Spanish 1 Course Description (Catalog):

Beginning course in conversational and written Spanish for non-native speakers; intended for students without previous exposure to Spanish. Introduction to pronunciation, vocabulary, idioms, grammar, basic composition, and exploration of the cultures of Spain and Latin America and the Hispanic cultures of the US. (See pg. 7 of this syllabus for Student Learning Outcomes and Objectives as per the Reedley College Credit Course Outline, Spanish 1.)

Spanish 1 Course Description (for this particular section):

This course stresses *communication skills* in Spanish. Much of the practice work will be done in pairs. The goal is for beginning students to acquire minimal conversational ability in Spanish. By the end of the semester you will have studied the present and past tenses. In the process, you will learn certain cultural details. For example, you will learn that there are two ways of saying "you" in Spanish, and they are not interchangeable. It is assumed that you are in this class because you want to learn how to communicate in Spanish. You will not have developed that ability completely by the end of the semester, but you will be surprised at how many communicative skills you will have acquired!

Method of instruction:

Every effort will be made to make this class student-centered. That is, an activity will be modeled, and then you will work in pairs and small groups to assimilate the vocabulary and structures under consideration. You should make every effort to speak only Spanish and to prepare for the classroom learning activities. *Partners who speak English will be separated.*

Specific course goals and objectives:

1. To develop your "survival" language skills.
2. To develop sensitivity to differences and similarities in cultural issues.
3. By the end of the semester, you will be able to:
 - a. when shown a drawing of several actions, describe what is happening
 - b. discuss your habits, vacation plans, describe your home, friends/family
 - c. interview other students to find out their experiences
 - d. tell about your daily routine: the 20-30 things you do in a normal day
 - e. describe other persons and things using appropriate adjectives
 - f. tell some important things you did yesterday, or last summer.

Required:

1. **Vistas 5 edition SE (Looseleaf) VI (1-6)+basic Supersite code (6M)+webSAM (Spanish 1)** for Internet access. Do not purchase a used book –it won't have a valid unused code. It is NOT possible to purchase this code separately online.

Vistas 5e SE(Looseleaf) V1(1-6) + basic Supersite (6M) + webSAM	978-1-68004-262-7	\$134.40
---	-------------------	----------

2. Additional handouts from instructor.
3. Three-ring binder or spiral notebook for taking notes, writing homework assignments, and keeping handouts.
4. Audio headsets for use in the computer lab.
5. Spanish/English dictionary or access to the Internet.

Tests and Grades: Your final grade will be based on the following elements:

Oral Performance 20%: Participation in class is necessary in order to obtain an "A" or "B" grade. Since the emphasis is on development of oral abilities in Spanish, the student must be an active participant. Points are determined by active, on task participation in paired or group activities, arriving in class with homework prepared, volunteering and being prepared when called on, arriving to class on time, etc. Points will be deducted when students are not on task (i.e.: using English).

5 a day (5 al día) 10%: Every day as you walk into the classroom there will be a "5 al día" activity up in the projector, or as indicated. You are to complete the appropriate information in a sheet provided.

Homework 15%: 1) Homework will be assigned daily and it represents 15 percent of your final grade. It is due the next session at the beginning of class and **will not be accepted late**. NO EXCEPTIONS! You may miss up to two homework assignments without penalty (ex. sick days, etc.). 2) In addition, you will be working with the *Vistas Supersite*, and you are to ***submit the on-line assignments by the assigned due date***. Exercises are done online and involve reading, audio and video-based materials. Exercises will be completed and turned in online, as assigned by your instructor, using the *Supersite* course content delivery system. Your instructor collects the grades electronically. You will be required to complete exercises during the lab day. Note: **you will be required to bring the audio headsets to the computer lab on our assigned date. Not having your audio headsets during lab time will result in a deduction of 10 points from your homework grade** (an equivalent of two homework assignments!). Because the main objective of these exercises is practice, grading is largely based on completion of assigned tasks. Most of the online exercises are scored immediately upon submission and you receive instant feedback on your work. If you receive a low score, you can re-do the exercise as many times as you wish until you earn a score you're satisfied with! That will be the grade that counts for our class. 3) Also, you will be working with the **Lab Manual** portion of our worktext; it is due to the instructor at the beginning of the class ***the day of the chapter exam***, and will be part of this grade as well. Lab Manual Activities **will not be accepted late**. NO EXCEPTIONS!

Written & Oral exams 35%: Five chapter tests will be given throughout the semester. These will be at the end of each lesson, approximately every two to three weeks. See tentative schedule. **NO MAKE-UP EXAMS ARE GIVEN.** The tests may be written or oral or a combination of both- this will be announced ahead of time. ***Tests may be graded on selected items or all items.*** Pop quizzes may also be given as part of this grade and may not be announced in advance.

Portfolio Assignments 10%: Throughout the semester, you will be given portfolio assignments. These may include creating a booklet describing and illustrating a passage from your daily life, writing and illustrating a poem or short story, researching and presenting to class an aspect of the Hispanic culture, writing a movie critique etc. Deadline dates as well as further instructions will be provided throughout the semester. No late portfolios will be accepted unless there is an excused absence.

Final Exam 10%: The final exam is not comprehensive; it will only cover Capítulo 6. The exam may be written or oral or a combination of both- this will be announced ahead of time. It is your responsibility to be in class to receive this information. *Exams may be graded on selected items or all items.*

Class attendance: Regular attendance is *Mandatory*. Since the emphasis of this class is in development of oral abilities in Spanish, you must be in class to acquire those skills. Roll will be taken at the beginning of each class period. Attendance and participation in class activities are essential to learning. The teacher reserves the right to drop a student if he/she has excessive absences. More than **one** (1) absence is considered excessive absences. **Each absence over this number will result in your final grade percentage being lowered by 2.** For example, if a student has 92%, at the end of the semester, and was absent 3 times without formal documentation, the final grade percentage would be lowered by four (3-1 = 2x2%=4%). Thus the student would receive an 88%, or B, for the course. Please plan your schedule to arrive on time. Tardiness and leaving class early are disruptive to instructor and class alike; therefore any combination of 2 tardies and/or early departures from class will count as 1 absence and lower your final grade accordingly. Documentation to excuse an absence may be a note from a doctor or authorized medical staff that specifies the dates of the absence(s) as the dates on which doctor's office or hospital visits occurred, or when the student was ordered not to attend school. It can also be a note from clergy for a family emergency, or from the Athletic Director's office in cases where the student participates in college-sanctioned sporting events.

Tardies: You will be marked absent if you are tardy. So, after class (not during class; please do not interrupt class time with this) be sure to see the instructor and change the absence to a tardy. Also, tardiness is disruptive to the class.

Grading scale: 90-100%= A 80-89%= B 70-79%= C 60-69%= D below 60%= F

Your grade will be determined by the following:

Homework	15%
Written & Oral exams	35%
Portfolios	10%
Final Exam	10%
Oral Performance	20%
Warm up Activities	10%

If you do bring them to class, you must turn them **OFF** and put them away during class. While in class, it is required that students be prepared and focused on the task at hand.
- The reading of material that is not relevant to the course during class time will not be allowed. Any student conduct that disrupts the learning process will not be tolerated and may lead to disciplinary action and/or removal from class. Students will be required to work with each other during class in small groups.

Study Hints

1. Whenever you study, do it orally. Pronunciation will improve if you practice aloud.
2. Don't feel you have to sit at a desk to study. Try using the new words to describe people and things you see as you walk or drive.
3. As you prepare for class, get to the point where you can say the utterances without looking at the book.
4. Where possible, study with a classmate. Also, at the beginning of the semester you can register for tutorial help.

Other:

- If you have special needs as addressed by the Americans with Disabilities Act (ADA) and/or need course materials in alternate formats, notify me immediately. Reasonable efforts will be made to accommodate your special needs.

- The Vistas work-text we will be using in the class offers a great Supersite. Go to www.vhlcenral.com, register, and you will find a wide range of online resources including interactive activities, audio, and video.
- Cheating and disruptive behavior are intolerable in an academic environment and may result in an automatic F and/or dismissal from class. Copying someone else's homework or having someone do your assignments for you is cheating.

ACADEMIC DISHONESTY STATEMENT:

“Because cheating, plagiarism, and collusion in dishonest activities erode the integrity of the college, each student is expected to exert an entirely honest effort in all academic endeavors. Academic dishonesty in any form is a very serious offense and will incur serious consequences.” (RC Catalog page 44)

*Schedule is subject to change. Test date changes will be announced. It is your responsibility to be in class to receive this information.
