

State Center Community College District

# Reedley College IS-15

IS-15, Computer Concepts, 3 Units (Section number 59866) Spring Semester **January 9, 2017 – May 19, 2016, Monday, Wednesday, Friday**

Meeting place/time: **BUS 49, 9:00 am – 10:10 am**

Instructor: Sean Stephens, MBA, PC PRO

e-mail: [sean.stephens@reedleycollege.edu](mailto:sean.stephens@reedleycollege.edu)

Phone: 559-370-6373 (Call or text)

## Remind App

On rare occasions, I am unable to make it to class. In those cases, I use the *Remind* app to send out a notice that class is cancelled. I will also use the app to send out assignment deadline reminders, etc. If you would like these reminders, follow these steps:

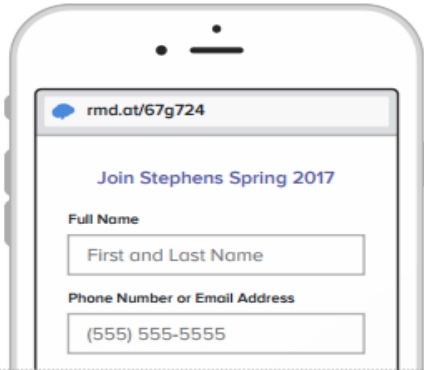

Pick a way to receive messages for **Stephens Spring 2017**:

**A** If you have a smartphone, get push notifications.

On your iPhone or Android phone, open your web browser and go to the following link:

[rmd.at/67g724](http://rmd.at/67g724)

Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app.

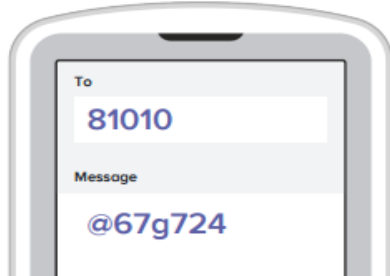

**B** If you don't have a smartphone, get text notifications.

Text the message **@67g724** to the number **81010**.

If you're having trouble with **81010**, try texting **@67g724** to **(559) 472-0066**.

\* Standard text message rates apply.

**ADA Statement**

If you have a verified need for an academic accommodation or materials in alternate media, i.e. Braille, large print, electronic text, etc, per the Americans with Disabilities Act (ADA) or Section 504 of the Rehabilitation Act, please contact your instructor as soon as possible.

**Communications with the instructor**

Communications with the instructor can be handled before or after class in BUS 49 or via e-mail. Your instructor will make every effort to respond to your e-mail within 24 hours Monday –Friday.

**Instructor Availability**

The instructor will not be available on Saturdays, Sundays, or holidays to reply to e-mail.

**Cell Phones and Portable Devices**

Please refrain from using devices during class time unless it is part of the lesson (Exceptions include viewing class textbook on your device). This material is essential to your continued success as a student and social distractions will hamper your efforts to excel.

**Observed Holidays**

January 16, Martin Luther King Day

February 17, Lincoln Observance

February 20, Washington Observance

April 10-14 Spring Recess

[Academic Calendar](#)

**Required Textbook**

None. All materials will be Internet downloadable or provided on Canvas.

**Online Access to Course Materials**

All materials are available via Canvas. Access Canvas at <https://scccd.instructure.com>.

Instructors and students can access Canvas by going to <https://scccd.instructure.com>

**Students** – log in using the same credentials you use for Blackboard:

**Username:** Your 7-digit student ID number.

**Password:** If you have not previously changed your password, it is:

*First name initial (upper case) + last name initial (lowercase) + date of birth (mmddyy)*

**Example:** John Smith born on July 9th of 1988    Password =Js070988

**If you do not know your password and need assistance:** [\(559\) 499-6070](tel:5594996070)

**Course Prerequisites:**

To complete this course successfully, you must:

- Have the ability to read collegiate textbooks and handouts
- Follow written instructions
- Be able to operate a personal computer
- Send e-mail with attachments and receive e-mail with attachments
- Navigate web pages

**Technology suggestion for completing assignments outside of class time**

- A personal computer with a Pentium-4 class processor or higher, 1 GB RAM and 2 GB available storage space
- Broadband connection to the Internet
- A valid e-mail address
- Operating system software: Microsoft Windows 7, 8, 8.1, 10, Vista, or XP\*
- Application software:
  - Word Processor (MS Word, Open Office Writer, Corel Write, etc)
  - Spreadsheet Software (MS Excel, Open Office Calc, Corel Calculate, etc)
  - Presentation Software (MS PowerPoint, Open Office Impress, Prezi, Corel Show, etc)
  - SQL Database Software (MS Access, Open Office Base, etc)
- Web browser software such as MS Internet Explorer or Google Chrome

Students must make sure their computer hardware and software work properly.

Computers are available for use at the Reedley College Computer lab in the library. Library computers are equipped with MS Office 2010. Classroom instruction will include both MS Office and Open Office suites.

**Attendance**

Attendance to this class is mandatory. The instructor reserves the right to take attendance at any time during the class period.

The instructor reserves the right to drop a student after 3 unexcused absences.

**Course Description**

IS-15, Computer Concepts introduces the student to basic concepts of computers and information systems as well as their applications. Computer hardware, software, databases, networks and telecommunication will be discussed.

In this course, students will be exposed to hands-on practices using office productivity software, including word processor, spreadsheet, database, and presentation software. Programming exercises will introduce basic programming techniques and will involve the creation of simple computer programs. Students will have the opportunity to explore the Internet and the World Wide Web through class assignments. Students should be prepared to work as a team to create a group presentation of their approved class research project.

Knowledge gained from this course will provide the student with prerequisites required to take specific information systems courses. Upon completion of this course, students should be able to apply their knowledge to help them manage electronic information.

### ***Student Learning Outcomes***

The students who have completed this course satisfactorily will:

- Have the essential knowledge of hardware, software, networks, applications, and services of information technology
- Be competent to operate a Windows based personal computer and its peripherals
- Be able to use Microsoft's office productivity software – Word, Excel, Access, and PowerPoint
- Have the skill to create, duplicate, update, delete, backup, and organize electronic documents on various computer storage media
- Be proficient with various communication software
- Have the experience of working in groups to research, report, and present an assigned technology project
- Understand the steps involved in writing computer programs
- Understand ethical conduct as it pertains to information technology
- Have the necessary knowledge and skill to take more advanced information technology courses

### ***Drop from and reinstatement to the class***

It is your responsibility to drop this class by the drop date or to file a petition to be reinstated to this class.

### ***Reading, class activities, assignments, and examinations***

Materials for this course, including the course syllabus, are posted on the Canvas web site for this class. Assigned reading and hands on exercises, as stated in the class schedule, must be completed thoroughly. It is the student's responsibility to make sure their assignments and examinations are submitted on time and can be read by the instructor.

Assignments, examinations, and projects must be completed by the due date or risk losing 5% credit per day for that assignment for each day late.

Class activities are the activities conducted during class meetings. Each class activity is worth 25 points. Students must attend the class to earn class activity points.

### ***Examinations and quizzes***

All examinations and quizzes must be completed individually in the classroom on their designated dates during class.

Collaborations are not allowed on any of the examinations or quizzes

The materials for quizzes are directed readings, handouts, and lecture information

All quizzes are closed book/closed notes

One makeup examination is allowed with the instructor's advanced approval and must be completed within two days after the exam date.

No makeup class activity is given

Late assignments will be assessed a 5% daily penalty

**Grading scale**

90 – 100%	A
80 – 89 %	B
70 – 79 %	C
60 – 69 %	D
59 % and below	F

**Various policies**

Campus code requires that shoes or sandals and appropriate attire be worn at all times on campus. Cheating and plagiarism will be treated according to the policy specified in the Course Catalogue of Reedley College.

A student will be subject to discipline if he or she:

- Prevents other students from pursuing their authorized curricular or co-curricular interests.
- Interferes with or disputes faculty and administrators who are fulfilling their professional obligations
- Prevents classified employees from fulfilling their prescribed duties.
- Deliberately endangers the safety of persons or the security of college property
- Violates [SCCCD Computers and Networks Usage Policy](#).
