception: traffic violations)
4. possess a valid Social Security card and a picture ID.
