

There Might Be a Scholarship Waiting For You at Reedley College

*Dr. Barbara Hioco
Reedley College President*

Dear Student:

Figuring out how to pay for a college education can be a difficult and stressful time in your life. Did you know that Reedley College offers many scholarships each academic year? In fact, Reedley College students receive approximately \$65,000 in scholarships each year through generous donations from people and organizations in our communities. And some scholarships go unclaimed because many students don't apply, thinking that they won't qualify, when the truth is that there are scholarships available for almost every student.

Reedley College scholarships are made available through our Financial Aid Office and are funded by three main organizations, the *Reedley College Foundation*, the *Reedley College Financial Aid Office* and the *State Center Community College (SCCC) Foundation*. This scholarship catalog contains information about scholarships from all of these organizations, and we have made the application process as easy as possible. All you have to do is complete one application which is used to determine your eligibility for all scholarships available, and you might receive more than one. The Reedley College Financial Aid Office will take care of the rest. The available scholarships and their criteria are listed in this catalog for you to review so that you know what is available. All you have to do is fill out the application completely, either online or in person and send it to the Reedley College Financial Aid Office. Remember the deadline to apply for scholarships is **Monday, May 3, 2010 at 5:00 p.m.**; and you can contact the Financial Office for more information.

Take a positive step toward financing your education.
Apply today!

General Information

WHAT ARE SCHOLARSHIPS?

Scholarships are a financial resource provided by local businesses, community groups, alumni, and a variety of private sources. The funds help to assist students in paying for their educational expenses. Unlike loans, they do not have to be paid back. Scholarships are limited funds and awarded on a competitive and/or special criteria basis. Reedley College offers over 170 scholarships ranging from \$100-\$1,000 through two programs: The Reedley College Scholarship Program and the Reedley College Foundation Scholarship Program.

SCHOLARSHIP REQUIREMENTS

- All applicants **must read, then fully and accurately complete steps one (1) - three (3)** of the application (that apply), using standard spelling, punctuation and grammar. Incomplete applications will not be considered.
- It is not necessary to apply for each scholarship individually. All completed applications received by the deadline, will be considered for the scholarships in which the criteria is met. **However, it is important that you review each of the scholarship descriptions for additional requirements.**
- Proven academic achievement, demonstrated by the cumulative grade point average (GPA), is a major criterion in selecting scholarship recipients. On a 4.0 scale, the minimum qualifying GPA varies based on the individual scholarship criteria. Please refer to GPA requirement under each scholarship description.
- **Admissions Application:** Applicants **MUST** have an Admissions Application on file with the Admissions & Records Office.
- *If you are awarded a scholarship based on a specific course of study, your registered courses and/or major, will be verified before your check(s) is released.*
- *Definition of a Re-Entry student: You are considered a re-entry student if you are an adult returning to school after a 3-year gap in your education, either from high school to college or from college to college. Re-entry students are diverse, ranging from career changers, vocational students, professionals returning to school, displaced homemakers, or welfare to work participants.*

ENROLLMENT CRITERIA

Enrollment will be verified before you receive your scholarship check, if you are selected as a winner. For scholarship purposes only, enrollment is defined as follows:

Full-time enrollment: 12 or more units

Part-time enrollment: Less than 12 units

All RC Foundation scholarships require full-time enrollment.

GRADE LEVEL DEFINITIONS

Entering Freshmen:

- 1) A 2010 high school graduate entering Reedley College as a full-time student (12.0 or more units) for fall.
- 2) A student who graduated high school in 2009 or prior with less than 12 college units completed must provide their high school transcripts with their application.

Freshmen: A student with 12.0 to 23.5 completed college units by the end of spring 2010 and will continue enrollment as a full-time student (12.0 or more units) at Reedley College and/or North Centers (Willow International, Madera and Oakhurst) during the fall 2010 semester.

Sophomore:

A student who will have completed 24.0 to 58.5 units by the end of the spring 2010 semester and will continue enrollment as a full-time student (12.0 or more units) at Reedley College and/or North Centers (Willow International, Madera and Oakhurst) during the fall 2010 semester.

Transfer:

A student who has complete 59 or more units and qualifies for an AA/AS Degree from Reedley College by the end of the spring semester and will be transferring to a four-year institution as a full-time student (12.0 units or more) during the fall 2010 semester.

SELECTION PROCESS

1. Applications are screened for completeness and either accepted or declined.
2. The information provided on the application is then reviewed to determine applicants' eligibility for consideration of all scholarships listed in the scholarship catalog. *If any information on the application changes after you've already submitted it, then you must notify the Financial Aid Office prior to the deadline date to update it before screening begins.*
3. Transcripts, enrollment status and application information is sent to the campus scholarship or donor/sponsor committees for selections to be made. Both recipients/non-recipients are notified.
4. Recipients are invited to attend the Scholarship Awards Reception where they meet the donors and receive their scholarship check(s) if eligible.

MERIT AND NEED BASED SCHOLARSHIPS

Most scholarships offered are merit based and do not consider financial need a criteria. Some scholarships are specifically need based and require that you complete a Free Application for Federal Student Aid (FAFSA). Those scholarships are designated under the scholarship description. All students are strongly encouraged to apply for financial aid by **May 3, 2010**, in addition to completing the scholarship application. The 2010-2011 FAFSA is available online at www.fafsa.ed.gov.

If you are a recipient of an outside award; meaning a scholarship that is not awarded by the Reedley College Financial Aid Office or RC Foundation Scholarship Programs and/or is not listed on your financial aid award letter, you must notify the Financial Aid Office.

ESSAY WRITING TIPS

1. Think before you write. Brainstorm to generate some good ideas then create an outline to get you started.
2. Be original. It's your job to make your essay stand out from the rest so be creative.
3. Show, don't tell. Use examples to individualize your essay and demonstrate your point.
4. Develop a theme. Simply don't list all your achievements. Write about experiences that develop and support your theme.
5. Submit an essay that is neat and readable. Your essay should be double-spaced and typed and should only be one page in length if possible. You may choose to use the online fill-in scholarship application and guarantee your scholarship to be typed neatly and legibly.
6. Proofread your essay! Check your spelling and grammar and share your essay with friends or a teacher. Another pair of eyes can catch errors you might miss.

The Reedley College **Writing Center** can also assist you with your essay!

SCHOLARSHIP SCAMS

"If you must pay money to get money, it might be a scam."

- Legitimate scholarship foundations do not charge application fees;
- Legitimate scholarship foundations cannot guarantee a scholarship;
- If an offer seems suspicious, it's usually with good reason.

The Federal Trade Commission (FTC) cautions students to look for tell tale lines:

- "The scholarship is guaranteed or your money back."
- "You can't get this information anywhere else."
- "I just need your credit card or bank account number to hold this scholarship."
- "We'll do all the work."
- "The scholarship will cost some money."

BEFORE YOU CONTINUE: All applicants **must read, then fully and accurately complete steps one (1) - three (3)** of the application (that apply), using standard spelling, punctuation and grammar. Incomplete applications will not be considered. It is not necessary to apply for each scholarship individually. All completed applications received by the deadline, will be considered for the scholarships in which the criteria is met. **However, it is important that you review each of the scholarship descriptions for additional requirements.**

Step 1: Essay, GPA and Recommendation Form

Autobiographical Essay: Tell us about yourself. Attach a separate sheet of paper (one-page, typed and double-spaced) to your scholarship application. We suggest these topics to help you develop your essay: family background, hobbies, special interests, community involvement, volunteerism, participation in clubs and student activities, special awards and academic achievements. Write about your future plans and overall career goals.

GPA and Grade Level Verification: 2010 high school graduates ONLY - Submit your OFFICIAL high school transcript with this application showing current work in progress. Students who graduated high school in **2009 or prior**, with less than 12 college units completed, must also provide their high school transcripts with their application. Returning College Students - If you have already completed 12 college units from State Center Community College District (SCCCD), which includes: Reedley College, Fresno City College, Willow International, Clovis, Madera or Oakhurst Center, then the information from your academic transcript at the end of the spring 2010 semester, will be used to determine your grade level and cumulative GPA. Transferring from another college(s) outside SCCC, please submit all OFFICIAL transcripts with this application.

Scholarship Recommendation Form: Some scholarships require a recommendation form from a specific area of study, it's suggested you submit one with your application. A recommendation can come from an instructor, high school teacher, counselor or employer. Anyone in a professional position can comment on your academic achievements, educational goals, work ethic, motivation, leadership and character

Scholarships

Reedley College Foundation

Founded October 19, 1966

The Reedley College Foundation was established to answer the need for a legally constituted agency to receive scholarship endowments, to manage and invest the contributions, and to disburse funds for the development and general welfare of Reedley College and its students.

Each year the Reedley College Foundation offers more than 75 different scholarship awards ranging from \$100-\$1000. These gifts come from local families and businesses. The Reedley College Foundation is unique in its ability to provide the services whereby individuals or firms can establish perpetual scholarships to aid students. Scholarships are paid from the interest earned on invested principal (the principal is never used).

An endowment of \$2,000 at 5% interest generates an award of \$100, which is the minimum award given. As interest earnings fluctuate, so does the amount of the scholarship award. However, it is not necessary to deposit the entire \$2,000 all at once. Many scholarships have been started with less and earned yearly interest until the \$100 minimum award can be given.

For more information, please contact Laurie Bolton at (559) 897-7328 or Mary Agrifoglio at (559) 275-3706.

Information Concerning the Establishment of a Reedley College Foundation Scholarship

The Foundation is unique in its ability to provide a lasting memorial whereby individuals or firms can establish a perpetual scholarship to aid students. Scholarships are paid from the earnings on the endowment once the amount reaches \$2,000.00. For example, an endowment of \$2,000.00 at 5% interest generates a scholarship award of \$100.00 per year, the minimum award given. As contributions and earnings fluctuate, so does the amount of the scholarship award. However, it is not necessary to deposit the \$2,000.00 all at once. Many scholarships have started with less, been added to from time to time, and earned yearly interest until the \$100.00 minimum award can be given.

You select the name of the scholarship you wish to establish and outline the criteria you want a student to meet in order to receive your scholarship. A committee made up of Board members screen and select the students who best meet that criteria.

Reedley College Foundation scholarships are not just memorial scholarships. Many civic and educationally minded persons also establish scholarships in their name. If interested in contributing to an existing scholarship, or establishing a new scholarship, inquiries can be directed to: **Reedley College Foundation, P.O. Box 227, Reedley, CA 93654.** You may also call Laurie Bolton at (559) 897-7328 or Mary Agrifoglio at (559) 275-3706.

Invest in the Future

Invest in our Community College Students

Paul Duckworth, President
STATE CENTER COMMUNITY
COLLEGE FOUNDATION

Scholarships have changed the lives of many students. Scholarship recipients have included first-time college students, re-entry adults, career changers, and single parents – all striving to meet their educational goals. For these students, scholarships can make a profound difference in the success of their college program, their career, their future, and our community.

*Reasons to Invest in Scholarships**

- You are investing in the community's future by supporting tomorrow's leaders.
- You are rewarding the hard work and determination of our top students.
 - You are helping to make someone's dream come true.
- Through naming a scholarship, you can honor or memorialize a family member or friend.
 - 100% of your donation is tax deductible.
 - You decide the scholarship criteria.

The Bernard Osher Foundation Endowment

The California Community Colleges Scholarship Endowment is a permanent fund that provides scholarships of up to \$1,000 annually to students who have already completed 24 units of study, are enrolled in at least six units for the current semester, and who qualify for a Board of Governors fee waiver. It combines the historic \$50 million commitment—including an upfront gift of \$25 million—from the Bernard Osher Foundation with a three-year match fundraising campaign that involves all 110 California Community Colleges. Through this campaign, the Endowment will ultimately grow to \$100 million and provide scholarships for thousands of California students annually.
