NR 7 CONSERVATION OF NATURAL RESOURCES

TEXT **Environmental Science**, Cunningham& Cunningham

COURSE OBJECTIVES To gain a better understanding of the use and protection of natural resources and study man's relation with them in an environmental setting.

COURSE **Tests:** Midterm and Final
Discussion Posts: Weekly substantive requirements
Quizzes: as announced
Assignments: weekly requirements

REQUIREMENTS Grades will be based on percentiles of the highest student score in class.

Make-up tests must be taken within one week following the Scheduled exam.
A **substantive post** is defined as consisting of 150 words and including at least one citation (APA format). All academic honesty policies apply to substantive posts.

ATTENDANCE Regular attendance is expected and will be a consideration in assigning a final grade. Attendance is determined by discussion post submissions, both original posts and peer responses

Accommodations for students with disabilities

If you have a verified need for an academic accommodation or materials in alternate media (i.e., Braille, large print, electronic text, etc) per the Americans with Disabilities ACT (ADA) or Section 504 of the Rehabilitation Act, please contact me as soon as possible.
