### Written Work Expectations

Proper writing is a basic expectation when someone has earned a college degree, and writing quality does matter as a college student and in the profession as an educator. If you intend to

work with children and families, there will be many times when you need to communicate information that is crucial, including rationale for continued funding for your job and the children and families you serve. It is valuable to you if you are able to communicate through writing and that you used consistent writing mechanics.

The Writing Center (Humanities Building Room 58) offers free writing assistance to students on campus. For more information on all they offer, visit or call Writing Center Information at

638-3641 ext. 3619 or email [rcwritingcenter@reedleycollege.edu](mailto:rcwritingcenter@reedleycollege.edu). Learning to study more effectively will also help with writing, and The Tutorial Center (Library Building LRC 111) has a

variety of services to help you succeed in college through more effective learning strategies. For more information call the Tutorial Center at 559-638-0358
