

**Kings River Community College**

Fall 1997

Math 54 - Arithmetic Review

Sch# 1123

### **COURSE OUTLINE AND POLICY**

Class Hours: T, Th 1:00-2:15 P.M.

Room: FE-4

Instructor: Bill Regonini

Prerequisite: Elig for ENGL 26

Required Text: Aufmann/Barker, Basic College Mathematics, 5th edition, Houghton Mifflin Company, 1995.

#### **OBJECTIVES:**

Students are expected to obtain a working knowledge of the course content and apply their skills in problem-solving situations utilizing basic arithmetic operations involving whole numbers, fractions, decimals, ratios and proportions, percents, and rational numbers.

#### **ATTENDANCE:**

Students are expected to attend all class meetings and to be on time. It is distracting and unfair to fellow students to arrive late or leave early from a class. **Two incidences of tardiness and/or leaving class early constitutes one absence.**

**Any student absent for 4 consecutive classes or 6 total classes before the drop deadline is subject to being dropped from the class.**

If you decide to drop the class, it is **YOUR** responsibility to officially drop the class. **The last day to drop this class is OCTOBER 17, 1997.** College policies on attendance, illness, dropping a class, etc. as outlined in the Kings River Community College Catalog will be strictly enforced.

**TESTS:**

A series of tests, worth 100 points each, will be administered periodically throughout the semester.

A two-hour **final exam**, worth 100 points, will be administered at the end of the semester during "Finals Week."

**THERE ARE NO MAKE-UPS FOR MISSED TESTS!!**

To compensate for illness and emergencies, the lowest score from these test grades will be discarded when determining the final grade.

**NOTE: You may not leave the classroom after you have begun taking a test.**

**HOMEWORK:**

An assignment sheet will be passed out at the beginning of each chapter. A portion of these homework assignments will be collected **each Thursday**.

**NO LATE HOMEWORK ACCEPTED!!**

Assignments will be graded on completeness, neatness, and **effort**. Problems must be written out (except word problems), and all work must be shown in order to receive credit. The **average** of all homework grades will be worth one test grade.

**GRADING :**

Your lowest test score will be discarded. Your remaining test scores and homework grade will be averaged, and the resulting percentage will determine your grade according to the following scale:

90 - 100%	A
80 - 89%	B
65 - 79%	C
50 - 64%	D
0 - 49%	F

**IMPORTANT DATES:**

September 19, 1997

Last day to change to/from credit/no credit

October 17, 1997

**LAST DAY TO DROP A CLASS**

November 11, 1997

Veteran's Day - NO CLASS

November 27, 1997

Thanksgiving Day- NO CLASS

December 18, 1997

**FINAL EXAM 1:00 P.M. - 3:00 P.M.**
