Approval of Minutes

The minutes of the regular meeting of January 13, 2011, were presented for approval.

Roll Call Vote to Add
Emergency Item [11-11]
to Agenda

Chancellor Blue reported that prior to the meeting proposed Resolution 2011-02 was distributed to the members of the Board and members of the public. The resolution deals with contracting for repair and remediation work to address the flood damage in the Health Sciences building at Fresno City College that was discovered the morning of January 31, 2011. It was not included on the agenda posted in the previous week, but nevertheless, it is appropriate for the Board to consider and act upon it at this time.

Roll Call Vote to Add

Section 54954.2(b)(2) of the Brown Act provides an exception to the general rule that no action or discussion may be undertaken on any item that does not appear on the posted agenda. Where there is a two-thirds vote of the Board determining that there is a need to take immediate action on a matter that came to the

Emergency Item [11-11]
to Agenda
(continued)

District's attention after the posting of the agenda, the Board may discuss and act on an item not on the posted agenda.

In the present case, there is an immediate need to begin the restoration work in the dental lab to make sure that we minimize the impact of this flooding on the progress of our students and on the building. There is no alternative dental lab available in the District. The proposed resolution to be considered will allow the District to contract in the most rapid and efficient manner for the work necessary to bring that lab back online. Finally, it is clear that the other requirement of the Brown Act has been met, that is, this situation only came to the attention of the District after the posting of the agenda. The agenda is posted the week prior to the meeting, and the flooding was only discovered the day before the meeting.

The Board must vote by 2/3 to approve the addition to the agenda. Then, assuming the addition to agenda passes, later in the meeting the Board will consider the resolution itself.

A motion was made by Mr. Patterson and seconded by Mr. Nishinaka to add Resolution 2011- 02 to the February 1, 2011, agenda, pursuant to the requirements of Brown Act section 54954.2(b)(2). Nina Acosta conducted a roll-call vote, as follows:

Isabel Barreras	- Yes
Richard Caglia	- Yes
Ron Feaver	- Yes
Ronald Nishinaka	- Yes
Willie Smith	- Yes
Pat Patterson	- Yes
Dottie Smith	- Yes

Chancellor's Report

Dr. Blue reported the following:

- She attended the celebration of African American History Month. A group of students from Martin Luther King Elementary school performed traditional African dances.
- She recently returned from the Community College League Legislative Conference. Board members attending the conference were: Isabel Barreras, Richard Caglia, Ron Feaver, Pat Patterson and Dottie Smith. Trustee Dottie Smith attended Saturday's workshop for Board chairs.

Attendees received updates on the extreme fiscal crisis California is experiencing. The message delivered to community colleges was that they are going to have to rethink how educational services are delivered.

Outstanding speakers included Dwayne Matthews from the Lumina Foundation for Education, who delivered a thought provoking presentation. Matthews challenged the attendees to dramatically increase the number of students earning degrees and restore the United States as one of the leaders in higher education.

Another great presentation was made by Gary Nichols from the Fresno City College Financial Aid Department on their outstanding Free Application for Federal Student Aid completion rates. FCC financial aid recently was visited by the Legislative Analyst Office to learn the processes they use and to share FCC's best practices with other colleges throughout the state.

Dr. Blue and Board members had meetings with representatives, including Assembly members Perea, Berryhill, Block, and Fong and Senator Lowenthal. The Legislature is asking for creative ideas to help California's Community colleges deal with the fiscal crisis.

- Dr. Blue thanked Fresno City College and the Foundation for the OAB ribbon-cutting and celebration. She thanked Board members Dottie Smith, Ron Feaver, Richard Caglia, Ron Nishinaka, Pat Patterson and student trustee Tony Capetillo for attending the event.
- Dr. Blue recognized Dr. Teresa Patterson to present information on the upcoming Wall of Honor Event.

Chancellor's Report

Dr. Patterson stated that in 1996 Dr. Bill Stewart reached out

- Dr. Blue reported that Glen Foth, District Ground Services Manager, was appointed to the Agricultural Pest Control Advisory Board. This is a state-wide advisory board to the California Department of Pesticide Regulations. Glen joins Tim Smith, Plant Science instructor from Reedley College, on the Board.
- Dr. Blue reminded the Board about the February 22, 2011, Budget Study Session at the Clovis Center at 4:30 p.m.

Classified Senate Report

Ernie Garcia, FCC Classified Senate President, reported the following:

- Fresno Classified Senate had their first meeting on January 19th, 2011. The main topic of discussion was the Governor's proposed budget and the possible impacts to the District. The Senate continues its representation on campus and District committees, including the upcoming screening committees for the FCC President and Vice Chancellor of Finance and Administration. Several classified professionals are very involved with the accreditation process by serving as co-chairs for various standards.
- The Senate will be focusing its fundraising efforts with the Red Carpet Car Wash tickets. One idea that will be put before the Senate is to use some of the funds to provide scholarships for classified professionals for continuing education.

students, it will also have to cut faculty, staff and administration.

Student Trustee Capetillo asked if the budget information could be formatted for students to understand. He said students will be more likely to vote in the upcoming June election if they understand the issue. The college presidents will work with their campuses to get the information out to the students. Ms. Barreras stated the Community College League of California is also working to get the information to the students.

Ms. Smith stated that further discussion will take place at the scheduled Budget Study Session on February 22, 2011.

Consent Agenda
Action

Before proceeding with the consideration of the Consent Agenda, President Smith recognized Ms. Barreras for a procedural matter. Ms. Barreras requested Consent Agenda Item 2 (11-04HR) be removed from the Consent Agenda and considered separately.

Ms. Smith acknowledged Ms. Barreras' request and stated that Consent Agenda Item 2 would be considered separately. Ms. Smith asked for a motion to approve the Consent Agenda as amended, excluding Item 2.

It was moved by Mr. Smith and seconded by Mr. Patterson that the Board of Trustees approve Consent Agenda Items 11-03HR and 11-06G through 11-17G, as presented. The motion carried unanimously.

Ms. Barreras stated that since she has recently completed a temporary internship with CSEA, the exclusive bargaining representative for the classified employees of the District, she must recuse herself from consideration of these matters as they may involve CSEA's representation of classified employees. She also noted that later on in the agenda there are closed session items for conference with the labor negotiator regarding the District's ongoing labor negotiations with CSEA and the police and faculty bargaining unit. She recuses herself from that portion of closed session Item B concerning the CSEA contract and from the salary and medical benefits provisions of the faculty and police contracts, and will not participate in those deliberations. She does this to comply with the requirements of the Political Reform Act and to prevent the appearance of conflict, on the advice of the District's counsel.
