## MADERA CENTER

# COLLEGE ADVANTAGE PROGRAM

**The Madera Center College Advantage Program** is designed to help high school seniors with the transition from high school to a successful college experience. The program assists the student with matriculation, class selection, college orientation and educational planning. This helps the student to have a successful and positive first time college experience and receive a head start on achieving their educational goals.

## Challenge yourself and enhance your future.

Here's how:

**STEP 1**

Meet with your High School Counselor

**STEP 2**

Complete a College Application & Part-time student application

**STEP 3**

Provide High School transcripts

**STEP 4**

Sign up for the Assessment Test and Provide Assessment Test score

**STEP 5**

Pay \$16 Student Health Fee

### Enrollment requirements

The following requirements are used to determine placement in the MCCAP program.

- Enrolled as a High School Senior
- Minimum 2.5 GPA required
- Permission/Approval from:
  1. Parents
  2. High School Counselor
  3. High School Principal
  4. College Counselor

### Student Benefits

- MCCAP students attend college classes with other college students
- MCCAP students receive regular progress report monitoring
- MCCAP students earn dual credit—both high school and college credit
- MCCAP students participate in high school activities while earning college credit

*"Early exposure to college classes introduces students to the rigor of college work while increasing their transition from high school."*
