

# Math 201 95619 Elementary Algebra

Instructor: Mr. Ron Reimer Meeting Times: MW 1:00–3:15 pm Room: CCI 201 Course ID: reimer93175	Office: FEM 1F Office Hours: TTh 9–10am, W 12-1pm Email: <a href="mailto:ron.reimer@reedleycollege.edu">ron.reimer@reedleycollege.edu</a> Phone: 638-0030 ext 3355
---	---

**Catalog Description:** This is a first course in elementary algebra, including algebraic expressions, linear equations and inequalities, linear equations and inequalities in two variables, exponents and polynomials, factoring, and rational expressions.

**Advisories:** Math 256 and eligibility for English 126

**Prerequisites:** Math 250 or equivalent

**Objectives:** In the process of completing this course, students will:

1. recognize the real number system, its subsets and how to perform operations on numbers from these subsets.
2. simplify algebraic expressions and solve linear equations and inequalities
3. graph linear equations in two variables and solve systems of linear equations.
4. simplify expressions using the properties of exponents and perform operations with polynomials.
5. factor algebraic expressions and solve equations of degree greater than one.
6. perform arithmetic operations on rational expressions and solve equations containing rational expressions.

January 11	W	Deadline to register and login to MyMathLab, you may be dropped if you do not have a MyMathLab account on this day
January 16	M	Martin Luther King Jr Day, Campus Closed
January 26	Th	Must have a paid MyMathLab account or you may be dropped from this course
January 26	Th	Must have a minimum overall homework completion of 65% or you will be dropped from this course
January 30	M	Census, last day to drop a SPRING 2017 full-term class to avoid a "W" on Webadvisor, students with more than 3 absences may be dropped
February 17-20	F-M	Presidents Weekend, Campus closed
March 10	F	Last day to drop a full-term class (letter grades assigned after this date)
April 10-14	M-F	Spring Recess, Campus Closed
May 15	M	Final Exam, 1:00–2:50 pm, CCI 201

**Required:**

- MyMathLab Access Code, this includes an e-book but does not include a physical paper book, a physical paper book is not required
- access to a computer with high speed internet access
- a non-graphing scientific calculator is optional, the TI-30XIIS is recommended, any will work. Phones and graphing calculators may not be used on exams. No calculator can be used on chapter 1 exam.
- graph paper
- straight edge

**Optional Text:** Woodbury, Elementary & Intermediate Algebra 4E

**Attendance:** In order to maintain continuity of subject matter regular attendance is imperative in any academic course. You are expected to attend all class sessions, arrive on time and stay for the entire session. If you have accumulated more than 3 absences at census or more than 10 absences on the last day to drop this class, you may be dropped from this class. Do not be late to class. If you are not present when role is taken you will be marked absent, it is your responsibility to inform me if you arrive after role has been taken.

**Homework:** Homework assignments will be accessed and submitted online in MyMathLab. Assignments will be assigned a section at a time from the text. Assignments will be due no earlier than the next night at 11:59 pm after the corresponding section is completed in class. Work submitted late will receive 70% credit. Work must be written in a neat, organized way on paper. Work on paper will be collected on a random basis and will count as one homework assignment in your grade.

**Homework Quiz:** An unannounced quiz with questions from previous homework assignments may be given at any time. These quizzes cannot be made up if missed. They will be graded right or wrong and will count as half of a homework assignment in your grade.

**Exams:** Exam dates will be announced at least one week prior to when the exam is given. Exams may not be re-taken.

**Final Exam:** There will be a comprehensive final exam assessing your knowledge of all topics covered in this course at the end of the semester.

**Grades:** Final grades will be calculated based on weighted categories as follows.

Homework	25%
Exams and Final Exam	75%

**Grading Scale:**

90 < A < 100
80 < B < 90
65 < C < 80
50 < D < 65
0 < F < 50

If you have a verified need for an academic accommodation or materials in alternate media (i.e., Braille, large print, electronic text, etc.) per the Americans with Disabilities Act (ADA) or Section 504 of the Rehabilitation Act, please contact me as soon as possible.

**Academic Dishonesty:** Students at Reedley College are entitled to the best education that the college can make available to them, and they, their instructors, and their fellow students share the responsibility to ensure that this education is honestly attained. Because cheating, plagiarism, and collusion in dishonest activities erode the integrity of the college, each student is expected to exert an entirely honest effort in all academic endeavors. Academic dishonesty in any form is a very serious offense and will incur serious consequences ranging from a failing grade on a specific assignment to a failing grade in the course.
