Office hours: Posted on office door _____

Course Description: Fundamental techniques of badminton. Basic rules and strategy used within singles and doubles play.

Course Objectives:

1. Learn basic rules and strategy of badminton.
2. Improve over-all conditioning.
3. Display good sportsmanship and team play within a competitive environment.

Course Requirements:

1. **Attendance/Participation:** Attendance and participation are very important. Obviously you have to be in attendance to participate. One half (50%) of your grade is based on participation during each class.

Your participation grade will be determined by the number of times you attend class, divided by the total number of class meeting times in the semester. A standard (90%+=A etc.) percentage scale will be used.

Excessive absences will affect your grade and may result in being dropped from class. For each unexcused absence (no dress or no participation) you will not earn credit for that class session.

2. **Examinations:** There will be two written exams which will test knowledge of Basic rules and strategy (mid term and final) and two skill evaluations, one of which is performance in the class. These exams will combine for half (50%) of your final grade. (25% written and 25% skills). A standard (90% +=A etc.) scale will be used.

Final Grade Determination:

<u>Participation:</u>	50%	100-90% = A	69-60% = D
<u>Tests:</u>	50%	89-80% = B	59% below = F
<u>Total:</u>	100%	79-70% = C	

It is the students' responsibility to understand the drop policy written in the Class schedule. _____ - Last day to drop class and receive a refund.
_____ - Last day to drop a class.

9. A positive attitude is always encouraged. Enjoy-have fun!

RC PHYSICAL EDUCATION SYLLABUS

Department Philosophy: Our department will use a “concepts” approach to health and physical education, answering three (3) questions: Why is health and physical education important to every person? How to practice healthful activities given individual abilities and interests? What are the individual’s real needs for lifetime fitness?
