 PHONE: 638-3641, Ext. 3268

Course Description:

A leadership development class that provides opportunities for a student to hold a committee office, be a committee member, and work with others in the completion of group activities. Includes leadership training, exposure to local, county, state, and national government systems, and roles of leaders in a democratic society.

Topics To Be Covered:

1. Role of leaders in a democratic society.
2. How to lead and how to follow. (Committee work)
3. Government responsibilities and activities.
4. Special topics of technical nature for the international student.

Grading:

Grade Scale:
