IV. **Grading and Credit:**

English 26 is a three-unit course required for graduation. The class is offered on a graded basis with a credit/no credit option. Students desiring a CR option must achieve the equivalent of an A, B, or C grade. A grade equivalent of D or F will result in a "No Credit" grade.

The grades earned from your work will be averaged within five categories to determine your final course grade. A percentage point system will be used for all assignments enabling each student to track his/her progress in fulfilling the course requirements. **Each student should keep a record of his/her grades on the "Student Grade Record Sheet" provided by the instructor.**

Midterm Grade: I will hand out individual midterm grade reports listing all scores earned up to the final drop date. This report will inform you of your status in my class. At this time, you should compare all grades on returned work to determine any discrepancies.

Final Grade: Your final grade will be averaged from your scores on all course work in the following five areas:

A. Tests and quizzes (20% of your final course grade)

Approximately ten tests and quizzes will be given throughout the semester. Tests will be in-class; quizzes will be in-class & take-home. Most quizzes will be based on selected readings.

B. Book reports/book summaries (20% of your final course grade)

You will complete one group and two individual book reports. The formats of each will be different. Detailed information and formats of reports will be provided.

C. Daily work (20% of your final course grade)

Daily work includes a variety of assignments:

*Homework

*Summary/Response papers (articles)

*Group presentations and participation

Several assignments (16-20) will be counted towards the **Daily work** portion of your final grade. Some missed assignments may not be made up (see attendance).

D. Semester Project (20% of your final course grade)

Each student will complete a semester project which will be due by the end of the semester. The purpose of this project is for you to demonstrate your understanding of the information covered in this course. If the semester project is not completed, you will receive an F grade or an **incomplete** for the course.

E. Final Exam (20% of your final course grade)

All students **must** take the final examination to receive credit in this course. Except in **unusual** cases of illness or family distress, **final examinations will be administered only according to the "Finals Schedule" in the current Schedule of Courses**. The time and date of final examinations will not be changed to accommodate holiday or travel arrangements or employment schedules.

V. **Attendance:**

Each student is responsible for **consistent** attendance.

***Absences** reduce your contributions to the class and slow your progress in reading improvement.

***Absences** lower your grade through missed Daily Work (class/group work). Each missed class work assignment will be graded as a zero. Zeros have a strong impact on your grade.

Plan to attend class every day of the semester.

*If absent, it is your responsibility to return to class prepared. You should find out what homework was assigned during your absence and complete the work *before* you return to class. If your homework is completed when you return to class, you will receive full credit. If not, you will have 3 days to complete the assignment with **ten (10) points deducted each day**. After the third day, a zero will be entered for each unfinished assignment.

It is also your responsibility to acquire a copy of each handout distributed during your absence. You should first ask me for leftover copies. If I have none left, you will have to borrow another student's handouts to make your own copies. Either way, **you are responsible for the information in the materials I hand out to the class.**

If you miss a test, you will have *three class days* to make it up. Your make-up test will be different from the one given in class.
