Accommodations for Students with Disabilities

If you have a verified need for an academic accommodation or materials in alternate media (i.e.: Braille, large print, electronic text, etc.) per the Americans with Disabilities Act (ADA) or Section 504 of the Rehabilitation Act, please contact me AND the **DSPS office - ext 3332** as soon as possible.

Please see the Reedley College catalog for clarification of issues and additional guidelines.

Internet and E-mail access

- Access to broadband Internet is required. If you do not have an Internet connection, you may use the resources in the Reedley College Library or at other computer labs on campus.
- **An email address is required for all students.**
If you do not already have one, please either obtain an email address through the RC Library – or any one of the many free email services out there (Gmail, Yahoo, etc.).
- Make sure your e-mail address is updated in the Canvas system. I use Canvas to send out information for the course including opportunities for extra credit and reminders about large assignments.
- Please note: I teach multiple courses (and multiple sections of some courses) so I have some rather strict rules about email. They are as follows:
 1. Before you e-mail me, post a question on the Course Questions discussion board. If you don't hear from me there within 48 hours or your question pertains to confidential information, follow the steps below.
 2. *Use the subject line correctly. If your e-mail does not have the required information in the subject line, your email will not be read. Each e-mail you send to me must include the following subject line:
Course number, your first and last name, and the subject you are writing about

For example, if I was a student in BA 39 (Finite Math), the subject line on my email would be as follows: BA 39 Andrew Shinn Question about homework
 3. Use the spell checker.
 - a. Your e-mail messages represent you. Be accurate and be professional.
 4. Use proper grammar.
 - a. Make a habit of constantly improving the way you communicate.
 5. Do not type in all capital letters. That is the same as yelling.

Please remember that you are in training for your professional career. One of the best places to start practicing is in this class.
