The text assignments are simple. Write out the vocabulary terms and their definitions for each chapter we study. They are to be hand written on a blue book (Large format only – other sizes will not be accepted). The terms and definitions for the chapters covered are due on exam day. If you know you will be absent on exam day, you may turn in your text assignment early. LATE TEXT ASSIGNMENTS WILL NOT BE ACCEPTED.

Final Exam (300 pts)

The Final Exam will be the same format as the previous exams (part multiple choice, part true/false).
