

Spring 2022

MAG 44
Agriculture Welding Fabrication
Syllabus

Instructor: Scott Johnson

Department: Industrial Technology

E-mail: scott.johnson@dinuba.k12.ca.us

Phone 559-595-7220

Office Hours: By Appointment Only

Classroom: 307

Location: Dinuba High School

Term: Spring 2022

Section Number: 59163

Class Meeting: Mon – Fri 9:10 – 10:00am

3 Unit(s)

2 Lecture hour(s)/week

3 Laboratory hour(s)

18 Weeks

90 Total number of contact hour

Prerequisites:

Advisory: English 125, 126, and eligibility for Mathematics 201

Course Description:

Course Goals and Student Learning Outcomes:

Upon completion of this course, students will be able to:

-  Use acquired knowledge and skills to design equipment and tools.
-  Use acquired skills to fabricate equipment and tools from a set of designs.

Objectives:

In the process of completing this course, students will:

-  Demonstrate proper safety welding procedures relating to welding and fabrication.
-  Prepare metal and material for welding.
-  Demonstrate the proper cutting techniques used to cut metal.
-  Demonstrate proper welding techniques using shielded metal arc welding (SMAW) and gas metal arc welding (GMAW).
-  Select proper materials and supplies to construct a project.
-  Develop basic drawings and materials lists.
-  Select and order appropriate materials.
-  Understand the terminology associated with welding fabrication.

Required or Recommended Textbooks and Materials:

Required Text:

A. Textbooks:

1. **Recommended:** John Deere Publishing. Welding, 9th ed. Moline: John Deere Publishing, 2008

B. Materials Other than textbooks:

1. **Recommended** instructor-prepared materials
2. **Recommended** Various Internet Resources

Students Responsibility:

Lecture Content:

- Shop safety and orientation
- Welding Safety
- Introduction into joining and cutting metal
- Review of SMAW
- Review of GMAW
- Cutting metal
- Designs
- Properties of Metal
- Designs of welded units
- Project Plan Design
- Bill of Material
- Finishing a fabrication project

Lab Content

- Safety orientation LAB
- GMAW Welding LAB
- SMAW Welding LAB
- Cutting/Fitting LAB
- Project Plan LAB
- Bill of Materials LAB
- Project LAB

Tentative Schedule:

	Topic/Unit
 Week 1-	Safety and Shop Organization
 Week 2-	Project Design
 Week 3-	Project Materials and Material Ordering
 Week 4-	Project Materials and Material Ordering
 Week 5-	Project Plans
 Week 6-	Project Marketing
 Week 7-	Project Cutting
 Week 8-	Project Layout
 Week 9-	Project Layout
 Week 10-	Project Electrical and Hydraulic Applications
 Week 11-	Project Fabrication
 Week 12-	Project Fabrication
 Week 13-	Project Fabrication
 Week 14-	Project Fabrication
 Week 15-	Project Prep for Finishing
 Week 16-	Project Finishing
 Week 18-	Project Finishing

Subject to Change:

This syllabus and schedule are subject to change. If you are absent from class, it is your responsibility to check on any changes made while you were absent.

Evaluation:

Students will be evaluated on the basis of their performance on quizzes (announced and unannounced), written assignments, unit tests, lab projects and final examination according to the following scale. The instructor reserves the right to adjust scores as it may be required throughout the semester.

Class Participation	25%
Written Assignments	12.5%
Tests & Quizzes	25%
Projects	25%
Final Exam	12.5%

Your grade in this course will be based on the following scale:

- A – 90 – 100%
- B – 80 – 89%
- C – 70 – 79%
- D – 60 – 69%
- F – 59% and below

Attendance

Lecture: Attendance is required and roll will be taken at each class meeting. There is no difference between an “excused” or “unexcused” absence. A “tardy” is considered an absence unless the student contacts the instructor at the end of class to change the status from absent to tardy. Two tardies will count as an absence. Any student who misses more than two weeks of class meetings within the first 9 weeks of class may be dropped from the class by the instructor (i.e., class meets two times per week, 4 absences; class meets 1 time per week, 2 absences).

Lab: Attendance in all labs is mandatory. Students must make prior arrangements with the instructor to be excused from lab. At that time, the instructor will determine, if any, make-up work will be appropriate.

Quizzes: There will be no make-ups for quizzes.

Tests: Make-up tests are limited to students who have made arrangements with the instructor prior to the required testing period or those students who have been excused by High School Attendance Office. Test material is constructed from class discussions, assigned readings, guest lectures, video presentations, and special assignments. Tests will consist of true/false and multiple choice questions. Unless the student receives prior approval from the instructor, no make-up tests will be allowed.

Grading Policy/Scales/Evaluation Criteria

For maximum point consideration, all written assignments and term reports should be typed and double-spaced. Lecture assignments (homework) will be accepted late up to the test for that unit of the course or 2 weeks past the deadline, whichever is sooner; however, late assignments will be penalized 1/5 of the possible points. Late laboratory assignments turned in within one week of the required due date will be accepted with a penalty equal to 1/5 of the maximum points. Any lab assignment turned in after that time up to the last regular class meeting will be accepted with a 50% penalty.

College Policies:

Cheating & Plagiarism

In keeping with the philosophy that students are entitled to the best education available, and in compliance with Board Policy 5410, each student is expected to exert an entirely honest effort toward attaining an education. Violations of this policy will result in disqualification for the course.

Cheating is:

- A. Copying someone else’s class work or letting someone copy you, when your teacher tells you that the work is to be done on your own (includes asking/telling orally).
- B. Copying answers on a test or letting someone copy from your test (includes asking/telling orally).
- C. Using a cheat sheet or unauthorized notes.
- D. Turning in someone else’s work as your own.
- E. Text messaging and multi-media messaging.

Consequences, Per School Year:

1st Offense - The teacher shall send a referral to office. Student shall receive an “F” or zero on the work or the test and a one (1) day suspension or Saturday School, parent contact required.

2nd Offense - The teacher shall send a referral to the office. The student shall receive an “F” or zero on the work or the test and a one (1) day suspension with parent contact required. Student placed on honesty contract. A high school student shall be removed to a study hall/or alternative class with a “W/F” for the semester.

3rd Offense - Recommendation for transfer.

Instances of cheating need not be confined to one (1) class. Each of the three (3) offenses could happen in a different class. Any student who is transferred to a study hall/or alternative class and then required disciplinary removal from the study hall/or alternative class shall be transferred to an alternative school site/program.

Each student is expected to assist in the overall environment of the classroom making it conducive to learning.

Accommodations for Students with Disabilities

If you have a verified need for an academic accommodation or materials in alternate media (i.e., Braille, large print, electronic text, etc.) per the Americans with Disabilities Act (ADA) or Section 504 of the Rehabilitation Act, please contact the instructor as soon as possible.

Reedley College is committed to creating accessible learning environments consistent with federal and state law. To obtain academic adjustments or auxiliary aids, students must be registered with the DSP&S office on campus. DSP&S can be reached at (559) 638-3332. If you are already registered with the DSP&S office, please provide your Notice of Accommodation form as soon as possible.

Work Ethic - Most students are enrolled in college classes to obtain a quality job or to enhance their skills for advancement with their current employment situation. Employers look for a punctual, responsible individual who is prepared to go to work. Our goal is to replicate the workplace environment where a student can develop and demonstrate these desirable traits.

- **Punctual:** It is customary to arrive at least 5 minutes before work begins. Individuals will be terminated if they are not punctual.
- **Responsible:** It is expected that an employee works every scheduled work day. Individuals will be terminated if they are not responsible.
- **Prepared:** It is expected that an employee be prepared when he/she arrives for work. Students must have work shirts, safety glasses, and appropriate footwear to participate in the laboratory. If a student is not prepared, he/she cannot participate and will receive a zero (see “responsible”).

Language - English is expected to be spoken in class for the following reasons:

- All course content and materials are presented in English and class discussions all take place in English.
- All lab activities are conducted in groups and must have effective communication between all group members.
- Activities can be hazardous and it is vital that instructors receive feedback in English to ensure safe practices.
- This policy is designed so that instructors and all students may communicate in a common language.
- All individuals must have freedom of expression and are allowed and encouraged to communicate in the language of their choice outside of class times, including breaks.

Behavioral Standards

- Each student is responsible for his/her own work. Written assignments are not group assignments and no credit will be awarded for students who turn in the same work. Students suspected of cheating on tests and quizzes will receive no credit for that particular assignment and may be removed from the class.
- It is considered polite to turn off cell phones when in the classroom or shop. Please do so.
- There is no smoking, chewing tobacco, alcohol, or drugs allowed in classrooms, shops, or school vehicles.
- This class is set for the semester. All doctor’s appointments, interviews, meetings with counselor, and other types of appointments should be scheduled during your time outside of class.

Important Dates for Spring 2022

DATE	DAY	EVENT / DEADLINE
3-Jan	(M)	Campus re-opens after Winter Break
7-Jan	(F)	Last day to add a full-term Spring 2022 class in person or online through WebAdvisor 5:00 p.m.
10-Jan	(M)	Start of Spring 2022 semester
Jan 10 - Mar 11	(M-F)	Short-term classes, first nine weeks
17-Jan	(M)	Martin Luther King, Jr. Day observed (no classes held, campus closed)
21-Jan	(F)	Last day to drop a Spring 2022 full-term class for full refund
28-Jan	(F)	Last day to register for a Spring 2022 full-term class in person w/ authorization code
28-Jan	(F)	Last day to drop a Spring 2022 full-term class to avoid a "W" in person
30-Jan	(Su)	Last day to drop a Spring 2022 full-term class to avoid a "W" on WebAdvisor
30-Jan	(Su)	Last day to add a Spring 2022 full-term class with an authorization code on WebAdvisor
18-Feb	(F)	Lincoln Day observance (no classes held, campus closed)
21-Feb	(M)	Washington Day observance (no classes held, campus closed)
11-Feb	(F)	Last day to change a Spring 2022 class to/from Pass/No-Pass grading basis
1-Mar	(T)	Deadline to apply for graduation for Spring 2022 completion
11-Mar	(F)	Last Day to drop a full-term class (letter grades assigned after this date)
Mar 14 - May 20	(M-F)	Short-term classes, second nine weeks
Apr 11 – April 15	(M-Th)	Spring recess (no classes held, campus open)
15-Apr	(F)	Good Friday observance (no classes held, campus closed) (classes reconvene April 18)
May 16-20	(M-F)	Spring 2022 final exams week
20-May	(F)	End of Spring 2022 semester/commencement
30-May	(M)	Memorial Day holiday (campus closed)

** Withdrawal (W): A student will be assigned a grade of "W" for classes dropped on or after 20 percent of the duration of the class, up to and including 50 percent of the duration of the class. After the 50 percent point, the student must receive a letter grade other than a "W" (i.e., A, B, C, D, F, I, P, NP). Check with your instructor for the deadline applicable to your class.
