Landscape Horticulture

LH 60 – Intermediate Landscape design/CAD

This course is a hands on class, requiring the student to attend class on a regular basis. With the requirement to have the AutoCAD program, it is not possible for most students to make up missed work.

There is no text for the class.

Grades:	Will be based on class participation	1/3
	Assignments	1/3
	Final	1/3

Instructor: Ron King
587-0856
