COURSE SYLLABUS

I have listed below our daily workout / practice schedule for this course. Our baseball season will begin on Saturday, Feb. 5, 2000 -- our 2000 baseball schedule is attached to this syllabus. During the month of February, we will practice Monday - Thursday, with our games being held on Fridays - Sundays. Once we begin conference play, we will practice on Mon - Wed - Fri, and our games will be held on Tue - Thur - Sat.

There will be no written or skill exams. All contests will be considered exams. If all players complete the season, they will receive an "A" for the course. Students who are dropped from the team prior to the ninth week will receive a "W" for the course. If a student drops the course after the ninth week, a grade will be determined at the time that the student leaves the team, and this grade will be documented with the student's consent.
