Class Policies:

1. Student Responsibility

a. Attendance

1. If you are not here when roll is taken – **you are considered absent**
2. When coming in late, please be considerate and inform instructor at the end of class.
3. The instructor has the right to drop students for excessive absences or having 3 consecutive absences.
4. **Student’s engaging in side-bar conversation, texting on cell phones, using personal computer for anything other than taking notes for CHDEV39, or disrupting class, will be asked to leave and lose 10 class participation points.**
5. If you cannot attend class, students are advised to check **Canvas** for handouts.
6. Attending class is for registered students only.

b. Dropping class

1. It is ultimately the student’s responsibility to drop a class they no longer intend to participate in, to avoid receiving an “F” grade.

Academic success

1. In order to succeed at the highest level in college, be sure to utilize the college services that are available. If you need help accessing these resources please inform the instructor and she will help you.
 - a. Tutorial
 - b. Disabled Student Services
 - c. Computer lab
 - d. Library
 - e. Counseling
 2. College success means planning ahead and scheduling everything.
- c. Accommodation for students with disabilities:**
1. If you have any special needs as addressed by the American with Disabilities (ADA) act including alternate media requests, please notify your course instructor immediately. Reasonable efforts will be made to accommodate your special needs.
- d. Respect**
1. Students are expected to manage their schedule and arrive on time.
 2. If you need to leave early; notify the instructor ahead of time.
 3. Because of the large student load, it is helpful to have important questions or comments submitted in writing. A sticky note works well.
 4. **Instructor set-up time** - 10 minutes prior to class beginning is the instructors set up time, therefore individual questions would be better addressed during office hours.
 5. **Instructor schedule** – the instructor may not be able to stay after class on certain days. Please respect the instructors teaching schedule.
 6. **Turn off cell phones during class time.**
 7. **TIMING IS EVERYTHING – use common sense and consideration.**

Class Work: Assignments

All assignments must be typed, double spaced, 12 font. Assignments are to be turned in on time. **Late assignments will result in the deduction of points by 50% and must be submitted within one week past the due date. Assignments submitted after one week will not be accepted. You will also utilize CANVAS for various assignments.**

It is best to turn in the assignment directly to the instructor on the day it is due. Assignments have been lost when a student tries to give it to someone else to turn in for them. Anything not turned in during class is done at the risk of the student. Be sure to keep a copy of all work.

A. Acceptable alternate methods are:

- (1) **Turn in assignments to the receptionist at the college administration building, make sure they stamp the date on it, and they will route it to me.**
 - (2) **No submissions of assignments through e-mail.**
1. **Student Name** – first and last name are required on all written work to receive credit.
 1. **Exams: students are responsible for erasures on scantron type exams.**
 2. Students will be required to read assigned chapters of text and articles given and be prepared for group discussions on the material.
 3. Suggestion: If you are absent, call another student to find out what you have missed. Classmate's name and phone number _____.

4. **Cheating:** Students are expected to conduct themselves according to the *Student Conduct Standards*. Cause for discipline include, but are not limited to:
 - A. Dishonesty, including but not limited to cheating, plagiarism, or furnishing false information to the college.
 - B. Threat of physical abuse on or off college property, of the person or property of any member of the college community or of members of his/her family.
5. Plastic folders for written work make it hard for the instructor to grade the paper and make comments. Please avoid using this type of device.
6. All projects, and papers will be returned during class time. Tests will be viewed for grade and then returned to instructor.

3. Grades:

- a. **Grades are confidential.** I will be happy to discuss grades during arranged hours. Discussion of grades cannot take place in the classroom, while other students are present.
- b. If the instructor has calculated an in progress grade for you during the semester, remember, this is “**IN PROGRESS**”, and the **final grade** may not be the same as the “**IN PROGRESS**” grade, should the student fail to complete the remainder of assignments with the same level of quality.
- c. Always talk to the teacher of record for anything pertaining to this class.
- d. Finals week is too late to notify the instructor of problems. Be sure to talk to the instructor early in the semester, when something **can** be done.
