COURSE DESCRIPTION:

This course is taken simultaneously with Health 15 and provides practicing skills in the field and/or work site. A requirement of **6 hours per week** is needed to fulfill the requirements of this course. This may mean at least 10 encounters or 30 hours of clinical interpretation (lab time) must be documented. Students must submit necessary paperwork to document time spent practicing their interpreting skills and must turn in documentation on a weekly basis.

PREREQUISITES: Student must pass Health 14 with a grade of C or higher and be enrolled in Health 15 class concurrently. To take Health 16, student must have completed Health 14 successfully within 2 years prior enrollment in Health 15 and 16.

Recommended Textbooks:

The Interpreter's Rx : A training program for Spanish/English medical interpreting, Holly Mikkelson. Published by ACEBO - ISBN-13: 978-1880594117

STUDENT LEARNING OBJECTIVES (SLO):

- Discuss and demonstrate understanding of the interpreter roles and the scope of practice relative to other health care professionals in the assigned agency
- Demonstrate competence if professionalism e.g. time management, leadership skills, interpersonal skills and communication skills
- Apply conflict management skills in the workplace
- Develop public speaking skills by doing presentations in class and seeking opportunities to educate community members. Students will gain confidence by doing mock interviews
- Develop written communication skills that would prepare students for the fieldwork. Students will learn to create a professional portfolio including but not limited to, cover letter, resume, reference letter, and email etiquette
- Practice cross-cultural sensitivity and communication skills with colleagues/patients
- Acquire significant interpreting experience by conducting role plays, and personal encounters at clinics, hospitals, community-based organizations and nonprofit organizations

HEALTH 16 – HEALTHCARE INTERPRETING FIELD WORK EXPERIENCE - COURSE SYLLABUS

STUDENT LEARNING OUTCOMES:

Upon completion of this course, students will be able to: 1) fully understand the roles and responsibilities of a health care interpreter with application to actual situations, 2) being able to foster relationships with different healthcare professionals, 3) be sensitive and understanding and be able to have insight in linguistic and cultural nuances and communicate these to the health care provider, 4) Apply and implement other knowledge and skills in the art of interpretation. 5) Understand the importance of developing/sharpening their interpersonal skills as well as communication, leadership and problem-solving skills.

COURSE MATERIALS and SUPPLIES: Computer and Internet access, 2” Binder, highlighters, pencils, headphone, voice recorder, & 2021 calendar.

METHODOLOGY: Students will be expected to be prepared to interact in class as individuals and as groups. Students will be expected to turn in proper documentation for field work experience and do assigned homework for class. Healthcare Interpreting Case Presentations are a vital factor in Health 16.

ACCOMODATIONS FOR STUDENTS WITH DISABILITIES:

If you have a verified need for an academic accommodation or materials in alternate media (i.e., Braille, large print, electronic text, etc.) per the American’s with Disabilities Act (ADA) or Section 504 of the Rehabilitation Act, please contact your instructor as soon as possible.

DROP POLICY:

18-week courses have a drop deadline in the 9th week. Short-term classes have a drop deadline of 4 1/2 weeks. However, the instructor may drop you at any time after 1) Not attending mandatory orientation, 2) The first quiz, and/or 3) Having three (3) consecutive unexcused absences or any absences in the first week of class.

ATTENDANCE:

Student must attend at least 15 weeks of class in order to pass this course which means that a student may only miss a total of 3 classes due to sickness (doctor’s note required), family emergency or usual hardship.

REMOVAL FROM CLASS:

Instructor(s) shall be in charge of their classes and students are under obligation to respect the authority of each instructor. Reedley College’s Student Code of Conduct Policy (Based Policy 5520 and Educational Code 76032) authorizes an instructor to remove a disruptive student from his or her class for the day of removal and the next class meeting. The instructor shall immediately report the removal to the Vice-President of Student Services. During the period of removal, a student shall not be returned to the class from which he or she was removed without the concurrence of the instructor of the class. Students are responsible for their conduct. Failure to adhere to the college’s standards will result in disciplinary action. The college reserves the right to exclude at any time a student who violates student conduct standards and/or in not taking proper advantage of the opportunities offered. Reedley College reserves the right to exclude any time a student who, in the judgment of the administration, is not taking proper advantage of the opportunities offered.

ACADEMIC DISHONESTY - CHEATING AND PLAGIARISM:

(Please see the Reedley College catalog for school policies)

“Cheating is the actual or attempted practice of fraudulent or deceptive acts for the purpose of improving one’s grade or obtaining course credit; such acts also include assisting another student to do so. Typically, such acts occur in relation to examinations. However, it is the intent of this definition that the term ‘cheating’ not be limited to examination situations only, but that it include any and all actions by a student that are intended to gain an unearned academic advantage by fraudulent or deceptive means. Plagiarism is a specific form of cheating that consists of the misuse of the published and/or unpublished works of others by misrepresenting the material (i.e., their intellectual property) so used as one’s own work.” Penalties for cheating and plagiarism range from 0 to F on a particular assignment, through an F for the course.

INTERNSHIP OBJECTIVES

- ✦ **SKILL DEVELOPMENT** - Apply what you learn in the classroom. Learn to work as part of an organization/team. Learn and improve specific skills (interpretation, writing, verbal, and computer).

- ✦ **BROADER KNOWLEDGE** - Gain self-confidence and interpersonal relationships. Develop a better understanding of the role of the interpreter in the medical room

- ✦ **PERSONAL DEVELOPMENT** - Develop values, ethics, assertiveness, and decision-making abilities. Know when not to take an assignment.

FIELD WORK EXPERIENCE REQUIREMENTS:

The student is required to provide at least 30 Hours of significant interpretation within one semester in his/her assigned agency. In addition, he/she is required to complete classroom activities/consultation with the instructor/coach. Significant interpretation encounters involve providing medical related interpretations in person at a minimum of 10-15 minutes per encounter.

EVALUATE THE SUCCESS OF THE EXPERIENCE:

- Site supervisor does evaluation of student. The site supervisor determines if the student met the objectives and the quality of the intern’s work. Assessment of work attitude is important along with suggestions for improvement.
- Self-evaluation of student. It is important for students to reflect on the learning experience in a structured way and be able to identify areas of strengths and opportunities for improvements.
- The INSTRUCTOR does the final Evaluation of student. The final evaluation and awarding of credit to the student will be based on the contacts the instructor has had during internship and on the final evaluation by the supervisor and the student. The student will keep a journal and document all health care related interpretation encounters as proof of internship. Instructor will meet with each student’s assigned site supervisor for a performance review.
