Wednesday, August 12 at 10:00 am

Wednesday, August 12 at 6:00 pm

If you cannot attend one of these meetings then you should contact me immediately so that we can make arrangements for you to complete the Mandatory Zoom Orientation at another time.

Covid-19 Precautions:

Being that we are in the middle of a pandemic we will need to take precautions to stop the spread of Covid-19. If you feel that you are sick, please isolate yourself and get tested. If you become sick and are having difficulties with completing your assignments, please contact me as soon as possible. It is possible for you to successfully complete the course through a mild illness. I will accommodate you with extended non-penalized due dates if appropriate. Let's stay healthy!

This course is designed to promote critical self-understanding. Students will apply developmental theory to major topics, including developmental problems that occur throughout one's lifespan.
