## **GENERAL REQUIREMENTS / INFORMATION:**

### ***General Expectations:***

Come to class on time, every day. Turn in all assignments, on time. Most importantly be engaged and present in the class. Put your phone away, listen, respond, communicate, and question – these are real issues that impact all of our lives. This class can be meaningful and engaging if you make it that or it can be boring and stale – THAT ALL DEPENDS ON WHAT YOU MAKE IT!

### ***Class Format:***

Class sessions will consist of lectures, films, group discussions, handouts, homework, guest speakers, PowerPoint presentations, and other activities.

### ***Attendance:***

Attendance is **Vital** if you want to be successful in this class. Attendance will be taken on daily roll sheet. Each student will be responsible for signing in at the **end** of class. Please make sure first and last name are printed clearly on the roll sheet in blue or black ink so that it is easy to read. Students who leave considerably early will not receive the full participation points for that day.

***Drop Policy:*** 18 week courses have a drop deadline of the 9<sup>th</sup> week. However, you may be dropped by the instructor at any time after (3) consecutive absences

## **CLASS ASSIGNMENTS:**

### ***Quizzes:***

There will be 10 fifty (50) point quizzes/exams given on the chapters lectured on in class. Chapter quizzes may be combined or given individually. Question types will include multiple choice, short answer, matching, or essay questions.

### ***Research Paper:***

Each student will complete a short research paper on Molly / MDMA and the electronic dance culture. The specifics of what each paper will entail will be handed out throughout the semester. I will use an Internet plagiarism software to make sure each person is turning in an authentic paper researched and written by themselves. The essay is worth 100 points.

### ***Final Essay Paper:***

Students will be expected to write and TYPE an essay paper evaluating their own health habits. They will explore the risk factors and provide strategies for change that will enhance their own well-being. The paper should be a minimum of three pages and no more than five pages. Points will be deducted if the paper is turned in late. Please double space papers, using size 12 font, times new roman lettering. **The last day to turn this paper in is May 17<sup>th</sup>. No Late Papers will be accepted!**

*The following five areas should be addressed in the paper:*

1. Your family health history
2. Your health history and lifestyle
3. Identify one health risk (mental, physical and or social) you may have
4. Research that health risk and include information in the paper about the dangers
5. Develop a plan for minimizing the health risk and enhancing your own well-being

***Final Exam:***

A final exam worth 150 points will be administered on the designated finals day. The test will cover various topics discussed in class throughout the semester. A study guide will be given prior to the test.

***\*Extra Credit:***

Extra credit may be passed out from time to time. In order to receive points for the extra credit, you must be in class the day that it is assigned.

**GRADING**

Grades will be based on the following:

1. Quizzes
2. Essay
3. In class assignments
4. Final Essay Paper
5. Final Exam
6. Participation

***Participation:***

Students will be expected to show up to class, be attentive and participate fully throughout the semester. Anytime class is cancelled or there is a holiday, you will automatically receive your participation points for that day.

***Ways to lose participation points:***
