

# ESL 60 SYLLABUS

## BEGINNING INTENSIVE ENGLISH

INSTRUCTOR: Michael Martin

ROOM: FEM 1 / Computer Lab

DATES AND TIMES: Monday and Wednesday, 6:00 - 8:00 pm

### COURSE DESCRIPTION:

ESL 60 is a beginning English course designed for speakers of other languages. Students will learn basic English vocabulary and grammar. The focus is for students to become competent in practical English to help the student communicate in the community. With the knowledge gained in ESL 60, the student will also be able to advance to the next level, ESL 61. The method of instruction is the communicate approach, stressing speaking, comprehension, reading and writing. The student will be required to maintain a class notebook. The student will be required to actively engage in the lesson through verbal interaction with fellow students and the teacher, various in class exercises and workbook assignments, and various written assignments.
