### **Attendance Policy**

Attendance is an important aspect of the student's grade. Students are expected to attend all sessions of classes for which they are enrolled. Only very serious, well-documented, emergencies are acceptable as excused absences. Excused absences include illness, other medical problems, or family emergencies. (Personal business or other appointments are not excused.) Students must provide the excuse for the absence the first day of return following the absence. An excuse can not be granted unless you inform the instructor as soon as it occurs.

After 4 absences, the attendance grade will be dropped one grade for each class missed.

**DO NOT COME TO CLASS LATE.** If a student is late three times it equals one absence. If a student is late more than 20 minutes he/she is **ABSENT**.

**DO NOT LEAVE CLASS EARLY.** If a student leaves class early, he/she is marked absent.

As stated on page 22 of the *Reedley College Catalog*, "Any student who misses more than two weeks of class meetings may be dropped." Two weeks of class equals four class meetings.

\*Words of wisdom: Leave yourself room for life's accidents, misfortunes, sicknesses, deaths and other dreadful occurrences. If you gamble and do not leave any days for an emergency, you may lose the gamble. Be smart.
