PLAGIARISM: *Webster's Ninth New Collegiate Dictionary* defines the act of plagiarizing as, "the stealing and passing off of the ideas or words of another as one's own." In other words, using something someone else wrote without giving him or her credit. This is known as literary theft and is a grave offense in the academic world. If a student borrows a quote or even an idea from a book, magazine, movie, the Internet, etc. the author of that book, etc. must be given credit in your own writing. A guide to proper handling of quotes or ideas can be found in the *MLA Handbook for Writers of Research Papers*, 4th edition, by Joseph Gibaldi. Plagiarism may result in an F grade for the course.
