VHL Central Assignments

Each lesson in VHL Central will have formative activities that will assess your listening, reading and writing assignments. You will also watch cultural videos and read articles, and you will answer comprehension questions. More specifically, VHL Central includes the following sections: Presentation and Tutorials, Practice, Workbook, Video Manual and Lab Manual Practice, that will take you step-by-step through each lesson. This process is fundamental to your success and includes a short introduction to the broad content; lively presentations of key topics and content; brief comprehension checks; abundant opportunities for practice and for using the content in context through chat and finally an opportunity to self-evaluate using the *Recapitulación* (practice exam), that specifies what you are expected to be able to accomplish after completing the chapter.

- Your weekly VHL Central Assignments **need to be submitted every Friday night by 11:59 pm PST/PDT** and new ones will be assigned every Monday morning.

VHL Central Oral Assignments

Every lesson in VHL Central has required **speaking/video assignments** to be completed individually or with a partner. These assignments will be scaffolded to help you communicate using the newly acquired language skills. They will be graded with a rubric that evaluates task completion, comprehensibility, pronunciation, intonation, as well as vocabulary and grammatical accuracy.

IMPORTANT! Try your own personal best in oral assignments. It is very easy to tell when someone is cheating on camera. It is easy to see eyes moving across a screen or looking down or side to side to check your notes, so please don't try it. There is a zero tolerance for cheating. Prepare for the assignments and look directly into the camera. I do not want to have to give anyone a zero if I suspect that you are cheating. Check Modules for VHL Central Oral Assignments due dates.

IMPORTANT! The Oral Assignments, which require you to record your voice, will receive a grade of zero (0) if you record surrounding noise such as music or other people speaking in the background, rather than your own voice with appropriate responses. Additionally, if your recording demonstrates that someone in the background helped you with an assignment or if you record vulgar language, disciplinary actions will be initiated for academic dishonesty and/or misconduct done on your part.

Google Classroom Compositions / Class Discussions

Compositions / Class Discussions will be assigned in Google Classroom throughout the semester. Your grade will be based on the breadth and accuracy of grammar and vocabulary, and your correct use of punctuation and accents.

IMPORTANT! The use of machine translators for graded assignments is prohibited and constitutes academic dishonesty unless expressly allowed for a particular assignment by the instructor. Please

consult the grading rubric on each assignment. Check Modules for Compositions / Class Discussions due dates.

VHL Central Tests

You will be taking a Test at the end of each unit. This is designed to match the objectives and student outcomes, and may include listening comprehension, vocabulary, grammar, reading comprehension, culture, and/or writing. You will take each Test on VHL Central. These are timed tests, and you will have only one attempt to complete during assigned days (please see calendar). If you don't complete the Test by the deadline, you will receive a grade of zero (0) on the Test. **Students are not allowed to make up Tests.** Check full semester schedule for VHL Central Tests' dates.

VHL Central Final Exam

At the end of the semester, you will complete a final exam on VHL Central that will cover Module 1 to Module 5, and only part of Module 6. **Students are not allowed to make up the Final Exam.** Check full semester schedule for VHL Central Final Exam date.

Late Work Policy

You will know the due dates of assignments and exams for this class well in advance. All work, however, must be completed on time. Extra work or makeup work will not affect your grade. For VHL Central

No exceptions. Please do not ask. No late Tests or Final Exam accepted. If you have an emergency, contact me *before* the due date. Examples of emergencies constitute a car accident or a heart attack. A planned vacation or a birthday party do not fall into an emergency category.

Etiquette

Etiquette is extremely important. We must show respect to one another at all times. Rudeness and disrespect will not be tolerated in this course. Whenever possible, give constructive criticism and treat others the way you would like to be treated.

General Notes on Assignments and Academic Honesty

- Usage of English: For assignments, you should only use English when it is EXPLICITLY requested. If a language is not specified, use Spanish.
- Accented Characters: Make sure to use accent marks when needed. They are within the VHL Central exercises and they constitute an important part of the language.
- Original Work: The assignments represent opportunities for you as a student of Spanish to demonstrate your acquired knowledge of the material we have covered. Your work should be wholly original, and only your instructor should provide feedback and corrections on it. While you may use online dictionaries to look up words and expressions, you **may NOT use online translators** to translate whole sentences. Assignments that contain structures that have not been covered in the course or phrases that have been copied from elsewhere will only receive partial credit. In some cases, if appropriate, you will be asked to redo the assignment. Academic dishonesty also includes cheating or using unauthorized devices during quizzes, exams or the preparation of writing projects. Egregious cases will be forwarded for disciplinary action. Penalties for academic dishonesty range from an "F" on an assignment to dismissal from the course and/ or the college.

Equity Is Important

Outside of instructional requirements, there are two key goals for me with this class. My first goal is to celebrate the diverse nature of our college and community. I will do my best to present materials and activities that are respectful and celebratory of this diversity including: gender identify, sexual orientation, ability, age, socioeconomic status, residence status, ethnicity, race, nationality, religion, linguistic background, and culture.

My second goal is that all students feel welcome, have their needs met, and feel respected both in and outside of this class. I will work to create a classroom atmosphere of trust and safety to meet this goal. But I will need your help in this work. It is critical that each of us show respect for all worldviews expressed in class whether it be by a classmate or via class materials, even and especially when we may not agree or may not feel comfortable with those views. Please let me know if something is said or done in or out of the classroom, by myself or other students, that is troubling or causes discomfort or offense. We should never ignore these situations and in some cases, we can use these situations as a learning experience. If you're not comfortable talking with me directly, please feel free to email or message me through Canvas or contact your counselor or another trusted faculty member to help with the conversation.

Please remember that this does not mean this is a safe place for hate speech, racism, prejudice, stereotyping, sexism, ablism, ageism, or other comments/actions that intentionally hurt people. These comments will not be tolerated and may be reported.
